RE: Transmittal for Council File No. 22-1476

On October 2, 2024, the Transportation Committee considered a Bureau of Engineering (BOE) report to amend the Street Dedication and Improvement Investigation Criteria to promoting safety, sustainability, and multimodal street improvements.

After an opportunity for public comment was provided, the Committee recommended that the Council APPROVE Recommendations Nos. 1 through 4 contained in the BOE report dated August 7, 2024, attached to the Council file, AS AMENDED below:

1. APPROVE the Street Dedication and Improvement Investigation Criteria attached to the Bureau of Engineering (BOE) report, dated August 7, 2024, and as amended to make technical corrections, pursuant to the BOE communication, dated October 1, 2024, attached to the Council file.
2. AUTHORIZE the Street Standards Committee to amend the Street Dedication and Improvement Investigation Criteria to further the intent of the BOE report, dated August 7, 2024.
3. DIRECT the Los Angeles Department of Transportation (LADOT) to review streets with modified cross sections, as needed.
4. DIRECT the Department of City Planning, in consultation with the City Attorney, BOE, and LADOT to prepare and present an ordinance amending Los Angeles Municipal Code Section 12.37, as described in the BOE report, dated August 7, 2024.

Pursuant to multiple referrals of this matter, the subject Council File is hereby transmitted to the Public Works and Planning and Land Use Management Committees for further consideration.

Respectfully,

Rita Moreno  
Legislative Assistant, Transportation Committee
