Ad Hoc Committee on the 2028 Olympics and Paralympic Games

RE: Council File No. 20-1004-S1

On November 1, 2023, the Transportation Committee considered a Motion (De Leon – Lee) relative an implementation plan for the recommended Tier 1, 2, and 3 improvements outline in the LA 2028 Legacy Streets Improvement Plan. After consideration and having had an opportunity for public comment, the Committee moved to make the following recommendations

1. DIRECT the Department of Public Works (DPW) to report within 90 calendar days with an implementation plan for the recommended Tier 1, Tier 2, and Tier 3 improvements outlined in the LA 2028 Legacy Streets Improvements Plan with said report to:
 - a. Identify Tier 1 and Tier 2 improvements such as tree planting, sidewalk repair, bus shelters, and street lighting repair that can be folded into the city's annual work programs in order to complete the improvements by 2028.
 - b. Identify which Tier 3 improvements would be competitive for grant funding and include a time line for applying for these funds in its report.
2. DIRECT the Bureau of Street Services, in collaboration with the Los Angeles Department of Transportation, Bureau of Engineering, City Administrative Officer, and others as necessary, to report within 45 days with a cost estimate, work plan, and timeline for conducting a 2028 Legacy Streets Improvement Plan for the areas in and around UCLA and other Olympic/Paralympic venues with a focus on pedestrian and bicycle infrastructure to provide first/last mile connections to the transit system.

This file is now transmitted to the Ad Hoc Committee on the 2028 Olympic and Paralympic Games.

Adam R. Lid
Legislative Assistant II
