Comments for Public Posting: We SUPPORT Draft #3 of the Housing Element WITHOUT Appendix D options. Density should be placed on our commercial corridors where new vibrant neighborhoods can be created in each high-resource community, while protecting existing single-family neighborhoods, RSO multifamily neighborhoods, HPOZs that are the historic heart of our city, and our vulnerable communities in high fire and coastal zones. There is plenty of capacity in L.A. to meet our housing needs and at the same time preserve a wide range of housing options. All of us will be part of the solution to create affordable housing in L.A.
