

HOUSING AND HOMELESSNESS COMMITTEE REPORT relative to identifying data silos and databases within City departments and programs that may have a nexus to homelessness; which data could be linked to the Homeless Management Information System and/or shared with the County of Los Angeles; incorporating data sharing as appropriate; and utilizing Measure A data and accountability funds for data collection, standardization and sharing.

Recommendations for Council action, as initiated by (Raman – Soto-Martinez, Yaroslavsky):

1. INSTRUCT the Chief Legislative Analyst (CLA) to identify data silos and databases within City departments and programs that may have a nexus to homelessness, but whose data are not captured in the Homeless Management Information System (HMIS) administered by the Los Angeles Homeless Services Authority, including but not limited to data from:
 - a. Community Investments for Families Department Programs, such as Family Source Centers, Service Centers funded under the Community Development Block Grant and Survivor Services Programs.
 - b. Economic and Workforce Development Department Programs, such as LA:RISE and other workforce development programs, including data reported by the WorkSource and YouthSouce Centers.
 - c. Los Angeles Housing Department's Permanent Supportive Housing portfolio, Street Medicine Program and United to House LA initiatives, including the Short-Term Rental Assistance Program and Income Support for Rent-Burdened At-Risk Seniors and Persons with Disabilities Program.
2. INSTRUCT the CLA to report on which programs could be linked to HMIS and/or shared with the County of Los Angeles to enable regional data analysis, and which City agencies should be responsible for management of this effort.
3. INSTRUCT the CLA to report on ways to incorporate data sharing as appropriate to all future contracts, and with recommendations to incorporate into these programs participant agreements that enable data collection and sharing, anonymized or limited as necessary to protect but not exclude immigrants or non-citizens, victims of domestic and intimate partner violence and other vulnerable Angelenos, enabling more robust regional data analysis.
4. INSTRUCT the CLA to report with recommendations to utilize Measure A data and accountability funds for the data collection, standardization and sharing efforts described above.
5. INSTRUCT the CLA to include recommendations in the report for making anonymized aggregate data and analysis publicly available through community accessible dashboards, ensuring transparency and enabling community stakeholders to participate in solution building.

Fiscal Impact Statement: Neither the City Administrative Officer nor the CLA has completed a financial analysis of this report.
