Comments for Public Posting: I'm a home owner on Argus Drive, about five houses away from this proposed cell tower. I implore the council to approve the motion to rescind the erroneous approval of the 45-foot cell tower on Colorado. While I am in support of positive changes to our neighborhood such as improving pedestrian safety, adding high quality and robust transit services, and increasing density for more housing, the location of the proposed cell tower is incongruous, unsightly, and not appropriate. It would diminish the vibrant and charming nature of our neighborhood. Thank you.
