Comments for Public Posting: Dear PLUM Committee, I support the Art Deco Society of Los Angeles' nomination of the Mountain States Life Building/Yucca Vine Tower, including interiors. This 1929 Art Deco building was one of Hollywood's earliest skyscrapers. The eight-story tower adorned with classical sculpture contributed to the development of the Hollywood-Vine commercial district and was essential to the city's "Five-Finger Plan." Please vote to designate this building a Cultural Historic Monument. Historic structures are becoming scarcer in Los Angeles in this time of rampant development. It is time to act to preserve what is left of our cultural and architectural heritage. PLEASE INCLUDE INTERIORS. Thank you, Susan Winsberg Hollywood
