Comments for Public Posting: In regards to the appeal of the haul route for the construction proposed at 3701 Glenridge Dr., I hereby declare my continued opposition to this environmental exemption as outlined by the haul route application. This project will directly challenge the integrity of our narrow and already crumbling street. The amount of trucks needed to haul this dirt will cause a major inconvenience to residents. I work from home and the noise from constant trucks going up and down the hill will certainly disrupt my business. Please deny this project. Sincerely, Brandon Breault
