Comments for Public Posting: Hello my name is I Flor Estrada am a member of USC Forward and ACCE I've been living in District 9 for 18 and I support the CPIO amendments in Item 10 and 11. I would like to speak on Item 10 and 11 and Public comment. This ordinance is needed to prevent displacement and add affordable housing needed in our neighborhood while preventing displacement. We want to thank you for listening to community needs and to pass the ordinance with all of the included amendments that were added to it, which will add additional protections for tenants. These amendments are needed to prevent displacement not only here but across all of Los Angeles and should be added to the Resident Protections Ordinance.
