

AD HOC COMMITTEE FOR LA RECOVERY REPORT relative to accounting for the City’s response associated with fire preparedness and response to the recent Palisades, Kenneth, Hurst and other fires exacerbated by human activity and climate change.

Recommendation for Council action, pursuant to Motion (Blumenfield, et al. – Rodriguez, et al.):

REQUEST the Los Angeles Department of Water and Power, in collaboration with the Los Angeles Fire Department, to report to Council with recommendations that account for the City’s response associated with fire preparedness and response to the recent Palisades, Kenneth, Hurst and other fires exacerbated by human activity and climate change, including but not limited to: ignition sources, response times, equipment usage, water and power infrastructure needs and grid resiliency, to greatly improve fire resiliency citywide.

Fiscal Impact Statement: Neither the City Administrative Officer nor the Chief Legislative Analyst has completed a financial analysis of this report.

Community Impact Statement: Yes

For: North Westwood Neighborhood Council

SUMMARY

At the meeting held on February 6, 2025, your Ad Hoc Committee for LA Recovery considered a Motion (Blumenfield, et al. – Rodriguez, et al.) relative to accounting for the City’s response associated with fire preparedness and response to the recent Palisades, Kenneth, Hurst and other fires exacerbated by human activity and climate change.

After an opportunity for public comment was held, the Committee moved to approve the recommendation contained in the Motion, as detailed above. This matter is now forwarded to the Council for its consideration.

Respectfully Submitted,

AD HOC COMMITTEE FOR LA RECOVERY
