

TRANSPORTATION COMMITTEE REPORT relative to designing and installing speed humps and/or speed tables for streets on the Neighborhood Network, in conjunction with resurfacing activities.

Recommendation for Council action:

NOTE and FILE the Budget Recommendation, dated July 31, 2024, attached to the Council file, instructing the Los Angeles Department of Transportation, with assistance from the Bureau of Street Services, to report on the costs and benefits of proactively designing speed humps and/or speed tables for streets on the Neighborhood Network, and installing speed humps/tables in conjunction with resurfacing activities.

Fiscal Impact Statement: Neither the City Administrative Officer nor the Chief Legislative Analyst has completed a financial analysis of this report.

Community Impact Statement: None submitted

Summary:

On April 9, 2025, your Transportation Committee considered a July 31, 2024 Budget Recommendation relative to designing and installing speed humps and/or speed tables for streets on the Neighborhood Network, in conjunction with resurfacing activities. After consideration and having provided an opportunity for public comment, the Committee moved to note and file the Budget Recommendation. This matter is now submitted to Council for its consideration.

Respectfully Submitted,

Transportation Committee
