Dear Chair Blumenfield, Vice-Chair Hutt, and Honorable Members of the Committee:

On behalf of the Southern California District Council of Laborers (SCDCL), I am writing regarding the City of Los Angeles' upcoming consideration of the Violet Street Creative Office Campus Project ("Project").

After raising initial concerns regarding the Project's EIR, SCDCL has had an opportunity to review and consider the information provided in the Final EIR and the City's supplemental responses to public comments. This includes but is not limited to the City's specific responses to prior public comments.

This information has fully resolved our questions and concerns regarding the EIR, and SCDCL has no further comments on the Project. We are pleased to offer our full support for the City's approval of the Project.

Sincerely,
