To: City Council PLUM Committee

As a Board Member of the Greater Valley Glen neighborhood council, I am forwarding this CIS confirmation that shows a vote of support for Item 9, Council file 25-0179 April 8, 2015, and which was filed tonight right after our regular Board meeting wherein the item was voted. Due to the short timeframe, we were not able to submit this request in time for the PLUM agenda. I will attend the Council meeting April 8 at 2:00 p.m. Though I do not require extra time, I request to speak in public comment on behalf of my neighborhood council, not just as an individual. Our statement summary is in the email below.

Thank you for your consideration.

Hello,

Your Community Impact Statement has been successfully submitted to the City Council and Committees.

As a reminder, Pursuant to Los Angeles Administrative Code Section 22.819, a Neighborhood Council may take a formal position on a matter by way of a Community Impact Statement (CIS) or written resolution. If the Neighborhood Council would like to be heard on its CIS or resolution at a Commission meeting, the Neighborhood Council representative must provide the Commission with a copy of the CIS or Resolution sufficiently in advance for review, possible inclusion on the agenda, and posting on the Commission's website.

If the CIS or Resolution pertains to a matter *listed on the Commission's agenda*, during the time the matter is heard, the designated Neighborhood Council representative will have an opportunity to present the Neighborhood Council's formal position. In the Chair's discretion, the Neighborhood Council representative may be asked to have a seat at the table (or equivalent for a virtual meeting) typically reserved for City staff and may provide the Neighborhood Council representative more time than allotted to members of the general public. If the CIS or Resolution pertains to a matter *not listed on the agenda*, the designated Neighborhood Council Representative may speak during General Public Comments.

If you have questions and/or concerns, please contact the Department of Neighborhood Empowerment at [NCSupport@lacity.org](mailto:NCSupport@lacity.org).
