Comments for Public Posting: Please move as quickly as possible to install cameras on buses to enforce dedicated bus lanes. Climate-friendly, equitable transportation must have priority, and without any enforcement, bus lanes do not work. Please take advantage of AB-917 and vote in favor of CF 21-1224.

Comments for Public Posting: As a frequent pedestrian and bus rider, I see cars illegally using bus lanes all the time, and for bus lanes to work, we need to get cars out of them. I support the City making use of AB-917 and working with Metro to install cameras on buses to automatically ticket parked cars. I encourage the City to work as quickly as possible to implement this sorely needed measure.
