City Council  
Room No. 395  
City Hall

**SUBJECT: ANNUAL ASSESSMENT FOR STREET LIGHTING MAINTENANCE AND OPERATION FOR 2025/26- PROPOSITION 218 CONFIRMED STREET LIGHTING MAINTENANCE ASSESSMENT DISTRICT (ASSESSMENT DISTRICTS CONFIRMED AFTER PROPOSITION 218)**

As recommended in the accompanying report of the Director of the Bureau of Street Lighting, which this Board has adopted, the Board of Public Works recommend that your Honorable Body:

1. ADOPT this report and transmittals in accordance with Section 6.98 of the Administrative Code of the City of Los Angeles, with the recommendations that:
  - a. Council ADOPT this Report and the two Ordinances of Intention, under which the boundary of the district is the same as its component districts' boundaries. The individual maintenance assessments are increased by 3.30%, the amount of the increase in the local Consumer Price Index for 2024, as allowed in their original ordinances, and this district is therefore exempt from the "procedures and approval process" (section 4 of Proposition 218) as allowed in section 5 of Proposition 218, for 2024/25. Assessment ballots are therefore not required; and
  - b. Proceedings for the maintenance of this street lighting maintenance district for fiscal year 2025/26 be conducted in conformance with Division 6, Chapter 3, Article 1 of the Administrative Code, California Government Code Section 53753.5, and Proposition 218 (Articles XIII C and XIII D of the California State Constitution). At the conclusion of the Council Public Hearing, the assessments be confirmed and an ordinance levying the assessments be adopted.

**Fiscal Impact:**

Approval will result in assessment revenue of about \$4,387,500 to the Street Lighting Maintenance Assessment Fund. A total of 41,704 parcels are included in this assessment district.

Sincerely,

A handwritten signature in black ink, appearing to read 'Elyse Matson', written in a cursive style.

ELYSE MATSON,  
Executive Officer, Board of Public Works
