A Neighborhood Council Community Impact Statement (CIS) has been successfully submitted to your Commission or City Council. We provided information below about CISs and attached a copy of the CIS.

We encourage you to reach out to the Community Impact Statement Filer to acknowledge receipt and if this Community Impact Statement will be scheduled at a future meeting. Neighborhood Council board members are volunteers and it would be helpful if they received confirmation that you received their CIS.

The CIS process was enabled by the Los Angeles Administrative Code §Section 22.819. It provides that, "a Neighborhood Council may take a formal position on a matter by way of a Community Impact Statement (CIS) or written resolution." NCs representatives also testify before City Boards and Commissions on the item related to their CIS. If the Neighborhood Council chooses to do so, the Neighborhood Council representative must provide the Commission with a copy of the CIS or resolution sufficiently in advance for review, possible inclusion on the agenda, and posting on the Commission's website. Any information you can provide related to your agenda setting schedule is helpful to share with the NC.

If the CIS or resolution pertains to a matter *listed on the Commission's agenda*, during the time the matter is heard, the designated Neighborhood Council representative should be given an opportunity to present the Neighborhood Council's formal position. We encourage becoming familiar with the City Council's rules on the subject. At the Chair's discretion, the Neighborhood Council representative may be asked to have a seat at the table (or equivalent for a virtual meeting) typically reserved for City staff and may provide the Neighborhood Council representative more time than allotted to members of the general public. They are also permitted up to five (5) minutes of time to address the legislative body. If the CIS or resolution pertains to a matter *not listed on the agenda*, the designated Neighborhood Council representative may speak during General Public Comments.

We share this information to assist you with the docketing neighborhood council items before your board/commission. If you have questions and/or concerns, please contact the Department of Neighborhood Empowerment at empowerla@lacity.org.

Summary: The Empowerment Congress North Area Neighborhood Development Council (NANDC) at its May 1, 2025, Board meeting voted unanimously to ask both the mayor, the council president and members of the city Council to not cut L.A.'s Animal Services. We ask the Budget Committee to restore funding to L.A. Animal Services this fiscal year. This disproportionate reduction to the department — including \$5 million and the loss of 122 positions — could translate directly to the killing of thousands more pets in the city's shelters, according to the administration's own projections. The cuts will also jeopardize public safety and put more pressure on an already overburdened rescue community. We would

appreciate the city moving quickly on a budget item that will negatively affect our South Los Angeles community. We thank you for considering the budget adjustment and not closing animal shelters and funding

RE: **CF-25-0600**, NANDC opposes budgets cuts for Animal Shelters
via e mail

Hon. Mayor, Council President and Councilmembers:

The Empowerment Congress North Area Neighborhood Development Council (NANDC) at its May 1, 2025, Board meeting voted unanimously to ask both you and members of the city Council to not cut L.A.'s Animal Services.

We ask the Budget Committee to restore funding to L.A. Animal Services this fiscal year. This disproportionate reduction to the department — including \$5 million and the loss of 122 positions — could translate directly to the killing of thousands more pets in the city's shelters, according to the administration's own projections.

The cuts will also jeopardize public safety and put more pressure on an already overburdened rescue community.

We would appreciate the city moving quickly on a budget item that will negatively affect our South Los Angeles community. We thank you for considering the budget adjustment and not closing animal shelters and funding.

Sincerely,
