

TRADE, TRAVEL AND TOURISM COMMITTEE REPORT relative to a process to better streamline Los Angeles World Airports (LAWA) project delivery.

Recommendation for Council action, pursuant to Motion (Park, de León – Blumenfield):

REQUEST LAWA and INSTRUCT the Bureau of Engineering, in coordination with the Bureau of Street Services, Bureau of Street Lighting, Bureau of Sanitation, Los Angeles Department of Building and Safety and Los Angeles Department of Transportation, to report in 90 days on a process to better streamline LAWA project delivery including but not limited to a memorandum of understanding between agencies, identifying all off-site scope of work prior to soliciting bids, timelines for plan reviews, and any other strategies that will ensure projects stay on time and within budget. The report should also include recommendations to revise and improve contracting procedures to more narrowly define "relief events," steps to make the claims process more efficient and less costly, revisions to assessments of risk allocation and project contingencies, and further safeguards, if needed, to protect the City against future Public Private Partnership delivery methods.

Fiscal Impact Statement: Neither the City Administrative Officer nor the Chief Legislative Analyst has completed a financial analysis of this report.

Community Impact Statement: None submitted

### SUMMARY

At the meeting held on September 17, 2024, your Trade, Travel and Tourism Committee considered a Motion (Park, de León – Blumenfield) relative to a process to better streamline LAWA project delivery.

After an opportunity for public comment was held, the Committee moved to approve the recommendation contained in the Motion, as detailed above. This matter is now forwarded to the Council for its consideration.

Respectfully Submitted,

Trade, Travel and Tourism Committee
