Comments for Public Posting: "Please support the CHIP draft #3 ordinance as recommended by the PLUM Committee (council file 21-1230-S5). The Planning Department has identified enough zoning capacity on our commercial corridors to meet the state mandate without the need to rezone single-family neighborhoods. This fact is supported by a letter from the State (Housing and Community Development-HCD) to Vince Bertoni dated November 18, 2024, that states the Draft as currently written meets the HCD's requirements for approval."
