The Honorable Karen Bass
Mayor, City of Los Angeles
City Hall, Room 303
Los Angeles, CA 90012

Attention: Heleen Ramirez

Dear Honorable Mayor:

RE: DONATION VALUED AT \$45,000.00 FROM THE LOS ANGELES POLICE
FOUNDATION.

At the regular meeting of the Board of Police Commissioners held Tuesday, August 22, 2023, the Board APPROVED the Department's report relative to the above matter.

Respectfully,

BOARD OF POLICE COMMISSIONERS

1.14

TO: The Honorable Board of Police Commissioners

FROM: Chief of Police

SUBJECT: APPROVAL OF NON-MONETARY DONATION

RECOMMENDED ACTION

1. That the Board of Police Commissioners APPROVE the Department's Report and TRANSMIT to the Mayor and City Council for ACCEPTANCE of the following non-monetary donation valued at \$45,000.00 for Air Support Division (ASD).

DONOR:

Los Angeles Police Foundation
Ms. Dana Katz, Executive Director
633 West 5th Street, Suite 960
Los Angeles, California 90071
(213) 489-4636

PURPOSE:

ASD Gym Equipment
(#2023-083)

VALUE:

\$45,000.00

DISCUSSION

This donation will provide replacement gym equipment for ASD. In December 2022, the fire-retardant foam system inside ASD's hangar facility was inadvertently activated by City personnel. This system (also called a Deluge System) is specifically designed to extinguish aircraft jet-fuel fires and releases a significant amount of liquified foam that far exceeds a standard fire sprinkler system upon activation. As a corrosive agent, the foam damaged the electrical components of the treadmills and stationary bikes and also caused the weights and pulley machines to corrode and rust. The gym was widely used by ASD aircrews and utilized daily. Approval of this grant will support the morale and productivity of ASD personnel and help crews to stay fit for long hours of flying.

The Los Angeles Police Foundation is an independent, not-for-profit organization that provides critical resources and vital support to the Los Angeles Police Department (LAPD). From essential equipment and state-of-the-art technology to specialized training and innovative programs that would otherwise be unfunded, the Foundation provides funding that directly improves public safety, impacts officer readiness, and enhances the quality of life of all members of the community. As the largest source of private support for the LAPD, the Foundation is passionately dedicated to ensuring that Los Angeles remains America's safest major city. Since being established in 1998, the Foundation has invested tens of millions of dollars in hundreds of LAPD initiatives that promote excellence, expand capabilities, strengthen neighborhoods and

create opportunities for at-risk youth. These actions are grounded in the beliefs that a safe city is a strong city and that together we can make a difference.

The donation has been submitted in accordance with Section 5.467 et seq. of the Los Angeles Administrative Code, which provides for the receipt and acceptance of donations to the Department.

If you have any questions, please contact Captain Sean Parker, ASD, at (213) 485-2600.

Respectfully,

A handwritten signature in black ink, appearing to read "M. Fori".

MICHEL R. MOORE
Chief of Police

Terms & Conditions

Terms: All new customers are required to pay 50% down and balance due prior to install. Residential customers, personal trainers, and orders for resale, require 100% payment before the order can be placed. All other terms and credit lines are subject to credit approval. Invoice will be due and payable, based on the original requested installation date, unless Advanced Exercise is notified in writing 60 days prior to the requested installation date with a change of the installation date. We accept checks, money orders, ACH and credit cards (under \$2000). A late payment fee will be assessed at a rate of 1.5% (18% annual) per month on any unpaid balance remaining 30 days after the due date. Special Orders: A 100% prepayment is required for all customized products including but not limited to custom colors, sports flooring and products with logos such as plates, dumbbells and platforms.

Return Policy: Any returns require approval in writing by Advanced Exercise Project Management. A minimum 25% restocking fee, plus freight, will be incurred for all non-custom products returned. Customized products are nonreturnable. All products with color choices are defined as custom products.

Bolt Down Requirements: Life Fitness recommends that all strength training equipment be secured to the floor in order to prevent tipping, rocking or displacement which might occur in the event of unanticipated use of the equipment. Life Fitness requires that certain strength training equipment (specifically the Synrgy 360 90, T, XS, XM, HD Elite Half Rack/Short Base, Athletic Series Rigs, Athletic Series Racks with Wing option, Cybex PWR Play, Synrgy Outdoor BlueSky and other products to be used for body weight strap training) be secured to the floor. In the case of Synrgy 360S, T, XS, XM and the Elite HD Half Rack Short Base, the customer acknowledges:

- Customer has determined the proper placement of the equipment to be secured. **Customer Initial** _____
- Customer has identified and informed Advanced Exercise of the location of any utility, service lines, including but not limited to post tension cables. It is the customer's responsibility to identify the locations of any cables or lines prior to installation. **Customer Initial** _____
- Customer has confirmed that the subfloor consists of no less than 4.75 inches of concrete. (Synrgy Outdoor BlueSky requires a minimum 4.5 inches of concrete **Customer Initial** _____)
- Customer has obtained any and all consents to the drilling of holes in the flooring and subflooring. **Customer Initial** _____

If your order includes any of the equipment requiring bolting to the floor, initials are required above and an additional signed waiver will be required to place the order. Additional products may require bolting to the floor, wall or ceiling. Bolting is not included on these products unless otherwise noted on the quotation. Customer is responsible for bolting these products to meet the manufacturer's requirements. This includes TRX, Core Energy, Boxing mounts and other products that require bolting to the facility structure.

Wall & Ceiling Attached Items: The installation of any items such as TRX Multi Mounts., X Mounts, Wall Mat Racks, etc. that require bolting to walls or ceilings are not included in the proposal unless otherwise noted.

Flooring Installation: Refer to the product specifications to ensure that the sub floor meets the material installation requirements. Freight offloading, inside delivery, adhesive, moisture tests, moisture reducers, base boards, sub floor prep, sub floor cleaning, transition strips and existing floor removal and disposal are not included unless otherwise noted on the quotation.

Storage: We reserve the right to assess storage fees not to exceed 1.5% per month, or fraction thereof and request payment in full on the related customer's invoice, when a customer's original requested delivery date is delayed by circumstances beyond our control.

Taxes: We collect sales or use taxes only in jurisdictions where we are licensed to do so. Customer agrees to accept sole liability and responsibility to pay for any and all uncollected sales or use tax liabilities, related penalties and interest that arise as a result of the purchase of products and/or services from our company.

Security: Until all products are paid in full, customer hereby grants to, and Advanced Exercise shall retain, a security interest in and lien on all products sold to the customer.

I accept the terms and conditions of this quote.

Name: _____

Date: _____ **Customer Requested Install Date:** _____

INTRADEPARTMENTAL CORRESPONDENCE

June 29, 2023

16.1

TO: Director, Office of Constitutional Policing and Policy

FROM: Commanding Officer, Air Support Division

SUBJECT: LOS ANGELES POLICE FOUNDATION GRANT REQUEST
– RESTRICTED ACCOUNT

NAME OF REQUEST: AIR SUPPORT DIVISION GYM REPLACEMENT

It is requested that Air Support Division (ASD) be approved for funding to replace its gym. Approval of this grant benefits the Department as follows:

In December 2022, City personnel inadvertently activated the fire-retardant foam system inside our hanger facility. This system (aka a Deluge System) is specifically designed to extinguish aircraft jet-fuel fires, and when activated releases a significant amount of liquified foam that far exceeds a standard fire sprinkler system. Among the items damaged was our gym. The foam is a corrosive agent that damaged the electrical components of the treadmills and stationary bikes. It also caused the weights and pulley machines to corrode and rust. The gym was widely used by our aircrews and utilized daily. Working out is good for morale and productivity, and helps crews stay fit for long hours of flying.

Attached is a quote of itemized gym equipment that includes delivery, installation, and tax. There are no warranty or contract fees associated with this donation. In the event items become inoperable, additional funding will be identified to replace concerned item(s).

The requested items do not require approval from Information Technology Bureau; the gym equipment will not interact with existing Department operating systems. The equipment will be installed inside ASD's existing weight room.

If you have any questions, please contact Captain Sean Parker, ASD, at 213.473.8180.

APPROVED:

SEAN PARKER, Captain
Commanding Officer
Air Support Division

DAVID J. KOWALSKI, Deputy Chief
Commanding Officer
Counter-Terrorism and Special Operations Bureau
