

LOS BUKIS

The band was founded by cousins Marco Antonio Solis and Joel Solis in 1975. After the release of their first album, the band received widespread fame. They became very successful from the late 1970s, throughout the 1980s and 1990s becoming one of Latin America's best-selling and most influential bands of the time.

In August 1995, Los Bukis celebrated their 20th anniversary before 60,000 fans at the Los Angeles Memorial Coliseum. Their last album "Por amor a mi pueblo" sold over 600,000 copies in the United States alone.

In the Summer of 2021, Los Bukis reunited in a sold-out tour in the U.S., breaking records such as the first two sold-outs in the history of the new SoFi Stadium in Los Angeles, and the only Latin band in tour history that has achieved 9 sold out stadiums in a single run (per LiveNation)

Besides this, Pollstar ranked the "Los Bukis Historia Cantada tour" in sixth place on the 2021 top grossing tours list, with gross earnings of \$49.7 million dollars. This same tour earned them the 2022 Billboard Music Award for Top Latin Tour.

A second tour in the U.S and a "come-back" tour in Mexico took place in 2022. In December 3rd, the band performed at the Estadio Azteca in Mexico City with a sold-out concert with over 82,000 fans.

In 2024, Los Bukis made history again with the first-ever full Spanish language residency on the Las Vegas Strip with 15 dates at the Dolby Live at Park MGM venue.

The original band members are Marco Antonio Solis, Joel Solis, Eusebio "El Chivo" Cortez, Roberto Guadarrama, Jose Guadarrama, Pedro Sanchez and Javier Solis.

List of Contributions to the community and civic-oriented participation:

One of the band's mission is to donate to charitable organizations local to their native city in Michoacan, Mexico, with the purpose of supporting vulnerable communities.
