

ADOPTED BUDGET RECOMMENDATION

Instruct the Department of Transportation, with assistance from the Bureau of Street Services, to report to the Transportation Committee on the costs and benefits of proactively designing speed humps and/or speed tables for streets on the Neighborhood Network, and installing speed humps/tables in conjunction with resurfacing activities.

(Pursuant to Council Action of July 31, 2024; Council file No. 24-0600-S32)
