**Comments for Public Posting:** Our call to action demands that the Los Angeles Public safety committee does not move forward with the agenda item 15 until there is further clarification as to how "hate speech" will be determined by LAPD and the city attorney, how the requested report will be conducted, and a guarantee that there will be no conflation between anti-zionism and anti-semitism by using the IHRA definition of anti-semitism. We are further demanding that the Public Safety Committee protects the right to freedom of speech by rescinding their support for the distorted IHRA definition, which falsely conflates anti-zionism and antisemitism.
