Subject: **FOURTH (YEAR-END) FINANCIAL STATUS REPORT**

SUMMARY

This Office is transmitting the Fourth (Year-End) Financial Status Report (FSR) for 2023-24. This report provides an update on the current-year budget including projected departmental and non-departmental expenditures, the status of the Reserve Fund, the revised 2023-24 General Fund revenue budget, and a discussion on issues of concern that may impact the City's finances.

Throughout this fiscal year, this Office has reported on the City's significant financial challenges resulting from high levels of overspending and revenue shortfalls compared to the 2023-24 Budget. To address these challenges this fiscal year, the City curtailed hiring through the Prioritized Critical Hiring (PCH) program. However, increased salary savings alone have not been enough to address the overspending and revenue shortfalls, and as a result, the City has relied heavily on the Reserve Fund. The recommendations in this report will further draw down our Reserve Fund balance to resolve the \$153.67 million in remaining overspending identified in this report, which, combined with the anticipated use of the Reserve Fund to address the year-end revenue shortfall, will cause the Reserve Fund to drop to 3.31 percent of the General Fund budget. This reduction is the first time since the height of the COVID pandemic that the Reserve Fund has fallen below the five percent policy minimum.

With the recent adoption of the 2024-25 Budget, we expect the Reserve Fund to move above five percent to start the new fiscal year, however, even small changes in expenditures and revenues between now and year-end will impact the Reserve Fund.

The revised 2023-24 General Fund revenue budget reflects a net \$170.5 million reduction from the Adopted Budget. Revenues through April are \$77.4 million below the revised plan primarily due to below plan receipts for business tax, sales tax, documentary transfer tax, and grant receipts. While we project that most receipts will meet the revised estimates by year end with minor variances, there is downside risk to departmental receipts, business tax revenue, and grant reimbursements from the Federal Emergency Management Agency (FEMA). In light of the downside risk to these

receipts, General Fund revenues are at risk of falling below the 2023-24 revised budget amount. If this occurs, it will have a negative impact on the July 1 Reserve Fund balance in the amount of the additional revenue shortfall as a result of an increased year-closing transfer requirement and reduced loan repayments. Since the Adopted Budget assumes that the July 1 Reserve Fund balance will only be at 5.07 percent, even a small additional revenue shortfall, all else being equal, will drop the balance below the five percent policy minimum.

In the Mid-Year FSR, we identified \$288.56 million in General Fund expenditures above plan in the current year. After accounting for recommendations in the Mid-Year FSR and other fund transfers, the newly identified over-expenditure amount is now \$153.67 million. Driving the over-expenditures are the Fire Department (\$47.09 million), Police Department (\$48.55 million), and the Liability Claims Fund (\$42.49 million). These three categories account for 90 percent of the currently identified overspending. Of these three overspending categories, the Liability Claims Account will result in the most significant impact as approved and pending liability payouts are projected to reach \$232.05 million for the year, which is more than double the budgeted amount. The Liability Claims Account status is further detailed in the Status of Non-Departmental Funds and Special Accounts section of this report. In addition, in this report we identify a single issue of concern related to employee union negotiations and the impact of the labor agreements approved this year. In this report we recommend \$126.25 million in solutions to partially address the projected budget gap of \$153.67 million, which includes a transfer for \$86.63 million from the Reserve Fund, and identify \$38.27 million in anticipated future actions fully resolve the remaining year-end overspending, leaving surpluses intact that departments must use for require reappropriations to 2024-25.

The Reserve Fund balance is \$261.26 million or 3.31 percent of 2023-24 General Fund revenue, after accounting for transactions approved since July 1 and the recommendations in this report. As the Reserve Fund balance has fallen below the City's five percent Reserve Fund policy, the City will have very limited flexibility to address overspending or revenue shortfalls in subsequent fiscal years without further expenditure reductions. We therefore strongly recommend against any transfer from the Reserve Fund not related to unanticipated emergencies or essential budget balancing.

The challenges the City has faced in the current fiscal year and detailed in this report will continue to apply pressure on the City's financial position in 2024-25. Furthermore, the ongoing costs associated with labor agreements approved this year have resulted in a structural imbalance in the City's budget that we anticipate will remain through 2027-28. This financial reality is reflected in the 2024-25 Adopted Budget, which includes the elimination of approximately 1,700 positions and significant expense account reductions as the City begins the multi-year process of structurally re-balancing our budget. The City will need to maintain financial discipline until our budget is back to structural balance.

General Fund Revenue **Attachment 1 – 2023-24 Adopted General Fund Revenue**

Key Findings/Recommendations

- *The revised revenue budget includes a net \$170.5 million reduction to the adopted General Fund revenue budget of \$7.903 billion with revised year-end receipts now estimated at \$7.733 billion.*
- *Adjusted 2023-24 revenue through April is \$5.944 billion, \$205.4 million below the adopted plan of \$6.194 billion and \$77.4 million below the revised plan of \$6.021 billion.*
- *Receipts through April represent 76.9 percent of the revised General Fund revenue budget. Excluding the Reserve Fund transfer and interest earnings, April receipts are 1.7 percent below General Fund receipts from this time last year.*
- *Revenue data through April indicates most receipts will meet the revised estimates, although shortfalls in departmental receipts and business taxes indicate a potential downside risk to these categories.*
- *Anticipated reimbursements from FEMA to repay Reserve Fund loans may be subject to delays.*

The 2023-24 Adopted Budget assumed approximately \$7.903 billion in General Fund revenue based on expectations for lower-than-average growth. Assumptions included declining documentary transfer tax revenue with the real estate market slowing under higher mortgage rates; slowing growth in sales and business taxes with continuing inflation reducing demand for goods and services; and a drop in utility users tax receipts with previously peaking natural gas prices anticipated to return to historical levels. Parking occupancy and transient occupancy (TOT) used higher-than-average growth assumptions as these revenues were still recovering from pandemic era lows; TOT was also anticipated to experience a boost with the return of international tourism from China. Budgeted growth for most other receipts was near historical averages.

Year-end receipts for several economically sensitive receipts are anticipated to fall well short of the assumptions for modest growth or decline primarily due to continuing inflation and the ongoing delay to cuts in the federal reserve rate. Anticipated negative variances for year-end receipts totaling \$204.8 million are offset by positive variances of \$34.3 million. The \$170.5 million net decrease (-2.2 percent) results in a revised budget of \$7.733 billion. Excluding Reserve Fund transfers and FEMA reimbursements for COVID-19 efforts, the revised General Fund estimate represents only 1.2 percent growth from 2022-23 actual receipts, compared to 2.9 percent growth assumed in the adopted budget. Both the adopted and revised growth estimates are below the average annual growth of 3.8 percent (1990 through 2023).

Among the larger shortfalls, continuing inflation, higher interest rates, and the aftermath of the entertainment industry strike contributed to declines in revenue for both business and sales tax, with year-end receipts anticipated to be \$37.7 million lower than 2022-23 actual revenue and \$69.7 million below the adopted budget. Documentary transfer tax, which the adopted budget assumed a 10.2 percent decline from 2022-23 revenue, is now expected to end 28.5 percent below last year's receipts with persistent higher mortgage rates depressing down sales volume and average prices. Final transfer tax receipts are anticipated to be \$63.0 million below 2022-23 actual revenue and \$40.3 million below the adopted budget. Lesser year-end shortfalls totaling \$10.4 million are also predicted for property tax, CRA/LA tax increment revenue, and residential development tax receipts also related to the declining real estate market and higher financing costs for construction. TOT revenue is anticipated to exceed 2022-23 receipts; however, higher growth assumptions in the adopted budget from an anticipated boost in international tourism failed to materialize due to China's sluggish economy. As result, TOT receipts are expected to be \$16.8 million below the adopted budget by year-end. Non-economic-driven shortfalls include revenue from FEMA reimbursements and departmental grant receipts which are anticipated to fall \$52.8 million below the adopted grant receipts estimate. Approximately \$41.7 million of the grant reduction is attributed to reimbursements for COVID-19 response efforts for which an offsetting reduction to the unappropriated balance is recommended in this report. The parking fine revenue estimate has been reduced by \$7.5 million to reflect the impact of traffic officer vacancies and lower collections, and total departmental receipts have been reduced by \$7.3 million for various reasons including lower reimbursements from special funds and proprietary departments from vacancies and lower cost allocation plan rates.

Offsetting increases in the revised budget include higher utility users taxes (\$17.1 million), Power Revenue Fund transfer (\$8.2 million), and franchise income (\$3.1 million), partly attributed to higher electricity receipts for the first two and natural gas receipts for the last. Higher interest rates drove the increase in revised interest earnings (\$4.5 million). Other smaller increases to revised estimates for parking occupancy tax, tobacco settlement monies and state motor vehicle license fee receipts total approximately \$1.4 million.

Table 1 on the next page summarizes the 2023-24 Adopted and Revised General Fund Revenue Budget:

Total General Fund Revenue	\$7,903.3	\$7,732.8	(\$170.5)

General Fund revenue through April is \$5.944 billion. Total receipts are \$77.4 million below the revised plan of \$6.021 billion or \$80.2 million excluding interest earnings that may be owed to special funds. While most receipts are near plan and in line to meet the revised estimates with minor variances; there is downside risk to departmental receipts, business tax revenue, and FEMA grant reimbursements.

The status of April receipts and variances from the revised plan are summarized below and in Attachment 1.

Property taxes and ex-CRA tax increment: Property tax receipts through April are near the revised plan, which has been revised to exclude receipts recorded in the prior fiscal year and include higher growth in assessed value compared to the County Assessor’s countywide estimate, increasing delinquencies and refunds, and lower supplemental receipts. Property tax receipts are anticipated to meet the revised estimate with any year-end positive or negative variance to be offset by the July remittance in the 2024-25 fiscal year. The revised estimate for property tax increment receipts from the former CRA reflect lower actual receipts, unrealized proceeds from delayed property sales, and the County Auditor-Controller’s estimate for the June 2024 remittance.

Department receipts: Adjusted departmental receipts through April 2024 total \$876.3 million, approximately \$28.4 million below the revised budget after including \$49.9 million in misrecorded

LA Metro reimbursements. Below plan receipts include lower fees (\$2.0 million) and delayed proprietary department and related cost reimbursements (\$18.8 million and \$8.6 million, respectively), which are offset by \$1.0 million in ambulance billing receipts.

Business tax: Business tax receipts through April are \$55.0 million below the revised plan. The Office of Finance has indicated that it is still processing outstanding payments, delayed with issues arising from the transition to an upgraded tax recording system, and anticipates recording most of this revenue this fiscal year. However, the delay in sending out delinquency notices will mean late taxpayer payments will not be collected before the close of the fiscal year.

Sales tax: April receipts are \$2.2 million below the revised plan; however, the May remittance, not reflected in this report, indicates year-end receipts will end near the revised estimate.

Utility users tax: All category receipts through April are near plan. The revised estimates for electric users tax includes an increase of \$30.5 million which offset the \$14.4 million reduction to gas users tax revenue attributed to a larger-than-anticipated correction to natural gas prices from the prior year's peak. Combined with the \$1.0 million increase to the communication users tax estimate, the net add to revised receipts is \$17.1 million.

Transient occupancy tax (TOT): TOT revenue through April is \$3.2 million above the revised plan. The revised estimate for total receipts was decreased by \$16.8 million, with \$16.0 million in reduced hotel tax receipts attributed to the lower-than-assumed growth in international tourism.

Documentary transfer tax: Receipts through April are \$1.0 million above the revised plan. The year-end estimate was reduced to reflect continuing decline in property sales and prices, exceeding assumptions in the adopted budget. As of April, sales are down 42 percent and average prices have fallen 9.0 percent from two years ago (April 2022) following the Federal Reserve's first rate increase after the pandemic.

Parking occupancy tax: Parking occupancy tax is \$2.2 million below the revised plan, after the revised estimate was increased to reflect higher-than-budgeted receipts. Monthly receipts are variable.

Parking fines: April parking fine revenue is \$1.3 million above the revised plan. Parking fine revenue which fell along with parking occupancy receipts during the pandemic has not recovered alongside parking occupancy tax receipts. The revised estimate was provided by the Department of Transportation and was decreased to reflect the impact of traffic officer vacancies, operational demands, and decreased collections.

Grant receipts: Adjusted receipts from grant revenue through April are \$11.7 million and are near the revised plan after deducting \$49.9 million in misrecorded receipts. The revised grant estimate, which was reduced by \$52.8 million, includes \$38.7 million in FEMA reimbursements for COVID-19 response efforts recommended for transfer to the General Fund in this report. Additionally, the revised budget anticipates transferring \$22.1 million of FEMA receipts directly to special funds to repay reserve fund loans, of which \$7.7 million has yet to be remitted. Another \$19.7 million in

FEMA reimbursements previously assumed in the adopted budget is now anticipated to be received in 2024-25, along with \$3.9 million in departmental grant revenue.

Franchise income: Total franchise receipts through April are \$3.4 million above the revised plan. After deducting earlier-than-planned remittances, receipts are near plan. The revised budget reflects an increase of \$3.1 million, of which \$6.3 million in additional natural gas franchise income related to the prior-year's peak pricing and a \$0.5 million net increase to other franchise income offset a \$3.7 million shortfall in cable franchise revenue.

Other receipts: The final tobacco settlement remittance (\$9.6 million) is \$1.2 million below the revised estimate. The revised state motor vehicle license fee estimate was increased by \$0.8 million to match actual receipts. The interest earnings revised estimate was increased by \$4.6 million; however, the positive variance of \$2.7 million above the revised plan through April may include money owed to special funds. Residential development tax income was reduced by \$0.5 million in the revised budget, and April receipts are \$0.2 million below the revised plan.

Expenditures

Key Findings/Recommendations

- *This Office has identified approximately \$153.67 million in projected overspending and unfunded items across various departments and funds.*
- *The recommendations in this FSR address \$126.65 million of this overspending. This Office anticipates other actions that will fully address the remaining overspending.*

Based on expenditure data through the end of March 2024, this Office has identified \$153.67 million in projected overspending and unfunded items across various departments and funds. This amount is largely due to overspending in the Fire Department (\$47.09 million), the Police Department (\$48.55 million), and the Liability Claims Fund (\$42.49 million). Most departments reported year-end surpluses due to salary savings and vacancies.

The year-end overspending is detailed in Table 2 to follow and is primarily due to the following categories:

- Projected overspending of \$47.09 million in the Fire Department primarily due to transfers from the Salaries Sworn Account throughout the fiscal year to meet timely cash flow needs, retirement sick payout liabilities, overtime for fire life safety inspections and fleet maintenance, and an increased backfill rate in light of sworn vacancies.
- Projected overspending of \$48.55 million in the Police Department primarily due to costs associated with the agreement with the Los Angeles Police Protective League, projected hiring, increased sworn overtime, and unbudgeted auto parts and equipment costs.

- Projected overspending of \$42.49 million in the Liability Claims Fund due to approved and pending liability payouts.

Total Year-End Overspending	\$ 288.56	\$ (134.89)	\$ 153.67	

Current Year Budget Balancing

As noted in Table 3 below, the recommendations in this report are expected to pay down the year-end overspending from \$153.67 million to \$27.42 million. This Office has identified other actions totaling \$38.27 million, which will pay down the remaining year-end overspending. Our recommended and anticipated budget solutions are approximately \$10.85 million more than the net overspending due to a portion of surplus funds in departmental accounts that were not available for budget balancing due to reappropriation obligations and to provide flexibility due to operational uncertainties through year end.

City Reserves

Key Findings/Recommendations

- *After accounting for transactions approved since July 1 and the recommendations in this report, including the transfers of \$103.1 million to address expenditure shortfalls and \$170.54 to cover revenue shortfalls, the Reserve Fund balance is \$261.26 million, which represents 3.31 percent of the General Fund budget.*
- *In addition to the transfers included in this report, this Office anticipates transfers of approximately \$40 million to Liability Claims that would reduce the Reserve Fund balance to \$221.26 million, which is 2.80 percent of the General Fund budget.*
- *Based on the 2024-25 Adopted Budget, the Reserve Fund balance will increase to \$656.5 million (or 8.31 percent) by year-end. Of this amount, the City expects to reappropriate \$302.32 million, which will be partially offset by a \$37.76 million appropriation to the Reserve Fund in the 2024-25 Budget. These actions reduce the Reserve Fund balance to \$406.94 million (or 5.07 percent) of the 2024-25 General Fund revenues on July 1.*
- *If General Fund revenues fall below the 2023-24 revised budget amount, it will have a negative impact on the July 1 Reserve Fund balance. Even a small additional revenue shortfall, all else being equal, will drop the balance below the 5 percent Reserve Fund policy.*

The City maintains General Fund reserves to help manage its risks and ensure sufficient resources to meet contingencies. The City’s reserves total \$463.15 million or 5.86 percent of the total 2023-24 General Fund revenue.

Total Reserves	\$ 463.16	5.86%	

Unappropriated Balance, 2023-24 Reserve for Mid-Year Adjustments

The transactions in the Mid-Year FSR left the Reserve for Mid-Year Adjustments Account depleted. This report includes recommendations to transfer \$103.1 million from the Reserve Fund into the Unappropriated Balance, Reserve for Mid-Year FSR Adjustments Account, to replenish the account. This report recommends transferring the available balance in this account to address the remaining budget shortfall as described in Table 3.

Reserve Fund Recommendation Nos. 6 and 7 Attachment 2 – Current Status of Reserve Fund

After accounting for transactions approved since July 1 and the recommendations in this report, the Reserve Fund balance is \$261.26 million, which consists of \$217.34 million in the Emergency Reserve and \$43.92 million in the Contingency Reserve. This balance represents 3.31 percent of the General Fund budget, which is below the five percent Reserve Fund policy.

The Reserve Fund balance of \$261.26 million reflects a reduction from the Mid-Year FSR balance of \$492.03 million. Among the transactions contributing to the decrease and approved since the Mid-Year FSR is \$0.73 million for Liability payouts related to the LA Alliance settlement (C.F. 20-0263-S1).

The reduced Reserve Fund balance also accounts for transfers recommended in this report to address City liabilities. Specifically, this report transfers a total of \$103.11 million to the UB, Reserve for Mid-Year Adjustments Account to address several departments' overspending and unfunded expenditures, which will be partially offset by the recommendation to rescind a previously approved transfer of \$21.35 million for the Gas Company Tower Lease (C.F. 23-0604).

The reduced Reserve Fund balance also accounts for a transfer from the Reserve Fund to offset the year-end revenue shortfall of approximately \$170.54 million based on the 2023-24 revised revenue estimates in the 2024-25 Adopted Budget. General Fund revenues are at risk of falling below the 2023-24 revised budget amount, which would require an increased transfer and further reduce the Reserve Fund balance.

In addition to the transfers included in this report, this Office anticipates transfers to Liability Claims for pending settlement payouts that will require payment in 2023 24. Transfers of up to \$40 million would reduce the Reserve Fund balance to \$221.26 million, which is 2.80 percent of the General Fund budget.

The 2024-25 Adopted Budget projects that the Reserve Fund balance will increase to \$656.50 million (or 8.31 percent) by June 30, 2024. Among the various assumptions that increase the Reserve Fund balance include the receipt of loan repayments (\$38.43 million), special fund reimbursements (\$3.00 million), General Fund reversions (\$426.99 million), and the reversion of prior year encumbrances (\$19.00 million). Of this year-end amount, we estimate that the City will reappropriate \$302.32 million and return \$15.00 million in Charter Section 261i advances on July

1, 2024. The 2024-25 Adopted Budget also assumes an appropriation of \$37.76 million to the Reserve Fund. This will increase the Reserve Fund balance to \$406.94 million, or 5.07 percent of the 2024-25 General Fund Revenues.

If General Fund revenues fall below the 2023-24 revised budget amount, it will have a negative impact on the July 1 Reserve Fund balance in the amount of the additional revenue shortfall as a result of an increased year-closing transfer requirement and reduced loan repayments. Since the Adopted Budget assumes that the July 1 Reserve Fund balance will only be at 5.07 percent, even a small additional revenue shortfall, all else being equal, will drop the balance below the 5 percent policy minimum.

Budget Stabilization Fund

To supplement the Reserve Fund, the City established the Budget Stabilization Fund (BSF) as part of the 2008-09 Budget to prevent overspending during prosperous years and to provide resources to help maintain service levels during lean years. The current balance in the Budget Stabilization Fund is \$201.90 million.

Issues of Concern

Key Findings/Recommendations

- *Additional internal and external factors that may have an impact on the City include costs associated with employee union negotiations.*

Employee Union Negotiations

The projections in this report reflect the incremental costs associated with the recently approved civilian labor agreements (C.F. 24-0427). Negotiations with two civilian bargaining units are ongoing and we will provide updates in future FSRs on the provisions and associated costs of agreements that result from those negotiations. Based on financial data through the end of March 2024, most departments will be able to fully absorb the 2023-24 costs associated with the recently approved civilian labor agreements.

Budgetary Adjustments

Budgetary adjustments totaling approximately \$474.60 million are recommended in Sections 1, 2, 6, and 7 of this report which include:

- \$0.09 million in new appropriations;
- \$24.03 million for transfers between accounts within various departments and funds;
- \$52.14 million for transfers between various departments and funds;
- \$137.52 million in appropriations from the Unappropriated Balance;
- \$29.72 million in reductions to special fund appropriations;
- \$1.32 million in special fund appropriation increases;
- \$0.43 million in MICLA authorizations, adjustments and transfers;
- \$50.58 million in General Fund reappropriations;
- \$4.48 million in special fund reappropriations;
- \$53.04 million in disaster assistance reimbursements;
- \$2.20 million in other 2024-25 actions;
- \$114.82 in exemptions from the prior-year encumbrance policy; and,
- \$4.22 million in other appropriation adjustments.

RECOMMENDATIONS

(Refer to Discussion Sections 1, 2, 6, and 7)

That the Council, subject to the approval of the Mayor:

1. Appropriate \$88,343.36 to various department and fund accounts as specified in Attachment 3;
2. Transfer \$24,026,716.62 between accounts within various departments and funds as specified in Attachment 4;

30. Rescind Recommendation No. 32 included in C.F. 23-0600-S116 relative to the reduction of appropriations within the Street Lighting Maintenance Assessment Fund No. 347/50, on

page 86 of the CAO report, to remove account No. 50TLWB NASA Grant Predicting What We Breathe totaling \$639,863.76 from the list of accounts for reduction. BSL and the Mayor's Office have informed that project work for air quality research and system development using machine learning and predictive data analysis using satellite and ground data is ongoing. A contract extension is underway to expend the remaining grant funds.

Transportation

31. Instruct the Department of Transportation to take all actions necessary to maximize the reimbursement of 2023-24 salary cost from the Los Angeles County Metropolitan Transportation Authority and report in the 2024-25 First FSR with the status of 2023-24 reimbursements.
32. Rescind the Controller's Instruction in Attachment 3 of the 2023-24 Mid-Year Financial Status Report (C.F. 23-0600-S116) relative to the appropriation of \$2,729,617.23 from the Department of Transportation Trust Fund to the Overtime General Account for overtime costs related to special event traffic control services.

Youth Development

33. Approve an appropriation of \$50,000 in MICLA Commercial Paper Program (Youth Development Department) to purchase one non-emergency electric sedan vehicle for the Department, consistent with the intent of the 2023-24 Budget.
34. Authorize the Controller to disencumber up to \$23,934.83 from the Fiscal Year 2022-23 encumbered balances for Contract C-143598, Social Policy Research Associates Inc., within the Youth Development Fund No. 100/19, Contractual Services Account No. 003040, revert the disencumbered amount to the Reserve Fund No. 101/62, subsequently transfer the amount to the amount to the Unappropriated Balance Fund No. 100/58, and reappropriate therefrom to the same fund and account in the current year, for the implementation of the CaliforniansForALL Youth Jobs Corps Program grant. These grant funds will need to be reappropriated in 2024-25.

MICLA

35. Transfer \$38,000 from MICLA Fund No. 298/38, Account 38Y232, Communications Labor, to the Fire Department, Fund No. 100/38, Account No 001010, Salaries General, to reimburse the General Fund for front funding a transfer to the ITA Hiring Hall Account.
36. Transfer \$285,140 from MICLA Fund No. 298/38, Account 38Y232, Communications Labor, to the Information Technology Agency Fund No. 100/32, Account No. 001100, Hiring Hall Salaries, for the installation of communication equipment in Fire Department vehicles, and authorize the Controller to reimburse the General Fund upon receipt of ITA labor services invoices from MICLA. Installation work is ongoing, and due to the need to stay on schedule, funding is needed to reimburse ITA's Hiring Hall Account prior to approval of the 2024-25 First FSR in early November.

37. Approve an equipment list deviation in the MICLA FY 23-24 budget, as follows: Revise the planned purchase of three Passenger Vans at \$65,000 each for a total of \$195,000, to the purchase of two Passenger Vans, as the actual cost of the vehicles has increased and are now priced at \$69,834.81 each.
38. Approve an equipment list deviation in the MICLA 2023-24 and MICLA 2022-23 budgets, as follows: Revise the planned purchase of one Crew 3 Transport Vehicle in each budget. The Department received funding in each MICLA budget year to purchase one Crew 3 Transport vehicle, but the cost of one vehicle is now \$670,000. The Department requests the use of funding in both MICLA budget years to purchase one Crew 3 Vehicle in the MICLA 2023-24 budget.
39. Approve the reallocation of funds as re-authorized by the City Council in the 2023-24 First Construction Projects Report (C.F. 23-0842). The Department purchased additional Emergency Sedans and Ambulances within its allocated MICLA budget, but because of revised quantities, adjustments are needed on the communications equipment and labor costs. The Office of the CAO approved the purchase of additional vehicles, but additional approval is required to reallocate funds within the accounts:

Housing

- E. Authorize the Controller to disencumber up to \$292,000 in 2023-24 encumbered balances for Contract No. C-140863, MYCA Multimedia & Training Solutions LLC (SC 43 CO23140863M) within the Housing Department Fund No. 100/43, Account No. 003040, Contractual Services, revert the disencumbered amount to Accessible Housing Fund No. 10D, and reappropriate therefrom to the Housing Department Fund No. 100/43, Account No. 003040, Contractual Services to pay for the development of an online training program for the Accessible Housing Program in 2024-25 (C-140863).
- F. Authorize the Controller to disencumber up to \$76,000 in 2023-24 encumbered balances for Contract No. C-143497, Ellana, Inc. (SC 43 CO24143497Y) within the Housing Department Fund No. 100/43, Account No. 003040, Contractual Services, revert the disencumbered amount to the funding source, and reappropriate therefrom to the Housing Department Fund No. 100/43, Account No. 003040, Contractual Services to pay for cost estimating services in 2024-25.

Los Angeles Fire and Police Pensions

- G. Reappropriate up to \$500,000 from the unencumbered balance within the Excess Benefits Fund No. 918/64, Account No. 649700, Fire and Police Excess Benefits into the same amount and into the same account that exists on June 30, 2024 for excess benefits payments for 2024-25.

Public Works – Board

- H. Authorize the Controller to disencumber up to \$230,650.46 in Fiscal Year (FY) 2022-23 encumbered balances for Contract No. C-138814, Liberty Hill Foundation (SC 74 CO23138814M) within the Board of Public Works Fund No. 100/74, Account No. 003040 Contractual Services, revert the disencumbered amount to the Reserve Fund, and reappropriate therefrom to the Board of Public Works, Fund No 100/74, Account No. 003040 Contractual Services to pay for Climate Emergency Mobilization Office community outreach and engagement.
- I. Authorize the Controller to reappropriate \$250,000 from the unencumbered balance within the Board of Public Works Fund No. 100/74, Account No. 003040 Contractual Services in the same amount and into the same account that exists on June 30, 2024.

Technical

- 41. Authorize the CAO to make technical corrections as necessary to those transactions included in this report to implement Mayor and Council intentions.

FISCAL IMPACT STATEMENT

A total of \$153.67 million in projected over-expenditures are identified in the Fourth (Year-End) Financial Status Report. Transfers, appropriations, and other budgetary adjustments totaling approximately \$474.60 million are recommended in Sections 1, 2, 6, and 7 of this report. This includes \$103.11 million in transfers from the Unappropriated Balance Reserve for Mid-Year Adjustments Account.

DEBT IMPACT STATEMENT

The issuance of Municipal Improvement Corporation of Los Angeles (MICLA) debt is a General Fund obligation. The issuance of MICLA financing for labor reimbursement (\$323,140) connected to the installation of communication equipment on Fire Department vehicle acquisitions authorized in the 2023-24 adopted budget and the acquisition of a Youth Development Department sedan (\$50,000) consistent with the intent of the 2023-24 adopted budget would cause the City to borrow a total of \$373,140 at an approximate 5.5 percent interest rate over a period of 10 years. The total estimated debt service for these capital equipment acquisitions is \$495,037, including interest of approximately \$121,897. During the life of the bonds, the estimated average annual debt service is \$49,505 over a period of 10 years.

Actual interest rates may differ as rates are dependent on market conditions at the time of issuance. We cannot fully predict what interest rates will be in the future. In accordance with the City's Debt Management Policy, the City has an established debt ceiling to guide in evaluating the affordability for future debt. The debt ceiling for non-voted direct debt as a percentage of General Fund revenues is 6.0 percent. The revised 2023-24 Adopted Budget non voter-approved debt ratio is 2.59 percent. The issuance of debt for these projects will not cause the City to exceed the six percent non voter-approved debt limit.

FINANCIAL POLICIES STATEMENT

The recommendations in this report comply with the City's Financial Policies as the recommended transactions use current revenues and balances to pay for current operations.

DISCUSSION

The following is a discussion regarding the recommendations included in the report and other budget related items. The discussion is presented in the following sections:

Section 1. Status of Departmental Budgets26
 Section 2. Status of Non-Departmental Funds and Special Accounts 103
 Section 3. Status of Employment 109

The projected General Fund surplus is approximately \$1.01 million higher than previously reported in the Mid-Year FSR primarily due to the delayed implementation of the Rapid Response Senior Meals Program and lower than expected expenditures in grant funds that were transferred to the General Fund. The projected special fund surplus is approximately \$0.10 million lower than previously reported in the Mid-Year FSR due to the transfer of special funds to the General Fund and lower than anticipated expenditures.

Rapid Response Senior Meals Program

On November 7, 2023, the Council approved the Rapid Response Senior Meal Program - Program Design and Implementation (C.F. 23-0600-S40) and authorized the Department to establish a list of four pre-qualified vendors (C.F. 22-0600-S1) for the delivery of senior meals. As part of the former report, the Council instructed the Department to report on the status of the Rapid Response Senior Meals Program in the 2023-24 FSRs, including the expenditure plan, staffing costs, contract amounts, types of meals provided, and number of meals delivered. As of March 26, 2024, the program is fully enrolled (5,800 seniors) with a waitlist of over 1,000 individuals. The Department is currently projecting year-end expenditures of \$4,983,135 and requests to reappropriate the remainder of unspent Contractual Services funding (\$5,422,065) to extend the program through November 2024. The 2024-25 Adopted Budget authorizes the reappropriation of \$2.7 million of these current-year savings to allow the program to ramp down by August 2024. The remaining program savings will revert to the Reserve Fund.

In accordance with C.F. 23-0600-S40, along with a corresponding report regarding staffing of the Rapid Response Senior Meals Program (C.F. 23-0600-S38), the Department received funding to hire 20 As-Needed Program Aides and four As-Needed Project Coordinators. By the time the Department submitted its requests to fill the positions, however, the positions were subject to the Prioritized Critical Hiring (PCH) process. In light of the City's current budget constraints, the PCH Committee subsequently denied the approval to fill these positions. As a result, the Department is reporting increased staffing costs due to having to divert existing staff to help with program implementation. The increased costs are the result of higher paid staff being used rather than the originally planned as-needed staff included in its Program Design and Implementation Plan. It should be noted that although there are increased salary costs, the current staffing expenditures are fully covered by the Department's Salaries General Account. The Department reports it has used approximately 4,100 staff hours year-to-date.

Of the \$15 million budgeted for this program in 2023-24, \$11,054,146 million has been transferred to the Department's current year operating budget and \$3,945,854 million remains in the Unappropriated Balance. The 2024-25 Budget assumes that UB funding will revert to the Reserve Fund. Should the Mayor and Council reappropriate the UB funds for the continuation of the program, it will reduce the projected July 1, 2024, Reserve Fund balance by \$3,945,854 creating a corresponding shortfall in the 2024-25 budget.

This Office recommends the following transactions at this time:

2024-25 Special Fund Reappropriations

- Reappropriate up to \$284,988 from Department's Salaries General (\$242,002) and Office and Administrative (\$42,986) accounts to continue the Modernization Older Californian Act Supportive Services grant programs to cover the grant period ending March 31, 2025.
- Reappropriate up to \$93,179 from the Department's Salaries General Account to continue the Modernization Older Californian Act Nutrition Services grant programs to cover the grant period ending March 31, 2026.
- Reappropriate \$41,344 for related cost reimbursements to the General Fund for the MOCA Nutrition Services grant programs.
- Reappropriate up to \$366,182 from the Department's Salaries General account to continue the Older Adults Recovery and Resilience Grant programs to cover the extended grant period ending December 31, 2024.
- Reappropriate up to \$82,965 from the Department's Salaries General (\$82,128) and Office and Administrative (\$837) accounts to continue the Public Health Workforce grant program to cover the grant period ending September 30, 2024.
- Reappropriate \$34,949 for related cost reimbursements to the General Fund for the Public Health Workforce grant program.

- Reappropriate up to \$20,179 from the Department’s Salaries General (\$20,013) and Office and Administrative (\$166) accounts to continue the Digital Connectivity grant program to cover the grant period ending September 30, 2024.

The projected General Fund surplus is approximately \$0.77 million higher than previously projected in the Mid-Year FSR primarily due to transactions recommended in the Mid-Year FSR. This Office recommends using the projected Salaries General surplus to address the Overtime General and Office and Administrative overspending.

This Office recommends the following transactions at this time:

- Transfer \$76,411 from the Salaries General Account to the Salaries As-Needed Account to ensure sufficient funding for hourly rate increases through year end.
- Transfer \$136,669 from the Salaries General Account to the Overtime General Account to ensure sufficient funding for overtime hours paid out for the Memorial Day and Juneteenth holidays and to pay down accrued overtime hours to 40 hours.
- Transfer \$100,000 from the Salaries General Account to the Office and Administrative Account to address unanticipated shelter equipment expenses.
- Transfer \$300,000 from the Salaries General Account to the Citywide Cat Program Account to address anticipated expenditure related to spay and neuter voucher value increases.
- Transfer \$400,000 from the Salaries General Account to the Spay and Neuter Account to address anticipated expenditure related to spay and neuter voucher value increases.

The projected General Fund surplus is approximately \$0.90 million higher than previously reported in the Mid-Year FSR due to lower than anticipated expenditures in several accounts. The projected special fund surplus is approximately \$2.75 million lower than previously reported in the Second FSR primarily due to hiring and costs associated with the recently approved civilian labor agreements.

Repair and Demolition Fund

The Repair and Demolition Fund (Fund) partially funds the Department’s Salaries General Account in the amount of \$423,677. As a result of the Mayor’s Tolling Order during the COVID-19 emergency declaration, delays in property owner reimbursements have impacted the Fund’s cashflow for the prior two years. In the 2022-23 fiscal year, the Mayor and Council approved a Reserve Fund loan of \$404,657 to address the Fund’s cash flow issues. The Fund received \$501,660 in revenue through March 2024. Since the Mid-Year FSR, there has been an increase in the number of properties requiring demolition and nuisance abatement. Based on this increase, we now project the Fund will not be able to repay the Reserve Fund loan until the end of 2024-25. Further, several properties requiring urgent funding have been identified through various Council motions. This Office recommends the transfer of \$149,499 from the Department’s Salaries General 1010 to Fund 346 to cover the abatement, demolition and repair costs of these properties.

This Office recommends the following transaction at this time:

- Transfer \$500,000 within the Building and Safety Permit Enterprise Fund, the Systems Development Project Account to a new account to be titled Code Enforcement Study for the

purpose of funding a comprehensive study on the Department’s Code Enforcement operations.

- Transfer \$165,650.69 within the Building and Safety Building Permit Enterprise Fund, Expense and Equipment Account to the General Services Department’s Mail Services Account to pay for 2023-24 postage costs.
- Transfer \$149,499 from the Building and Safety Fund 100/08, Account No. 001010, (Salaries, General) to the Repair and Demolition Fund No. 346/08, Account No. TBD (New Bay, Boulevard, and 108 Motels) to fund fencing and barricading of several properties requiring nuisance abatement.

While we reported that the Department would end the year on-budget in its General Fund accounts, we now project a surplus due to staff vacancies. The projected special fund surplus is approximately \$0.70 million higher than previously reported in the Mid-Year FSR due to a transfer from the Department of Cannabis Regulation Special Revenue Trust Fund, Reserve for Future Costs Account to address the projected contract overspending (C.F. 21-0476).

This Office recommends the following transaction at this time:

- Authorize the Controller to reduce appropriations in the total amount of \$9,600,811.83 within the Cannabis Regulation Special Revenue Trust Fund No. 60E to reflect actual appropriations to and expenditures from the Fund, as shown in the table below. The Department has conducted an extensive reconciliation of the Fund to review appropriations to the Social Equity Program and expenditures of grant funds on deposit in the Fund. The below changes will ensure the Fund accurately reflects current cash on hand.

While in the Mid-Year FSR we reported General Fund overspending of \$1.27 million, we now project this Office will end the year on-budget as that overspending was resolved by the transactions approved in the Mid-Year FSR. This Office recommends transfers from the projected Contractual Services surplus to address Salaries General and Overtime General overspending.

Disaster Assistance Trust Fund

The revised 2023-24 General Fund revenue budget assumes \$60.73 million in Federal Emergency Management Agency (FEMA) reimbursements for COVID-19 response efforts. As of May 20, 2024, the City has received \$53.04 million from FEMA. There is risk that the City will not receive the remaining \$7.69 million by June 30, 2024, due to delayed reimbursements processed by the State of California Office of Emergency Services (CalOES). The \$53.04 million in reimbursements are deposited to the Disaster Assistance Trust Fund (DATF) and must be transferred to the appropriate

fund to repay Reserve Fund loans in accordance with the revised budget. Therefore, to align with the revised budget, this Office recommends authorizing the transfer of \$38.67 million in FEMA reimbursements to the General Fund to fund existing appropriations. The remaining reimbursements of up to \$22.06 million will be transferred to the Housing Department and subsequently used to repay the prior and current year Reserve Fund loans for Homekey 2 activities (C.F. 21-0112, C.F. 21-0112-S5).

This Office recommends the following transactions at this time:

- Transfer \$38,676,000.00 from the Disaster Assistance Trust Fund No. 872/10, Account No. 10Y813, Federal Disaster Assistance, to General Fund No. 100/62, Revenue Source Code No. 5425, Disaster Cost Reimbursement from Federal Government.
- Transfer \$14,364,911.28 from the Disaster Assistance Trust Fund No. 872/10 Account No. 10Y813, Federal Disaster Assistance, to the Housing Department No. 10A/43 Account No. 5425, Disaster Cost Reimbursement from Federal Government, to repay the Reserve Fund loan for activities related to the Homekey 2 Program (C.F. 21-0112).
- As additional reimbursements are received from FEMA (up to \$7,692,321.78 in accordance with the revised 2023-24 revenue budget), transfer funds from the Disaster Assistance Trust Fund No. 872/10 Account No. 10Y813, Federal Disaster Assistance, to the Housing Department No. 10A/43 Account No. 5425, Disaster Cost Reimbursement from Federal Government, to repay the Reserve Fund loan for activities related to the Homekey 2 Program (C.F. 21-0112, C.F. 21-0112-S5).
- Transfer \$500,000 from the Contractual Services Account to the Salaries General (\$200,000) and Salaries Overtime (\$300,000) to fund anticipated obligations for employees.
- Transfer \$63,870 from the Mayor's Office's Salaries General Account to the CAO's Salaries General Account to reimburse the cost of an employee on loan to the Mayor's Office.

2023-24 General Fund Reappropriations

- Reappropriate up to \$3,015,634 within the Contractual Services Account for unarmed crisis response activities in Council District 3 (\$1,250,000), a consultant study for the Van Nuys Parking lots (\$1,000,000), climate impact analysis (\$300,000), federal grant support (\$206,669), equity index consulting services (\$165,000), and economic and revenue analysis studies (\$93,965).
- Reappropriate up to \$300,000 from the unencumbered balance within the Department's Overtime General Account to fund anticipated overtime obligations in 2024-25.

The projected General Fund overspending is approximately \$4.81 million lower than previously reported in the Mid-Year FSR, primarily due to the transactions recommended in the Mid-Year FSR and partially offset by increased litigation and outside counsel expenses. The projected special

fund surplus is approximately \$0.14 million higher than previously reported in the Mid-Year FSR due to hiring delays. This Office recommends using the projected General Fund Salaries General surplus of to address the projected Overtime General overspending. Additionally, we recommend transfers from the Unappropriated Balance, Reserve for Mid-Year Adjustments Account to address projected Litigation Expense and Outside Counsel overspending through year end.

Outside Counsel

The Outside Counsel Account overspending continues to be driven by the Housing and Urban Development False Claims Act case (“Mei Ling”) and the over 50 police protest cases handled by outside counsel. In the current fiscal year, the Mayor and Council have approved new appropriations to the Outside Counsel Account totaling \$8.96 million. In the Mid-Year FSR, a transfer of \$3.84 million was provided to support projected expenditures through March with a total over expenditure projection of \$5.26 million. Based on year-to-date payments and invoices, and cost estimates from outside counsel firms, we project that the remaining \$2.08 million expenditure is required to address outside counsel costs through year end. Therefore, this Office recommends a transfer from the Unappropriated Balance, Reserve for Mid-Year Adjustments Account to the Outside Counsel Account.

This Office recommends the following transactions at this time:

- Transfer \$40,000 from the Salaries General Account to the Overtime General Account to address projected overspending.
- Transfer \$89,344 from the City Attorney Resiliency in Communities After Stress and Trauma Program to the Police Department’s Overtime Sworn Account to support the LA Data Program.
- Transfer \$2,803,261 from the Unappropriated Balance, Reserve for Mid-Year Adjustments Account to the Litigation Expense Account, to address projected overspending through year end.
- Transfer \$2,083,000 from the Unappropriated Balance, Reserve for Mid-Year Adjustments Account to the Outside Counsel Account, to address projected expenses through year end.

L.A. REPAIR Program

The LA REPAIR Innovation Fund currently has a balance of \$9.55 million and this Office projects a year-end surplus of \$9.20 million. The projected surplus is approximately \$3.20 million higher than previously reported in the Mid-Year FSR due to delays in executing agreements between the Department and grantees. Furthermore, the Department faces a shortage of accounting support as the City Clerk has continued to experience challenges filling one Accountant position authorized to support these programs. The City Clerk will continue to use salary savings from the vacant Accountant position to fund overtime expenses for staff within the City Clerk Accounting Unit and the Office of the City Administrative Officer to provide support in the interim. The Department anticipates that contracts will not be executed until 2024-25.

This Office recommends the following transactions at this time:

- Transfer \$182,836 in from the Salaries General Account to the Office and Administrative Account to fund one-time expenses associated with the new office leasing space in the Kajima building in Little Tokyo. These funds will need to be reappropriated in 2024-25 as the lease will not be finalized until 2024-25.

2024-25 General Fund Reappropriations

- Reappropriate up to \$599,200 from the unencumbered balance within the Contractual Services Account into the same account in 2024-25 to fund Black People Experiencing Homelessness Equity Study, Reparations Outreach, Midnight Stroll, and On-Call Community Outreach contracts that may not be executed by year-end.
- Reappropriate up to \$182,836 from the unencumbered balance within the Department’s Salaries General Account into the 2024-25 Office and Administrative Account to fund one-time expenses associated with the new office leasing space in the Kajima building as the lease will not be finalized until 2024-25.

The projected General Fund surplus is approximately \$1.055 million higher than previously reported in the Mid-Year FSR due to contracting delays and an increase in grant eligible work. While in the Mid-Year FSR we reported special fund overspending of \$0.958 million, we now project a special fund surplus of \$1.086 million primarily due to a contracting delay for Children’s Savings Account Program outreach services. This Office recommends increasing appropriations from the Community Development Trust Fund and Community Services Block Grant Trust Fund to address projected overspending in the Salaries General Account.

This Office recommends the following transactions at this time:

- Increase appropriations totaling \$157,900.39 within various accounts in the Community Services Block Grant Trust Fund to realign the budgetary appropriations with available grant funds and current expenditure patterns.
- Increase appropriations totaling \$1,215,922 within various accounts in the Community

Development Trust Fund to realign budgetary appropriations with available grant funds and current expenditure patterns.

- Transfer \$52,069.53 from the Californians for All Youth Workforce Development Grant Fund to the Department's Salaries, General Account (\$31,151.38) and Related Costs Account (\$20,918.15) to fully fund the Project Assistant position for the Teen Parent Prosper Project through the end of the grant period.

2024-25 General Fund Reappropriations

- Reappropriate up to \$229,247.70 from the unencumbered balance within the Department's Contractual Services Account for translation and interpretation services contract that may not be executed by year end.
- Reappropriate up to \$100,000 from the unencumbered balance within the Department's Contractual Services Account to complete the expanded scope of work for evaluation services through September 30, 2024.
- Reappropriate up to \$750,000 from the unencumbered balance within the Department's Contractual Services for the FamilySource System (FSS) to continue support for the FSS in 2024-25.
- Reappropriate up to \$520,280 from the unencumbered balance within the Department's Contractual Services Account to continue operation of the Crisis to Shelter Program in 2024-25.

2024-25 Special Fund Reappropriations

- Reappropriate up to \$1,079,500 from the unencumbered balance in the following accounts: Overtime, General (\$60,000), Printing and Binding (\$152,500), Contractual Services (\$800,000), and Office and Administrative (\$67,000) within the CIFD Miscellaneous Grants and Awards Fund No. 65G/21 for an outreach services contract for the Children's Savings Account Program and the California Kids Investment and Development Savings Program that may not be executed by year end.
- Reappropriate up to \$35,592.84 from the balance from the Californians for All Youth Workforce Development Grant Fund to the Department's Salaries, General (\$21,293.95) and Related Costs Account (\$14,298.89) to support the Project Assistant salary for the Teen Parent Prosper Project through September 30, 2024.
- Reappropriate up to \$607,925 from the unencumbered balance within the Department's Contractual Services Account to continue temporary housing costs and the Neighborhood Recovery Center associated with the fireworks explosion on East 27th Street.

\$ 5.66	\$ 5.66	\$ -	This Office projects the Department will meet is revised General Fund revenue budget by year end.

The projected General Fund surplus is approximately \$2.03 million lower than previously reported in the Mid-Year FSR primarily due to new projected Contractual Services and Overtime General overspending. We recommend transferring funds from the Salaries General Account to the Contractual Services and Overtime General accounts to address projected overspending.

This Office recommends the following transactions at this time:

- Transfer the available cash balance within the E-Payables Rebate Fund No. 60Y/39 to the General Fund No.100/26, Revenue Source Code 5188 - Miscellaneous Revenue - Other to properly record the receipt of E-Payables rebate revenues.
- Transfer \$200,000 from the Salaries General Account to the Contractual Services Account

to pay for expenses associated with the HRP project.

- Transfer \$400,000 from the Salaries General Account to the Overtime General Account to pay for fiscal year-end closing related functions, and pay-down accumulated overtime balances for staff prior to the end of the fiscal year.

2024-25 General Fund Reappropriations

- Re-appropriate up to \$105,140 from the unencumbered balance remaining in Controller Fund 100/26, Account 003040, Contractual Services, in the same amount and into the same account, as exists on June 30, 2024, for HRP post-implementation training.

Attachment 4 – Transfers between Accounts within Departments and Funds

Attachment 5 – Transfers between Departments and Funds

The Council requests the following transactions at this time:

- Transfer \$3,600,000 from the Council's Salaries, General Account to its Salaries, As-Needed (\$2,000,000), Printing and Binding (\$600,000), Contractual Services (\$400,000), and Office and Administrative (\$600,000) accounts to align with current expenditure patterns.
- Transfer \$510,000 from the General City Purposes Council Community Projects Account (\$300,000 from Jenesse Center and \$210,000 from Leimert Park line items) to the Council District Community Services Account to support community service for Council District 10.
- Transfer \$160,000 from the State AB 1290 City Fund, Council District 4 Redevelopment Fund (\$125,000) and the General City Purposes Fund, Community Services District 4 Account (\$35,000) to the Council's Salaries, As-Needed Account to align with current expenditure patterns for Council District 4.
- Transfer \$501,700 from the General City Purposes Fund, Council District 5 Neighborhood Service Enhancements (\$151,700) and the Council Community Projects Account (\$350,000) to the Council's Salaries, As-Needed Account to support current staffing costs for Council District 5.
- Transfer \$300,000 from the State AB 1290 City Fund, Council District 10 Redevelopment Fund to the Council's Salaries, As-Needed Account to support Council District 10 staffing costs.
- Transfer \$100,000 from the State AB 1290 City Fund, Council District 13 Redevelopment Fund to the Council's Salaries, As-Needed Account to support current staffing costs in Council District 13.

- Transfer \$85,794 from the Council’s Office and Administrative Account to the Information Technology Agency (ITA) Communication Services Account for the installation of a security system at the Council District 8 Constituent Service Center and reappropriate any remaining unencumbered/unspent balance of the \$85,794 on June 30, 2024 within the ITA Communication Services Account.
- Transfer \$9,518.19 from the Capital Improvement Expense Program, City Facilities, Maintenance and Improvements Account to the Council’s Office and Administrative Account for Council District 11 office transition costs.
- Transfer \$600,000 from the State AB 1290 City Fund, Council District 14 Redevelopment Fund to the Council’s Salaries, As-Needed (\$350,000) and Office and Administrative (\$250,000) accounts to align with current expenditure patterns.
- Transfer \$150,000 from the State AB 1290 City Fund, Council District 14 Redevelopment Fund to the Bureau of Street Services Overtime General (\$130,000) and Contractual Services (\$20,000) accounts for tree trimming services.

General Fund Revenue (Figures in Millions)			
Revised Revenue Budget	Year-End FSR	Variance from Budget	Projection Basis
\$ 6.085	\$ 6.085	\$ -	This Office projects the Department will meet its revised General Fund revenue budget by year end.

The projected special fund surplus is approximately \$0.296 million lower than previously reported in the Mid-Year FSR primarily due to the costs associated with the recently approved civilian labor agreements. This Office recommends transferring funds from the projected Salaries General surplus to address the Printing and Binding and Contractual Services overspending. We anticipate that Motion (Hernandez-Blumenfield), which is currently pending Council consideration, will address the Salaries As-Needed overspending through a transfer from the Salaries General Account as funding is needed to meet payroll prior to the consideration of the Year-End FSR.

This Office recommends the following transactions at this time:

- Correct various names and amounts in the Special Appropriations Schedule included in the 2023-24 Adopted Budget as follows:
 - Within Special Appropriations I Account – Cultural Grants for Families and Youth: reduce the grant awards for Academy of Special Dreams and Community Partners for the benefit of The Young Shakespearians to \$0; increase the grant award for Arts For LA from \$91,000 to \$102,840; decrease the grant award for Center for Cultural Innovation from \$23,260 to \$19,000; decrease the grant award for Sharewell from \$16,840 to \$5,000; and, change the name of Gabriella Foundation to Everybody Dance LA! dba Gabriella Foundation.
 - Within Special Appropriations II Account – Public Partnerships and Individual Artist Projects: increase the grant award for Southern California Center for Non-Profit Management from \$61,200 to \$63,150; decrease the grant awards for Community Partners for the benefit of Justice for My Sister and Teada Productions from \$20,000 to \$10,000; and, change the names of Bari Ziperstein to Bari Ziperstein Studio and Debra Scacco to Debra Scacco Studio.
 - Within Special Appropriations III Account – Citywide/Regional Arts Support and Community Cultural Programs: increase the grant award for Arts Activation/Public-Space Activation Fund from \$200,000 to \$230,000.
- Transfer \$125,000 from the Salaries General Account to the Printing and Binding (\$70,000) and Contractual Services (\$55,000) accounts to cover costs of unbudgeted expenditures.

The projected General Fund surplus is approximately \$0.10 million lower than previously reported in the Mid-Year FSR primarily due to increased actual and projected expenditures in the Contractual Services Account. The projected special fund surplus is approximately \$0.78 million higher than previously reported in the Mid-Year FSR primarily due to the recommendations of the Mid-Year FSR which resolved Leasing Account overspending. This Office recommends transfers from the projected special funded Salaries General surplus to address Overtime General overspending.

Californians for All Grant

The Californians for All Grant is a \$53.3 million grant awarded by the State of California for youth workforce development programs with a grant performance period of January 2022 through September 2024. Due to significant staffing issues within the Department’s Financial Management Division, as well as 100 percent supporting documentation requirements for state reporting, the Department has struggled to cash-flow this reimbursement-based grant. In June 2023 and November 2023, respectively, the Mayor and Council authorized total Reserve Fund loans of \$14.5 million to support grant operations, to be repaid upon completion of the grant performance period and full reimbursement of expenditures by the state. As of May 15, 2024, the state has issued reimbursements of approximately \$9 million. An additional \$11.6 million in reimbursements requested by the Department are pending review by the state.

Gang Injunction Curfew Settlement Program

In April 2017, the federal court approved the Gang Injunction Curfew Settlement Agreement (C.F. 16-0081), which obligated the City, through the EWDD, to provide a variety of work readiness and employment services over four years to help prepare members of the impacted plaintiff class or their qualifying designees to enter the workforce. The number of potentially qualifying participants is approximately 6,000. The City was required to expend a minimum of \$1.125 million to a maximum of \$7.5 million each year for four years to provide jobs, education, and tattoo removal services. EWDD reimburses contractual expenses under this program following the receipt and processing of invoices and expends from the balance of funds on a rolling basis. Uncommitted funds that were available at the close of June 2023 are eligible to support funding needs for the fourth program extension period through June 2024. The judge in the case issued a tentative ruling requiring an audit and review of the program prior to issuing a final ruling in the matter. As such, the Department anticipates additional expenditures may continue into the 2024-25 program year. The Department reports actual expenditures of approximately \$1.2 million from July 2023 through March 2024, and an additional \$747,000 in invoices currently under review. The 2023-24 Adopted Budget also set

aside \$5,023,480 in the Unappropriated Balance with an instruction to the Department to report through the Financial Status Report or other means if funding is needed to support expenditures in the current and final year. In light of the necessary extension of certain program expenses due to the ongoing court audit, this Office recommends reappropriating \$2.5 million in the Unappropriated Balance to 2024-25.

This Office recommends the following transactions at this time:

- Transfer \$124,908 in special fund appropriations from the Department’s Salaries General Account to the Department’s Overtime General Account to address over-expenditures in the latter.

2023-24 General Fund Reappropriations

- Reappropriate \$2.5 million from the Gang Injunction Curfew Settlement Program line item in the 2023-24 Unappropriated Balance for the same purpose in the 2024-25 Unappropriated Balance.
- Reappropriate up to \$2,505,000 in General Fund from the Department’s Contractual Services (up to \$2.5 million) and Office and Administrative accounts (up to \$5,000) for the Jobs and Economic Development Incentive Zones and Legacy Business programs. The Department is currently in the procurement process for these programs funded with one-time funding in 2022-23.

Public Provider Ground Emergency Medical Transport Intergovernmental Transfer Program

Effective January 1, 2023, the Department of Health Care Services (DHCS) implemented the Public Provider Ground Emergency Medical Transport (PP-GEMT) Intergovernmental Transfer (IGT) Program, which provides increased reimbursements generated by an increased fee to emergency medical transports provided by eligible non-contracted public GEMT providers. This Program requires the City to make payments to the DHCS to participate. The total cost to participate during the 2023 calendar year is \$28.9 million. The funding for the \$28.9 million was provided by a Reserve Fund loan in the amount of \$9.56 million approved in 2022-23 (C.F. 23-0591), which has been repaid; a \$6.7 million from the Ground Emergency Medical Transport QAF Program Account within the Unappropriated Balance in the 2023-24 Adopted Budget, and a transfer from the Department's Salaries Sworn Account (\$12.68 million) approved by the Mayor and Council on September 11, 2023 (C.F. 23-0591-S1). The Department estimates the amount for the 2024 calendar year to be \$27.71 million, although it can only confirm actual amounts once quarterly invoices are received. Of this amount, \$13.31 million was paid as of April 2024. The remainder of the payments required for calendar year 2024 will be needed by July 15th and October 15th in 2024-25.

This Office recommends the following transactions at this time:

- Transfer \$952,097 from the Unused Sick Time Account to the Firefighter Bonuses (\$224,592), Overtime General (\$252,064), and Overtime Constant Staffing (\$475,441) accounts to address over-expenditures and meet payroll obligations for the remainder of the fiscal year.
- Transfer \$500,000 from the Overtime Sworn Account to the Overtime Constant Staffing Account to address year-end over-expenditures.

- Transfer \$75,000 from the Overtime Sworn Account to the Salaries General Account to address year-end over-expenditures.
- Transfer \$53,098,276 from the Unappropriated Balance, Reserve for Mid-Year Adjustments Account to address year-end shortfalls in the Salaries General (\$594,909), Salaries Sworn (\$30,247,207) and Overtime Constant Staffing (\$22,256,160) accounts.

2024-25 Transfers and Appropriations

- Authorize the Fire Department to make quarterly payments for the PP-GEMT-IGT Program in accordance with deadlines established by the State, upon receipt of invoices, and report back on the status of the program in subsequent FSRs.

2024-25 General Fund Reappropriations

- Reappropriate up to \$236,098 in the Fire Department Fund No. 100/38, Account 003040, Contractual Services, for continuing development and replacement of the Network Staffing System a scheduling and time allocation system for sworn personnel.
- Reappropriate up to \$128,198 in the Fire Department Fund No. 100/38, Account 006010, Office and Administrative for the False Fire Alarm Program implementation (CF 12-0122-S1).
- Reappropriate up to \$1,700,000 in the Fire Department Fund No. 100/38, Account 006020, Operating Supplies Account (CF 22-1473) for the purchase of replacement cardiac monitors.
- Reappropriate up to \$150,000 in the Fire Department Fund No. 100/38, Account 003040, Contractual Services, for Apple One temporary staffing services contract.
- Reappropriate up to \$97,903 in the Fire Department Fund No. 100/38, Account 003040, Contractual Services, for the Complaint Tracking System (CTS).
- Reappropriate up to \$375,000 in the Fire Department Fund No. 100/38, Account 006010, Office and Administrative, for Data Management Software system.
- Reappropriate up to \$1,200,000 in the Fire Department Fund No. 100/38, Account 6020, Operating Supplies, comprised of \$500,000 for the NFPA 1851 Uniform Cleansing, \$500,000 for body armor, and \$200,000 for mattresses to be purchased in 2024-25.

2024-25 Special Fund Reappropriations

- Reappropriate up to \$1,075,782 from the Development Services Trust Fund Cash Balance, No. 58V/08, Account 08Y138, to Fire Department Fund No. 100/38, Account 003040 Contractual Services (\$70,952) and 006010 Office and Administrative (\$1,004,830) for the Fire Inspection Management System (FIMS).

- Reappropriate up to \$28,480 from Fund No. 392/34, Account 34Y138, to Fire Department Fund 100/38, Account 006020 Operating Supplies for the continuation of the Solar Emergency WiFi Project.

MICLA

- Transfer \$38,000 from MICLA Fund No. 298/38, Account 38Y232, Communications Labor, to the Fire Department, Fund No. 100/38, Account No 001010, Salaries General, to reimburse the General Fund for front funding a transfer to the ITA Hiring Hall Account.
- Transfer \$285,140 from MICLA Fund No. 298/38, Account 38Y232, Communications Labor, to the Information Technology Agency Fund No. 100/32, Account No. 001100, Hiring Hall Salaries, for the installation of communication equipment in Fire Department vehicles, and authorize the Controller to reimburse the General Fund upon receipt of ITA labor services invoices from MICLA. Installation work is ongoing, and due to the need to stay on schedule, funding is needed to reimburse ITA’s Hiring Hall Account prior to approval of the 2024-25 First FSR in early November.
- Approve an equipment list deviation in the MICLA 2023-24 budget, as follows: Revise the planned purchase of three Passenger Vans at \$65,000 each for a total of \$195,000, to the purchase of two Passenger Vans, as the actual cost of the vehicles has increased and are now priced at \$69,834.81 each.
- Approve an equipment list deviation in the MICLA 2023-24 and MICLA 2022-23 budgets, as follows: Revise the planned purchase of one Crew 3 Transport Vehicle in each budget. The Department received funding in each MICLA budget year to purchase one Crew 3 Transport vehicle, but the cost of one vehicle is now \$670,000. The Department requests the use of funding in both MICLA budget years to purchase one Crew 3 Vehicle in the MICLA 2023-24 budget.
- Approve the reallocation of funds as re-authorized by the City Council in the 2023-24 First Construction Projects Report (C.F. 23-0842). The Department purchased additional Emergency Sedans and Ambulances within its allocated MICLA budget, but because of revised quantities, adjustments are needed on the communications equipment and labor costs. The Office of the CAO approved the purchase of additional vehicles, but additional approval is required to reallocate funds within the accounts:

Special Funds			
Account Name	Year-End FSR	Proposed FSR Changes	Projection Basis
Surpluses (Shown as Positive, in millions)			
Salaries General	\$ 1.18	\$ -	Projected surplus due to staff vacancies and hiring delays. Departmental vacancy rate is 18.6 percent through April 2024.
Petroleum Products	0.67	(0.25)	Projected surplus is due to lower than anticipated expenditures for special funded commodity purchases.
Overspending (Shown as Negative, in millions)			
Field Equipment Expense	(1.40)	1.40	Projected overspending is due to higher SWRRF-funded maintenance costs associated with the City's aging fleet.
Special Funds Total	\$ 0.45	\$ 1.15	

General Fund Revenue (Figures in Millions)			
Revised Revenue Budget	Year-End FSR	Variance from Budget	Projection Basis
\$ 43.27	\$ 43.89	\$ 0.62	Projected revenue surplus is primarily due to unbudgeted prior-year related cost reimbursements.

The projected General Fund overspending is approximately \$10.89 million lower than previously reported in the Mid-Year FSR primarily due to the recommendations of the Mid-Year FSR and lower than anticipated petroleum and field equipment expenditures. This overspending includes an additional \$1.15 million in field equipment costs for special funded vehicles that have become a General Fund liability due to the inability of the Solid Waste Resources Revenue Fund to support these operational costs. The projected special fund overspending is approximately \$3.1 million lower than previously reported in the Mid-Year FSR primarily due to savings for alternative fuels funded by the special funded Petroleum Account and hiring delays. The projected General Fund Petroleum Account overspending has decreased by approximately \$6.6 million due to the recommendations of the Mid-Year FSR, lower than anticipated fuel prices and updated price projections from the United States Energy Information Administration. This Office recommends using \$0.72 million in unused prior-year encumbrances, \$0.93 million in new appropriations from the Unappropriated Balance, Reserve for Mid-Year Adjustments Account, a portion of the projected General Fund Salaries General surplus, and a portion of the projected special fund Petroleum Products surplus to offset the projected overspending.

This Office recommends the following transactions at this time:

- Authorize the Controller to rescind Recommendation 2 included in C.F. 23-0604 which transferred \$21.35 million from the Reserve Fund to the Unappropriated Balance Fund 100/58 and appropriated therefrom to the Citywide Leasing Account, Fund 100/63, Account No. 000024 as the lease at 555 W. 5th Street will not be executed.
- Authorize the Controller to disencumber up to \$6,985 in 2017-18 encumbrances within GSD's Field Equipment Expense Account and reappropriate up to \$6,985 to GSD's 2023-24 Field Equipment Expense Account to address overspending due to maintenance costs associated with the aging fleet through the end of the fiscal year.
- Authorize the Controller to disencumber up to \$15,973 in 2018-19 encumbrances within GSD's Field Equipment Expense Account and reappropriate up to \$15,973 to GSD's 2023-24 Field Equipment Expense Account to address overspending due to maintenance costs associated with the aging fleet through the end of the fiscal year.
- Authorize the Controller to disencumber up to \$44,516 in 2019-20 encumbrances within ITA's Communication Services Account and reappropriate up to \$44,516 to ITA's 2023-24 Communication Services Account to fund invoices for communication services through the end of the fiscal year.
- Authorize the Controller to disencumber up to \$270,747 in 2019-20 encumbrances within GSD's Field Equipment Expense Account and reappropriate up to \$270,747 to GSD's 2023-24 Field Equipment Expense Account to address overspending due to maintenance costs associated with the aging fleet through the end of the fiscal year.
- Authorize the Controller to disencumber up to \$362,044 in 2020-21 encumbrances within GSD's Field Equipment Expense Account and reappropriate up to \$362,044 to GSD's 2023-24 Field Equipment Expense Account to address overspending due to maintenance costs associated with the aging fleet through the end of the fiscal year.
- Authorize the Controller to disencumber up to \$34,119 in 2021-22 encumbrances within GSD's Field Equipment Expense Account and reappropriate up to \$34,119 to GSD's 2023-24 Field Equipment Expense Account to address overspending due to maintenance costs associated with the aging fleet through the end of the fiscal year.
- Authorize the Controller to disencumber up to \$32,333 in 2022-23 encumbrances within GSD's Field Equipment Expense Account and reappropriate up to \$32,333 to GSD's 2023-24 Field Equipment Expense Account to address overspending due to maintenance costs associated with the aging fleet through the end of the fiscal year.

- Transfer \$400,000 from the Salaries General Account to the Overtime General Account to address overspending due to the use of overtime to address high vacancy rates through the end of the fiscal year.
- Transfer \$620,000 from the Salaries General Account to the Hiring Hall Salaries Account to address overspending due to the use of hiring hall employees to address high vacancy rates through the end of the fiscal year.
- Transfer \$450,000 from the Salaries General Account to the Fringe Benefits, Hiring Hall Account to address overspending due to the use of hiring hall employees to address high vacancy rates through the end of the fiscal year.
- Transfer \$592,000 from the Salaries General Account to the Contractual Services Account to address overspending due to overspending related to the operations and maintenance of the Public Works Building, fuel site maintenance, parking transaction fees, and contracted custodial services through the end of the fiscal year.
- Transfer \$427,607 million from the Salaries General Account to the Field Equipment Expense Account to address overspending due to maintenance costs associated with the aging fleet through the end of the fiscal year.
- Transfer \$73,200 from the Travel Account to the Field Equipment Expense Account to address overspending due to maintenance costs associated with the aging fleet through the end of the fiscal year.
- Transfer \$88,000 within the Salaries General Account for cost of living increases for the Publishing Services Division.
- Transfer \$250,000 from the Petroleum Products Account (SWRRF) to the Field Equipment Expense Account (SWRRF) to address overspending due to maintenance costs associated with the aging fleet through the end of the fiscal year.
- Transfer \$500,000 from the Salaries General Account to the Petroleum Products Account to address overspending to address overspending due to high commodity prices through the end of the fiscal year.
- Transfer \$222,201 from the Salaries General Account to the Field Equipment Expense Account (SWRRF) to address overspending due to rising commodity prices through the end of the fiscal year.
- Appropriate \$927,799 million from the Unappropriated Balance, Reserve for Mid-Year Adjustments Account to the Field Equipment Expense Account (SWRRF) to address overspending due to rising commodity prices through the end of the fiscal year.

2024-25 General Fund Reappropriation

- Authorize the Controller to disencumber up to \$711,045 in 2022-23 encumbrances within GSD’s Transportation Equipment Account and reappropriate up to \$711,045 to GSD’s 2024-25 Transportation Equipment Account to address overspending due to maintenance costs associated with the aging fleet through the end of the fiscal year.

General Fund Revenue (Figures in Millions)			
Revised Revenue Budget	Year-End FSR	Variance from Budget	Projection Basis
\$ 50.13	\$ 50.13	\$ -	This Office projects the Department will meet its revised General Fund revenue budget by year end.

The projected General Fund surplus is approximately \$0.46 million higher than previously reported in the Mid-Year FSR due to contracting delays. The projected special fund surplus is approximately \$4.61 million higher than previously reported in the Second FSR primarily due to hiring delays, reduced special funded lease expenditures and the recommendations of the Mid-Year FSR. This Office recommends using the projected Salaries General, Printing and Binding, and Contractual Services surpluses to address projected overspending in the Office and Administrative Account. Additionally, we recommend using a portion of the Salaries General surplus to address Leasing overspending within six special funds.

This Office recommends the following transactions at this time:

- Reduce appropriations in prior year accounts totaling \$8,505,271 in the Accessible Housing Fund No. 10D/43 to align appropriations with the available cash balance.
- Transfer \$38,182 from prior-year accounts within the Housing Opportunities for People with AIDS Fund to the Department’s Salaries General Account to pay for salary expenditures related to HOPWA CARES.

- Transfer \$500,000 from the Department's Contractual Services Account to the Contract Programming - Systems Upgrades Account within the Rent Stabilization Trust Fund No. 440 for Tenant Anti-Harassment Ordinance rent registry upgrades.
- Transfer \$115,171 from the Department's Salaries, General (\$82,036) and the Reimbursement of General Fund Costs (\$33,135) accounts within the Housing Production Revolving Fund No. 240 to the Department's Office and Administrative Account for Labor Compliance software renewal costs.
- Transfer \$200,188 from the Department's Salaries, General Account (\$146,482), and the Reimbursement of General Fund Costs (\$53,706) within the General Fund and various special funds to the Department's Office and Administrative Account to pay for department-wide year-end software and license renewal costs.
- Transfer \$12,000 from the Department's Contractual Services Account to the United to House LA Fund No. 66M, Translation Services Account for translation services as part of the United to House LA Program.
- Transfer \$124,516 from the Department's Salaries, General Account to the Department's Leasing Account to address projected overspending.
- Transfer \$207,955 from the Department's Salaries General Account (\$148,127) and the Reimbursement of General Fund Costs (\$59,828) within the Community Development Trust Fund No. 424 to the Department's Contractual Services Account to pay for contractual services costs related to the Handyworker Program for Single Family Home rehabilitation.
- Transfer \$323,667 from the Department's Salaries, General (\$87,105), Printing and Binding (\$200,000), and Reimbursement of General Fund Costs (\$36,562) accounts within various special funds to the General Services Department Fund No. 100/40 Mail Services Account No. 009130 for the reimbursement of postage expenses.
- Transfer \$95,360 from prior-year appropriations in the Department's Affordable Housing & Sustainable Communities Grant to the Department's Reimbursement from Grants revenue account to reimburse the General Fund for eligible salary expense and related costs related to the Affordable Housing & Sustainable Communities Grant.
- Transfer \$300,000 from Development Services Trust Fund (58V), BuildLA IT Project Account to the Housing Department's Contractual Services Account for expenses related to the BuildLA project. Pursuant to Section 5.321(l) of the Los Angeles Administrative Code, the Council previously approved the allocation of \$300,000 to the Los Angeles Housing Department from the Development Services Trust Fund for the continuation of consultant services for the BuildLA Project (C.F. 21-0643).

2024-25 General Fund Reappropriations

- Authorize the Controller to disencumber up to \$76,000 in 2023-24 encumbered balances for Contract No. C-143497, Ellana, Inc. (SC 43 CO24143497Y) within the Housing Department Fund No. 100/43, Account No. 003040, Contractual Services, revert the disencumbered amount to the funding source, and reappropriate therefrom to the Housing Department Fund No. 100/43, Account No. 003040, Contractual Services to pay for cost estimating services in 2024-25.
- Authorize the Controller to disencumber up to \$292,000 in 2023-24 encumbered balances for Contract No. C-140863, MYCA Multimedia & Training Solutions LLC (SC 43 CO23140863M) within the Housing Department Fund No. 100/43, Account No. 003040, Contractual Services, revert the disencumbered amount to Accessible Housing Fund No. 10D, and reappropriate therefrom to the Housing Department Fund No. 100/43, Account No. 003040, Contractual Services to pay for the development of an online training program for the Accessible Housing Program in 2024-25 (C-140863).

General Fund Revenue (Figures in Millions)			
Revised Revenue Budget	Year-End FSR	Variance from Budget	Projection Basis
\$ 6.83	\$ 6.83	\$ -	This Office projects the Department will meet it's revised General Fund revenue budget by year end.

The projected General Fund surplus is approximately \$9.02 million higher than previously reported in the Mid-Year FSR primarily due to hiring delays and delays in the completion of communication services requests. While we projected that the Department would complete the year on-budget for its special fund accounts, we now project a special fund surplus due to hiring delays.

This Office recommends the following transaction at this time:

- Appropriate \$31,658.46 from the Department's Reimbursement from Other Funds (\$16,478.59) and Service to LACERS (\$15,179.87) revenue accounts to the Communication Services Account to fund various Communication Services Requests.
- Transfer \$450,230 from the Operating Supplies Account to the General Services Department for security upgrades to the Elysian Park Radio Site.
- Transfer \$1,200,000 from the Communications Services Account to the Hiring Hall Salaries Account for cabling work to be performed by Hiring Hall staff in-lieu of contracted staffing.
- Transfer \$1,000,000 from the Unappropriated Balance for the MyLA311 Replacement Project to the Department's Contractual Services Account.
- Transfer \$1,000,000 from the Unappropriated Balance for the Human Resources and Payroll Project to the Department's Contractual Services Account.

2024-25 General Fund Reappropriations

- Reappropriate up to \$3.86 million in the Overtime General (\$170,000), Hiring Hall Salaries (\$225,000), Overtime Hiring Hall (\$60,000), and Communication Services (\$3.4 million) accounts to complete various communication service requests from City departments.
- Reappropriate up to \$1,200,000 in the Hiring Hall Salaries Account for network cabling work.
- Reappropriate up to \$201,283 in the Communication Services Account including for the Fire Station Alerting System Project.
- Reappropriate up to \$3.6 million in the Communication Services Account Green Mountain Radio Site Project which is currently in the Request for Proposals process.

The projected special fund surplus is approximately \$0.195 million higher than previously reported in the Mid-Year FSR primarily due to hiring delays and delays in the procurement process. The Department does not have any budgeted General Fund revenue.

This Office recommends the following transactions at this time:

2024-25 Special Fund Reappropriations:

- Reappropriate up to \$43,200 from the unencumbered balance within the Printing and Binding Account into the same account in 2024-25 for preparation and distribution of outreach print materials for the 2025 Neighborhood Council (NC) election cycle.
- Reappropriate up to \$104,000 from the unencumbered balance within the Contractual Services Account into the same account in 2024-25 for several contracts that may not be executed by year end as the procurement process is ongoing.
- Reappropriate up to \$17,000 from the unencumbered balance within the Department’s Office and Administrative Account into the same account in 2024-25 for promotional materials for the 2025 NC election cycle.

The projected General Fund surplus is approximately \$1.53 million lower than previously reported in the Mid-Year FSR primarily due to the costs associated with the recently approved civilian labor agreements. The projected special fund surplus is approximately \$0.5 million higher than previously reported in the Mid-Year FSR primarily due to the impact of the Prioritized Critical Hiring process. This Office recommends using the projected Salaries General surplus to address the projected Contractual Services overspending.

This Office recommends the following transactions at this time:

- Transfer \$450,000 from the Salaries General Account to the Contractual Services Account to address increased sexual assault forensic evidentiary examination rates (C.F. 18-0728-S1).
- Reappropriate \$590,000 in the Contractual Services Account for contracts supporting the Citywide Inclusion and Anti-Bias Plan (\$140,000) and Equity Review Panel Pilot Program (\$450,000).

General Fund Revenue (Figures in Millions)			
Revised Revenue Budget	Year-End FSR	Variance from Budget	Projection Basis
\$ 170.57	\$ 170.20	\$ (0.37)	Revenue shortfall is due to reduced receipts projected from Police Permits and Impound Fees due to approved lower rates and fewer counts, and lower related cost reimbursements from the Library due to reduced CAP rates.

The projected General Fund overspending is approximately \$56.74 million lower than previously reported in the Mid-Year FSR primarily due to the transfers recommended in the Mid-Year FSR. This Office projects that the agreement with the Los Angeles Police Protective League (LAPPL) increased direct spending by a total of \$97.07 million in the Salaries Sworn (\$79.75 million) and Overtime Sworn (\$17.32 million). This is the primary driver of projected overspending for the Department. This projection only includes direct costs that will be paid from on-budget accounts and does not include pension, healthcare, and other benefits costs. The impact of the LAPPL agreement on healthcare and other benefits costs is discussed in the Human Resources Benefits section of this FSR. This Office recommends using a portion of the projected Firearms, Ammunition, and Other Devices, Transportation Equipment, and Transportation surpluses to partially offset projected overspending. We additionally recommend transfers from the Unappropriated Balance Reserve for Mid-Year Adjustments and Department Payroll Reconciliation accounts to address the remaining overspending.

The projected special fund surplus is approximately \$3.65 million higher than previously reported in the Mid-Year FSR primarily due to lower than anticipated special funded sworn overtime. This Office recommends a transfer from the General Fund Transportation Equipment Account to

address the projected special fund Contractual Services overspending while the Department collaborates with the Department of Cultural Affairs to reimburse these costs.

Sworn Hiring

From July 01, 2023, through May 1, 2024, the Department hired eleven recruit classes for a total of 359 additional officers. The Department plans to hire 600 new recruits and 200 officers through the BOUNCE/Recall Program. Based on year-to-date hiring trends, our expenditure projections only assume the Department will hire 419 new recruits and 32 officers through the BOUNCE/Recall Program by year-end. Officer attrition through May 1, 2024, was 562 versus the 516 assumed in the Adopted Budget. Hiring through May 1, 2024, is 54.4 percent lower than assumed in the Adopted Budget (359 actual hires versus 660 adopted). As of May 1, 2024, there are 8,852 officers deployed Citywide, including 18 Municipal Police Officers.

This Office recommends the following transactions at this time:

- Correct the 2021-22 Police Reversion Worksheet to allocate the Intellectual Property Enforcement Program to the General Fund. Authorize the reversal of the reversion amount of \$8,493.24 from the Reserve Fund to the Police Grants Fund No. 339/70 and appropriate therefrom to Fund No. 339/70, Account No. 70V170, Police as part of a correction to the 2021-22 Police Department Reversion Worksheet.
- Correct the 2021-22 Police Reversion Worksheet to allocate the 2021-22 STEP grant expenditures to the General Fund. Authorize the reversal of the reversion amount of \$8,234.70 from Reserve Fund to Police Grants Fund No. 339/70 and appropriate therefrom to Fund No. 339/70, Account No. 70V170, Police as part of a correction to the 2021-22 Police Department Reversion Worksheet.
- Transfer \$1,000,000 from the Transportation Equipment Account to the Accumulated Overtime Account to address anticipated deficit from DROP exits and projected payouts.
- Transfer \$1,017,186 from the Firearms, Ammunition Other Device Account to the Contractual Services Account to address projected overspending due to increased contract security demands.
- Transfer \$620,000 from the Firearms, Ammunition, Other (\$500,000), Transportation (\$50,000), and Transportation Expense (\$70,000) accounts to the Field Equipment Expense Account to address projected overspending due to increased automotive part costs associated with the Department's aging fleet.
- Transfer \$174,479.13 from the Transportation Equipment Account to the Contractual Services (\$163,885) and Office and Administrative (\$10,594.13) accounts to address projected overspending related to unpaid electric vehicle charging services and supplies.
- Transfer \$232,000 from the Transportation Equipment Account to the Information

Technology Agency to fund a Workday technical expert who will assist the Department to efficiently navigating the transition to the Workday software system (C.F. 24-0145).

- Transfer \$151,461 from the General Fund Transportation Equipment Account to the Contractual Services Account to address projected special fund overspending in advance of special fund reimbursements.
- Transfer up to \$267,182.26 from various accounts within the Police Department Grant Funds for leadership training and Project Safe Neighborhood.
- Transfer \$7.59 million from the Unappropriated Balance, Reserve for Mid-Year Adjustments Account to the Salaries Sworn Account to offset projected overspending.
- Transfer \$22.41 million from the Unappropriated Balance, Department Payroll Reconciliation Account to the Salaries Sworn Account to offset projected overspending.
- Transfer \$20 million from the Unappropriated Balance, Reserve for Mid-Year Adjustments Account to the Overtime Sworn Account to offset projected overspending.
- Transfer \$2.5 million from the Unappropriated Balance, Reserve for Mid-Year Adjustments Account to the Salaries General Account to offset projected overspending.

2024-25 General Fund Reappropriations

- Reappropriate up to \$2,103,715 from the unencumbered balance within the Contractual Services Account to the same account in 2024-25 due to the delayed execution of multiple contracts.
- Reappropriate up to \$125,000 from the unencumbered balance within the Transportation Equipment Account to the same account in 2024-25 to complete vehicle purchase for the Community Safety Partnership program expansion to the Algin Sutton Recreation Center (C.F. 23-1424).

The projected General Fund surplus is substantially the same as reported in the Mid-Year FSR due to the net impact of delays in hiring and costs associated with the recently approved civilian labor

agreements. The projected special fund surplus is approximately \$0.68 million lower than previously reported due to the recommendations of the Mid-Year FSR and the costs associated with the recently approved civilian labor agreements. While we project an overall Salaries General Surplus across the Board’s special funds, this net surplus includes overspending within the Homeless Housing, Hygiene, Assistance, and Prevention Program Round 3 Fund, Bridge Improvement Program Cash Flow Fund, and Sixth Street Viaduct Replacement Fund. We will provide recommendations to resolve this overspending in separate reports to Council. We anticipate that the projected Overtime General overspending will be resolved through an administrative transfer from one of the Board’s surplus accounts.

This Office recommends the following transactions at this time:

2024-25 General Fund Reappropriations

- Authorize the Controller to disencumber up to \$230,650.46 in Fiscal Year (FY) 2022-23 encumbered balances for Contract No. C-138814, Liberty Hill Foundation (SC 74 CO23138814M) within the Board of Public Works Fund No. 100/74, Account No. 003040 Contractual Services, revert the disencumbered amount to the Reserve Fund, and reappropriate therefrom to the Board of Public Works, Fund No 100/74, Account No. 003040 Contractual Services to pay for Climate Emergency Mobilization Office community outreach and engagement.

While in the Mid-Year FSR we reported a special fund surplus of \$6.88 million, we now report special fund overspending of \$1.50 million primarily due to appropriation reductions to address revenue shortfalls and lower than anticipated reimbursements for off-budget positions. This Office recommends using the projected surpluses in various accounts to fully address the projected General Fund overspending and partially offset the projected special fund overspending. We anticipate that the remaining overspending will be fully addressed by \$1.55 million in off-budget reimbursements that will be received before year end.

This Office recommends the following transactions at this time:

- Transfer \$200,000 from the Bureau’s Overtime General Account funded by the General Fund, to the Salaries General Account to address projected overspending due to sick time payout.
- Transfer \$150,000 from the Bureau’s Office and Administrative Account funded by the General Fund, to the Salaries As-Needed Account to address projected overspending.

The projected General Fund surplus is approximately \$5.17 million lower and the projected special fund surplus is approximately \$6.76 million lower than previously reported in the Mid-Year FSR primarily due to costs associated with the recently approved civilian labor agreements and the transfer of funds outside the Bureau of Sanitation’s expense budget. This Office recommends transfers from the projected Salaries General surplus to address overspending primarily in the Overtime General Account within the General Fund, Stormwater Pollution Abatement (SPA) and Sewer Construction and Maintenance (SCM) funds and a transfer from the Overtime General Account to the Salaries General Account within the Solid Waste Revenue Resources Fund (SWRRF) to address over-expenditures due to the recently approved civilian labor agreements.

Hyperion Spill

Overtime expenditures related to the wastewater spill in 2021 continue as the Bureau has moved from emergency repairs to recovery efforts. As of August 2023, the Bureau has received payments totaling \$30.2 million from the property insurance policy for damage to the Hyperion Water Reclamation Plant (Hyperion). Additional payments are anticipated but have not been finalized at this time. Consultants are working with the Bureau to determine how these funds will be used to

reimburse the SCM for eligible expenditures. The full impact of the spill is yet to be determined and this Office will provide updates and potential impacts on the SCM in future FSRs.

Solid Waste Resources Revenue Fund

The Solid Resources Fee (SRF), the largest source of revenue to the SWRRF, is projected to have a year-end shortfall of approximately \$18.5 million due to a 9.5 percent decrease in receipts. The Los Angeles Department of Water and Power collects the SRF along with sewer service, water, and electricity fees. The cause of the continued decrease in collections is yet to be determined. This Office will continue to monitor revenues from this fee and will provide updates and potential impacts, including recommended transfers, in future FSRs.

Vacancies and Related Costs

This Office has completed the 2022-23 related costs reconciliation review for the Bureau's special funds, including SCM. Funding is included in the 2024-25 Proposed Budget for this purpose.

In the First FSR, this Office additionally reported on concerns regarding RecycLA program litigation, rate increase needs, and Proposition O reimbursements. There are no major changes to report since the First FSR.

This Office recommends the following transactions at this time:

- Encumber the General City Purposes Fund No. 100/56, Account Nos. 000855 and 000856 balances appropriated for the Solid Waste Fee Lifeline Rate Program and Solid Waste Fee Reimbursement, respectively, to pay 2023-24 invoices.
- Transfer \$200,000 from the Bureau's Overtime General Account to the Salaries General Account within the SWRRF to address potential over-expenditures due to the recently approved civilian labor agreements.
- Transfer \$100,000 from the Bureau's Salaries General Account to the Salaries, As-Needed Account within the General Fund to maintain service levels in light of full-time vacancies.
- Transfer \$1,500,000 from the Bureau's Salaries General Account to the Overtime General Account within the General Fund (\$100,000), Sewer Construction and Maintenance Fund (\$1,200,000), and Stormwater Pollution Abatement Fund (\$200,000) to address increased staff overtime due to 2024 winter storm activities and to maintain service levels in light of full-time vacancies.
- Transfer \$5,825,320 from the Bureau's Salaries General (\$4,000,000), Contractual Services (\$1,203,423), Operating Supplies (\$500,000), Uniforms (\$100,000), and Water and Electricity (\$21,897) accounts within the General Fund to the Reimbursement from Other Funds Account within SWRRF to reimburse the fund for the purchase and use of vehicles for Clean Streets activities during the third and fourth quarter of 2019-20 (\$4,903,423) and 2020-21 (\$921,897).

- Transfer \$300,000 from the Liability Claims Account (2022-23) within SWRRF to the Liability Claims Fund, Public Works, Sanitation Liability Payouts Account for anticipated Solid Waste Resources related claims and settlements.

Revised Revenue Budget	Year-End FSR	Variance from Budget	Projection Basis
\$ 14.23	\$ 14.23	\$ -	The Bureau anticipates meeting its revised General Fund revenue budget by year end.

The projected General Fund surplus is approximately \$0.20 million lower than previously reported in the Mid-Year FSR primarily due to higher than anticipated hiring and street lighting supply costs. The projected special fund surplus is approximately \$2.02 million higher than previously reported in the Mid-Year FSR primarily due to transfers approved as part of the Second and Third Construction Project Reports.

Street Lighting Maintenance and Assessment Fund

This Office projects year-end revenue shortfall of \$25.49 million from the Street Lighting Maintenance and Assessment Special Fund (SLMAF) revenue budget of \$84.72 million. The shortfall is primarily driven by lower-than-expected rate of construction and lease fees from telecom companies for telecom co-location installations on street lighting poles. In addition, B-Permit and Engineering fee revenues are lagging behind prior year revenues. This shortfall is \$6.28 million higher than previously reported in the Mid-Year FSR due to updated assumptions for construction, lease payments, and reimbursement. To offset this shortfall, this Office assumes \$25.49 million in funds comprised of:

- \$6.85 million year-end balance of SLMAF funds in BSL accounts;
- \$8.42 million from actual expenditures coming in lower than estimated for 2022-23;
- A reduction of \$5.84 million in Related Costs transferred from SLMAF to the General Fund. This is an increased reduction of \$1 million compared to the projection in the Mid-Year FSR; and,
- \$8 million appropriation reduction from SLMAF account 50YLTT from \$19.23 million to \$11.23 million.

This Office recommends the following transaction at this time:

- Reduce 2023-24 appropriations in the amount of \$8,000,000 within the Street Lighting Maintenance and Assessment Fund No. 347/50, Account No. 50YLTT Energy to align appropriations with projected spending.
- Authorize the Controller to reduce appropriations in the total amount of \$3,618,222.52 within the Street Lighting Maintenance Assessment Fund to align current-year appropriations with current-year revenues

- Rescind Recommendation No. 32 included in C.F. 23-0600-S116 relative to the reduction of appropriations within the Street Lighting Maintenance Assessment Fund No. 347/50, on page 86 of the CAO report, to remove account No. 50TLWB NASA Grant Predicting What We Breathe totaling \$639,863.76 from the list of accounts for reduction. BSL and the Mayor's Office have informed that project work for air quality research and system development using machine learning and predictive data analysis using satellite and ground data is ongoing. A contract extension is underway to expend the remaining grant funds.
- Transfer \$159,217.14 from the Capital and Technology Improvement Expenditure Plan Fund Department No. 54, Fund No. 100, Account No. 00P294, 7th Street Streetscape Improvements to the Bureau of Street Lighting Department No. 84, Fund No.100, Account No. 001010, Salaries General (\$120,000) and to the Street Lighting Maintenance and Assessment Fund Department No. 50, Fund No. 347, Revenue Source Code No. 5301 Reimbursement from Other Funds (\$39,217.14) to reimburse for design, staffing, and construction charges for the Bureau of Engineering's 7th Street Streetscape Improvements Project.
- Transfer \$9,453.53 from the following accounts within the Bureau of Street Lighting Department No. 84 from the Street Lighting Maintenance and Assessment Fund Street 347/50, Salaries General (\$5,062.40), Account No. 001010 and the Street Lighting Maintenance and Assessment Fund 347/50, Account No. 50Y299 (\$4,391.13), Reimbursement of General Fund Costs, to the LA Public Library (LAPL) Department No. 44, Library Fund No. 300, Revenue Source Code No. 5188 Miscellaneous Revenue – Others to reimburse for salary and related costs of an employee who transferred from LAPL to BSL.

While in the Mid-Year FSR this Office reported a General Fund surplus of \$4.78 million, we now project that the Bureau will finish the year on-budget for its General Fund accounts due to lower than anticipated contract expenditures. The projected special fund surplus is approximately \$5.10 million higher than previously reported in the Mid-Year FSR primarily due to decreased contract spending.

This Office recommends the following transactions at this time:

- Transfer of \$80,000 from the General Fund, Salaries General Account to the Hiring Hall Salaries Account for the construction of access ramps.
- Transfer \$2,757,884.27 from the BSS Transaction Fund's Special Event-General revenue account to the BSS Street Services, Bureau of Street Lighting, Department of Transportation, Solid Waste Resources Fund, Building & Safety, and Los Angeles Fire and Police Departments, for salaries, overtime, and other expenses associated with special events.

The projected special fund surplus is approximately \$0.79 million higher than the previously reported in the Mid-Year FSR primarily due to hiring delays. The Department will use the Salaries General surplus to address projected overspending in the Operating Supplies Account. The Department anticipates the reimbursement of Salaries As-Needed costs associated with the Californians for All Workforce Development grant by year end, which will resolve the projected overspending in the Salaries As-Needed Account. This Office does not recommend any transactions at this time.

Child Care Centers

The Department reports that eight child care centers are currently open: Jim Gilliam, Ralph Parsons, Branford, Victory-Valley, Evergreen, Downey, Ira C. Massey, and Hubert H. Humphrey. The table below summarizes the status of enrollment at the centers opened since 2022:

Status of Open Child Care Centers

Center Name	Date Opened to the Public	Licensed Capacity	No. Enrolled as of March 2024	Available Enrollment Slots
Branford Child Care Center	8/15/2022	50	8	42
Downey Child Care Center	7/10/2023	44	12	32
Evergreen Child Care Center	7/10/2023	46	7	39

Victory Valley Child Care Center	8/15/2022	50	7	43
Total		272	45	227

The soft opening of the Echo Park, Van Ness, and South Park Child Care Centers has been delayed until August 2024 due to challenges to recruit full-time and part-time qualified staff to support the Child Care Program. The Department estimates the completion of construction at Banning Child Care Center in early 2025. Repair work necessary to open the Algin Sutton, Glassell Park, and Mason Child Care Centers has yet to begin. The 2023-24 Adopted Budget includes \$5 million in the Unappropriated Balance (UB) for Child Care and Learning Centers, which is expected to revert at year-end to the Reserve Fund. The 2024-25 Adopted Budget includes \$250,000 to transition City operation of childcare centers to non-City providers. In addition, the Budget, Finance and Innovation Committee asked the Department, in consultation with the Personnel Department and the Community Investment for Families Department, to report on the challenges to increase staffing at childcare centers and center enrollment goals. The study is also to review the cost efficiency of program delivery models that can be considered for implementation by the City.

The projected General Fund overspending is approximately \$1.47 million lower than previously reported in the Mid-Year FSR primarily due to lower than anticipated staff overtime and contract expenditures. The projected special fund surplus is approximately \$10.43 million lower than the previously reported in the Mid-Year FSR primarily due to costs associated with the recently approved civilian labor agreements and the appropriation reductions recommended in the Mid-Year FSR. This Office recommends transfers from the Department of Transportation (DOT) Trust Fund, the projected Overtime General surplus and the Unappropriated Balance to address the projected overspending.

This Office recommends the following transactions at this time:

- Instruct the Department of Transportation to take all actions necessary to maximize the reimbursement of 2023-24 salary cost from the Los Angeles County Metropolitan Transportation Authority and report in the 2024-25 First FSR with the status of 2023-24 reimbursements.

- Rescind the Controller's Instruction in Attachment 3 of the 2023-24 Mid-Year Financial Status Report (C.F. 23-0600-S116) relative to the appropriation of \$2,729,617.23 from the Department of Transportation Trust Fund to the Overtime General Account for overtime costs related to special event traffic control services.
- Transfer \$1,502,772.59 in interest income within the Transportation Grants Fund to the Proposition C Anti-Gridlock Transit Improvement Fund to reimburse front-funding salary costs for transportation grant projects.
- Transfer \$9,124,726.91 from the cash balance within the Transportation Grants Fund to the Proposition C Anti-Gridlock Transit Improvement Fund to reimburse front-funding salary costs for transportation grant projects.
- Transfer \$3,225,052.86 from the cash balance to the account, Grant Reimbursements to General Fund, within the Transportation Grants Fund and transfer therefrom to reimburse prior year transportation grants project related costs of the Bureaus of Contract Administration, Engineering, Street Lighting, and Street Services, and the Department of Transportation.
- Transfer \$1,308,896.00 from the cash balance to the account, Reimbursements of General Fund Costs, within the Transportation Grants Fund and transfer therefrom to reimburse current year transportation grants project related costs reimbursements of the Bureaus of Contract Administration, Engineering, Street Lighting, and Street Services, and the Department of Transportation.
- Appropriate \$4,594,028.49 from the Department of Transportation Trust Fund's Special Events revenue account to the Department's Overtime General Account for traffic control services performed for special events.
- Transfer a total of \$84,547.39 from four Department of Transportation Trust Fund project appropriation accounts to the Department's Overtime General Account for the Tujunga Village Speed Tables (\$1,391.94), CD2 Elementary School Area Speed Hump Program (\$5,000), CD2 Pedestrian Hawk Beacon (PHB) at Cleon Ave. and Oxnard St. (\$38,155.45), and Left Turn at Olympic Blvd. and Normandie Ave. (\$40,000) projects.
- Appropriate a total of \$2,743,481.20 from the account, Transportation, within the Department of Transportation Trust Fund to the Department's Overtime General Account for special event venues (\$1,812,887.60), Metro Crenshaw/LAX Transit Corridor (\$214,914.51), CD5 Hughes & Venice Left-Turn Phasing (\$84,000.00), CD5 Girard & Midvale Left-Turn Phasing (\$94,000.00), CD13 Hollywood Area Curb Repainting (\$3,244.72), LADWP Trunk Line Unit 1 (\$496,176.87), Venice Boulevard Project Planning (\$12,179.41), Riverside Drive Improvements (\$4,983.46), La Tuna Canyon and Canter Pedestrian Hybrid Beacon (\$2,562.60), CD3 Speed Reduction (\$3,039.61), People Streets Program (\$3,265.59), and Tujunga Village Speed Tables (\$12,226.83).

- Transfer \$462,000 from the Department’s Salaries General Account (Measure M Local Return Fund) to the Department’s Office and Administrative Account for the purchase of radio and equipment for the field crews.
- Transfer \$300,000 from the Department’s Salaries General Account (Proposition C Anti-Gridlock Transit Fund) to the Department’s Office and Administrative Account for new and replacement computers.
- Transfer \$215,260.54 from the Transportation Review Fee Fund’s Expedited Permit Fee revenue account to the Department’s Overtime General Account for overtime cost.
- Transfer \$2,069,967 from the Department’s Overtime General Account (DOT Trust Fund) to the Salaries, As-Needed Account to address fluctuations in payroll for as-needed staff.
- Appropriate a total of \$2,332,430 from the UB-Reserve for Mid-Year Adjustments to the Department’s Salaries General (\$2,021,281.00) and Contractual Services (\$311,149) accounts to offset the projected overspending in these accounts.

The projected General Fund surplus is approximately \$0.173 million higher than previously reported in the Mid-Year FSR due to hiring and procurement delays. The projected special fund surplus is approximately \$0.026 million lower than previously reported in the Mid-Year FSR due to lower than anticipated expenditures in several expense accounts. The Department plans to address its General Fund overspending through administrative transfers using the projected savings from other accounts. The Department has no budgeted General Fund revenues.

Californians for All Youth Workforce Development Grant

As previously reported, the Department is responsible for overseeing the evaluation component of the Californians for All Youth Workforce Development (CA4All) Grant, a multi-year and cost-reimbursement grant awarded by the State of California, for which the Economic and Workforce Development Department (EWDD) is the administrator (C.F. 22-0014). This grant had an original term of April 14, 2022 to May 1, 2024, which has now been extended to September 30, 2024. Due to delays in grant reimbursements from the state to EWDD, the Council approved a \$4.5 million Reserve Fund loan for EWDD to avoid cash flow and service disruptions related to the CA4All grant (C.F. 22-0683-S2). Subsequently, the Council approved a second Reserve Fund loan of \$10 million for the same purpose (C.F. 23-1073), to be repaid at the end of the grant and upon receipt of full reimbursement from the state. As of April 26, 2024, the General Fund has paid \$117,002 for the Department’s 2022-23 grant expenditures and has received funds from the State for up to the period ending June 2023. The EWDD notified the Department that there are no additional reimbursements scheduled prior to year end.

This Office recommends the following transactions at this time:

- Approve an appropriation of \$50,000 in MICLA Commercial Paper Program (Youth Development Department) to purchase one non-emergency electric sedan vehicle for the Department, consistent with the intent of the 2023-24 Budget.
- Authorize the Controller to disencumber up to \$23,934.83 from the Fiscal Year 2022-23 encumbered balances for Contract C-143598, Social Policy Research Associates Inc., within the Youth Development Fund No. 100/19, Contractual Services Account No. 003040, revert the disencumbered amount to the Reserve Fund No. 101/62, subsequently transfer the amount to the amount to the Unappropriated Balance Fund No. 100/58, and

reappropriate therefrom to the same fund and account in the current year, for the implementation of the CaliforniansForALL Youth Jobs Corps Program grant. These grant funds will need to be reappropriated in 2024-25.

2024-25 General Fund Reappropriation

- Reappropriate up to \$376,173 from the unencumbered balance within the Department's Contractual Services Account for the further development of its 1) Central information platform project (\$122,000), 2) information technology and website support (\$36,942), 3) translation and interpretation (\$45,000), 4) youth program auditing (\$22,231), 5) youth protection and financial literacy training (\$150,000) (C.F. 23-1325), and 6) Peer-to-Peer Homelessness Youth Ambassadors (\$111,000). The reappropriation of funds is required as the Department may not be able to execute these contracts and encumber the funds prior to the end of the year. All projects were previously authorized by the Mayor and Council and the Department is unable to absorb these costs in 2024-25.

2023-24 Special Fund Reappropriation

- Reappropriate up to \$236,141.83 from the unencumbered balance within various accounts for the CaliforniansForAll Youth Workforce Program Grant. The reappropriation of funds is required for the extended grant period.

Greater Los Angeles Zoo Association (GLAZA) Interim Agreement

The current agreement between the Zoo and GLAZA expired on September 29, 2023. The Zoo is preparing to release a Request for Proposals (RFP) for management and operation of programs on behalf of the Zoo. The Zoo and GLAZA intend to enter into an agreement to continue services during the RFP and contractor selection process. This interim agreement was approved by City Council on October 24, 2023 (C.F. 23-1128). The 2023-24 Adopted Budget included \$1.5 million in the Unappropriated Balance to address potential transition costs. This funding is not needed this fiscal year and will revert to the Reserve Fund at year end.

This Office recommends the following transactions at this time:

- Transfer \$140,000 from the Salaries General Account to LAPD's Overtime Account for services at the Zoo.

2. STATUS OF NON-DEPARTMENTAL FUNDS AND SPECIAL ACCOUNTS

This section addresses the status of non-departmental expenditures and revenues and highlights issues of concern.

A. General City Purposes Attachment 6 – Appropriations from the Unappropriated Balance

General Fund			
Account Name	Year-End FSR	Proposed FSR Changes	Projection Basis
<i>Surpluses (Shown as Positive, in millions)</i>			
County Service-Massage Parlor Regulation	\$ 0.03	\$ -	Projected surplus is based on prior-year expenditure trends.
<i>Overspending (Shown as Negative, in millions)</i>			
Medicare Contributions	(1.00)	1.20	Projected overspending is due to increased Citywide hiring and unbudgeted salary increases.
Pensions Savings Plans	(0.06)	0.08	Projected overspending is due to higher-than-anticipated hiring, leading to increased contributions.
Social Security Contributions	(0.20)	0.22	Overspending due to higher-than-anticipated hiring and salaries, leading to increased contributions. Contributions will likely fluctuate throughout the year.
General Fund Total	\$ (1.23)	\$ 1.50	

This Office projects overspending in General City Purposes of \$1.23 million, which is \$6.13 million lower than the \$7.36 million that we reported in the Mid-Year FSR largely due to actions taken to partially address overspending in three accounts. We now recommend resolving the remaining overspending in the Medicare Contributions (\$1,005,996), Pension Savings Plans (\$55,359), and Social Security (\$195,888) accounts. Spending in these accounts is variable throughout the year and we recommend transfers slightly higher than each projection to account for this variability. In each account, overspending is the result of hiring above projected levels and unbudgeted salary costs. Even though the City has implemented hiring limitations, there has yet to be a corresponding reduction in spending from these accounts.

Therefore, this Office recommends the following transactions.

- Transfer \$1,200,000 from the Unappropriated Balance, Reserve for Mid-Year Adjustments to the Medicare Contributions Account.
- Transfer \$220,000 from the Unappropriated Balance, Reserve for Mid-Year Adjustments to

the Social Security Contributions Account.

- Transfer \$75,000 from the Unappropriated Balance, Reserve for Mid-Year Adjustments to the Pensions Savings Plans Account.

2024-25 General Fund Reappropriation

- Reappropriate up to \$9.15 million from the unencumbered balance from various Council project accounts within the General City Purposes Fund to 2024-25 to ensure funding availability in 2024-25 for the continued implementation of these projects.

2024-25 Transfers and Appropriations

- On or shortly after July 1, 2024, transfer \$850,000 from the General City Purposes, Unarmed Response to Homelessness and Non-Violent Calls, to the Board of Public Works, Contractual Services Account, for the Office of Community Beautification to support illegal dumping crews in Council District 8.

B. Unappropriated Balance

Attachment 7A – Status of the UB – General Account

Attachment 7B – Status of the UB – Reserve for Mid-Year Adjustments

Attachment 7C – Status of the UB – Non-General Accounts

Attachment 10 – 2024-25 General Fund Reappropriations

The 2023-24 Adopted Budget includes \$297.1 million for the Unappropriated Balance (UB). Through May 30, 2024, the Mayor and City Council have approved transactions resulting in a net decrease of \$144.4 million, leaving a balance of \$152.7 million in the UB.

The transactions in the Mid-Year FSR left the Reserve for Mid-Year Adjustments Account depleted. This report includes recommendations to transfer \$103.1 million from the Reserve Fund to the UB Reserve for Mid-Year Adjustments Account to replenish the account.

The transactions recommended in this report address several departments' overspending and unfunded expenditures that not only depletes this account, but also depletes the \$22.4 million in the Department Payroll Reconciliation Account.

In addition, this report also includes recommendations to transfer \$12 million from various UB accounts for a net decrease of \$34.4 million. This leaves a remaining balance of approximately \$118.3 million.

This Office recommends the following transactions at this time:

- Transfer \$103,114,181.42 from the Reserve Fund to the UB, Reserve for Mid-Year Adjustments Account to provide additional capacity to address overspending and unfunded expenditures.

- Transfer \$2,803,261 from the UB, Reserve for Mid-Year Adjustments Account to the City Attorney's Litigation Account to address projected overspending for litigation expenses.
- Transfer \$2,083,000 from the UB, Reserve for Mid-Year Adjustments Account to the City Attorney's Outside Counsel Account for expenses related to the various cases, including police protest cases.
- Transfer \$10 million from the UB, Election Expenses - Primary March 2024 Account to the City Clerk's Elections Account to pay the County invoice for the March 2024 Primary Election.
- Transfer \$53,098,276 million from the UB, Reserve for Mid-Year Adjustments Account to the Fire's Salaries General (\$594,909), Salaries Sworn (\$30,247,207), and Overtime Constant Staffing (\$22,256,160) accounts to address over expenditures.
- Transfer \$927,799 million from the UB, Reserve for Mid-Year Adjustments Account to the General Services Department's Field Equipment Expense Account to address overspending associated with rising commodity pieces.
- Transfer \$1 million from the UB, Human Resources and Payroll (HRP) System Contingency Account to Information Technology Agency's Contractual Services Account for the HRP project.
- Transfer \$1 million from the UB, MyLA311 Replacement Account to Information Technology Agency's Contractual Services Account for the MyLA311 Replacement project.
- Transfer \$22,407,313 from the UB, Department Payroll Reconciliation Account to the Police's Salaries Sworn Account to address projected overspending related to labor agreements.
- Transfer \$7,592,687 from the UB, Reserve for Mid-Year Adjustments Account to the Police's Salaries Sworn Account to address projected overspending related to labor agreements.
- Transfer \$20 million from the UB, Reserve for Mid-Year Adjustments Account to the Police's Overtime Sworn Account to address projected overspending related to labor agreements.
- Transfer \$2.5 million from the UB, Reserve for Mid-Year Adjustments Account to the Police's Salaries General Account to address projected overspending.
- Transfer \$2,323,430 million from the UB, Reserve for Mid-Year Adjustments Account to Transportation Department's Salaries General (\$2,021,281) and Contractual Services (\$311,149) accounts to address over expenditures.

- Transfer \$1.2 million from the UB, Reserve for Mid-Year Adjustments Account to the General City Purposes' Medicare Contributions Account.
- Transfer \$220,000 from the UB, Reserve for Mid-Year Adjustments Account to the General City Purposes' Social Security Contributions Account.
- Transfer \$75,000 from the UB, Reserve for Mid-Year Adjustments Account to the General City Purposes' Pensions Savings Plans Account.
- Transfer \$34,136.42 from the UB, Reserve for Mid-Year Adjustments Account to the General City Purposes' Fire and Police Pensions Defrayal Account and transfer therefrom to the Fire and Police Pensions Fund to pay for the City's one percent Fire/Police Pension - Tier 5 contribution defrayal costs.
- Transfer \$3,268,455 million from the UB, Reserve for Mid-Year Adjustments Account to Human Resources Benefits' Workers' Compensation/Rehabilitation Account to address higher costs for claims and medical lien settlements.
- Transfer \$2,763,000 from the UB, Reserve for Mid-Year Adjustments Account to Human Resources Benefits' Workers' Civilian Flex Program Account to address overspending due to increased civilian enrollment.
- Transfer \$4,216,137 from the UB, Reserve for Mid-Year Adjustments Account to the Liability Claims Account, Miscellaneous Liability Payouts Account for anticipated settlements.

2024-25 General Fund Reappropriation

- Reappropriate up to \$2,841,151.15 million from the unencumbered balance in the Unappropriated Balance, Equipment, Expenses, and Alterations and Improvements Account into the same account and in the same amount that exists on June 30, 2024.

Revised Revenue Budget	Year-End FSR	Variance from Budget	Projection Basis
\$ 4.94	\$ 4.94	\$ -	This Office projects the Fund will meet its revised General Fund revenue budget by year end.

The projected overspending is substantially the same as reported in the Mid-Year FSR. This Office recommends transfers from the Unemployment Insurance (\$0.72 million) and Fire Health and Welfare Program (\$1.0 million) surpluses to the Workers' Compensation/Rehabilitation Account to partially offset projected overspending. Additionally, this Office recommends transfers from the Unappropriated Balance, Reserve for Mid-Year Adjustments Account to the Workers' Compensation Account (\$3.3 million) and the Civilian Flex Program Account (\$2.8 million) to resolve the remaining projected overspending.

This Office recommends the following transactions at this time:

- Transfer \$722,545 from the Unemployment Insurance Account to the Workers' Compensation/Rehabilitation Account to partially offset projected overspending.

- Transfer \$1.0 million from the Fire Health and Welfare Program Account to the Workers' Compensation/Rehabilitation Account to partially offset projected overspending.
- Transfer \$169,032.47 from the Employee Benefits Trust Fund to the General Services Department's (GSD) Mail Services Account to reimburse GSD for the cost of mailing 2023 Open Enrollment packets to City employees.
- Transfer \$3.27 million from the Unappropriated Balance, Reserve for Mid-Year Adjustments Account to the Workers' Compensation/Rehabilitation Account to partially offset projected overspending.
- Transfer \$2.76 million from the Unappropriated Balance, Reserve for Mid-Year Adjustments Account to the Civilian Flex Program Account to address projected overspending due to increased civilian enrollment.

D. Liability Claims Account

Attachment 8 – Status of Liability Accounts

The 2023-24 Adopted Budget provides \$87.37 million for Liability Payouts, allocated between the Miscellaneous Liability Payouts (\$80 million) and Public Works, Sanitation Liability Payouts (\$7.37 million) accounts. The Unappropriated Balance (UB) Reserve for Extraordinary Liability Account included supplemental funding of \$20 million to pay for both tort liability and tax-related cases beyond the amount provided in the Liability Claims Account. This supplemental amount was transferred into the Liability Claims Account in the Second Financial Status Report, and an additional \$91.57 million was transferred in the Mid-Year Financial Status Report, providing a total available amount of \$198.94 million for Liability payouts in 2023-24.

As of April 25, 2024, \$117.08 million of the adjusted budget of \$198.94 million has been expended from the Liability Claims Account. Including an additional \$81.13 million pending payments, the total committed amount is \$198.21 million. This results in General Fund overspending of \$501,234 and a special fund surplus of \$342,331. Additionally, based on the current rate of payouts pending Council approval (\$40.22 million), and pending final report (\$2.30 million), we project total General Fund spending of \$232.05 million and special fund spending of \$7.03 million. This results in General Fund overspending of approximately \$42.49 million, a Sewer Construction and Maintenance Fund surplus of \$633,833, and Solid Waste Revenue Resource Fund overspending of \$300,000. Based on our review of cases with payouts pending Council approval and cases that have been approved but not paid, this Office recommends a transfer of \$4.22 million from the Unappropriated Balance, Reserve for Mid-Year Adjustments Account to partially offset the projected overspending. The remaining overspending will be addressed by recommendations for appropriations from the Reserve Fund recently approved by Council. Furthermore, a number of previously approved settlements include structured payouts totaling \$36 million set for payment in 2024-25. In addition, several other proposed settlements with payments due in 2024-25 are pending approval. Therefore, the City is likely to experience overspending in 2024-25 as a result of liability payments.

This Office recommends the following transaction at this time:

- Transfer \$4.22 million from the UB, Reserve for Mid-Year Adjustments Account to the Liability Claims Account, Miscellaneous Liability Payouts Account for anticipated settlements.

3. STATUS OF EMPLOYMENT

Attachment 9 – Employment Level Report

Citywide employment authority from all funding sources totaled 39,521 at the end of March for both civilian and sworn classes. There are 32,419 filled positions at the end of March. Departments reported a total of 7,102 vacant positions: 4,451 General Fund and 2,651 special funded.

4. STATE BUDGET

No Recommendation

On May 10, 2024, Governor Newsom released the revised 2024-25 State budget proposal, also referred to as the May Revision. The May Revision estimates a budget gap of \$44.9 billion and erosions of the Governor's January 2024 Budget solutions of \$1.2 billion. The May Revision proposes drawing down funds from the state's reserves (\$4.2 billion), budget reductions (\$19.2 billion), funding shifts from the General Fund (\$7.3 billion), delays in spending (\$5.6 billion), deferrals (\$2.1 billion), and revenue generation and borrowing (\$7.7 billion) to address the projected budget gap. The May Revision includes withdrawals from the Public School System Stabilization Account of \$8.4 billion to maintain predictable support for Local Educational Agencies and Community College Districts. The May Revision also includes proposal to withdraw \$3.3 billion from the Budget Stabilization Account in 2024-25 and \$8.9 billion in 2025-26. This action will assist in balancing the budget through 2025-26. The Governor's May Revision identifies new risks that could significantly change the state's future financial health, which include persistent inflation, elevated interest rates, and uncertainty with financial institutions due to tight credit conditions that could push the economy into a mild recession. Below, we list the budget proposals with potential impacts to the City:

Transit

The May Revision shifts \$555.1 million from General Fund to the Greenhouse Gas Reduction Fund above what was proposed in the Governor's Budget, for a total of \$1.3 billion in proposed fund shifts for transit. These fund shifts are not expected to have any program impact and the May Revision maintains the Formula Transit and Intercity Rail Capital Program (\$4 billion) and the Zero Emission Transit Capital Program (\$1.1 billion) funding levels. The May Revision also reduces \$148 million not used for awarded projects from the Competitive Transit and Intercity Rail Capital Program and maintains 96 percent of the Competitive Transit and Intercity Rail Capital Program (\$3.5 billion of the originally planned \$3.65 billion).

Education

The May Revision pulls back a planned 2025-26 General Fund investment of \$550 million that would have supported the California Preschool, Transitional Kindergarten, and Full-Day Kindergarten Program. Such an investment could be considered for inclusion in education facilities bond proposals being contemplated by the Legislature.

Housing

The May Revision reduces \$132.5 million in 2024-25 and \$207.5 million in 2025-26 for the Behavioral Health Bridge Housing Program, while maintaining \$132.5 million General Fund in 2024-25 and \$117.5 million (\$90 million Mental Health Services Fund and \$27.5 million General Fund) in 2025-26. The May Revision also contains a one-time reduction of \$260 million in 2025-26 for HHAP Round 5 supplemental grant funding. This reduction will not have an impact on the City's HHAP Round 5 award.

Climate

The May Revision shifts \$1.7 billion in 2024-25 from the General Fund to the Greenhouse Gas Reduction Fund for various climate programs. Over the next five years, the May Revision includes shifting \$3.6 billion from the General Fund to the Greenhouse Gas Reduction Fund, including transit programs, clean energy programs, zero-emission vehicle programs, and nature-based solutions programs.

The Legislature is holding hearings on Governor Newsom's revised budget. The constitutional deadline for Legislature to send the Governor a budget is June 15th. This Office will continue to monitor the State budget and will provide status updates as necessary.

5. AMERICAN RESCUE PLAN ACT – STATE AND LOCAL FISCAL RECOVERY FUNDS

No Recommendation

On March 11, 2021, President Biden signed the American Rescue Plan Act (ARPA) into law establishing the Coronavirus State Fiscal Recovery Fund and the Coronavirus Local Fiscal Recovery Fund (SLFRF). The intent of these funds is to provide support to state, territorial, local, and Tribal governments in responding to the economic and public health impacts of COVID-19 and in their efforts to contain impacts on their communities, residents, and businesses.

The SLFRF provided the City with approximately \$1.28 billion in recovery funds. On May 18, 2021, the City received the first tranche of SLFRF totaling \$639,450,464. The City moved the first tranche of SLFRF funding into the General Fund revenue, which allowed the City to balance the 2020-21 General Fund budget without drawing on reserves or deficit borrowing. The City received the second tranche of SLFRF of \$639,450,464 on June 3, 2022. The 2021-22 Budget also treated those funds as General Fund revenue.

The CAO is responsible for administering the SLFRF funds and for preparing all required reports for the U.S. Treasury on behalf of the City. This Office submitted the tenth quarterly Project and Expenditures Report by the April 30, 2024, due date. The purpose of this report is to identify actual and obligated spending. In the report, the CAO identified eligible spending of approximately \$4.3

million from January 1, 2024, through March 31, 2024 and total spending of approximately \$1.194 billion to date.

The status of the SLFRF as of March 2024 is provided in the following table:

Total SLFRF Award (amounts in millions)	\$ 1,278.90	
SLFRF Expenditures by Type as of 03/31/24	Totals	% of total SLFRF Award
Government Services Expenditures	\$ 1,092.12	85.4%
"Stand Alone Project" Expenditures	101.62	7.9%
Total Expenditures Reported	\$ 1,193.74	93.3%
Unexpended SLFRF as of 03/31/24	Totals	% of total SLFRF Award
Budgeted SLFRF Allocated to Stand-Alone Projects	\$ 84.87	6.7%
Unbudgeted SLFRF Allocated to Government Services	0.29	0.0%
Total SLFRF Remaining Balance	\$ 85.16	6.7%

6. LOS ANGELES FIRE AND POLICE PENSIONS

Recommendation No. 40 G

Attachment 5 – Transfers between Departments and Funds

Attachment 6 – Appropriations from the Unappropriated Balance

The City must pay the Tier 5 Fire and Police Pension Plan (Plan) one percent of the service credits that members claimed for periods during which the Plan was at least 100 percent actuarially funded. The Los Angeles Fire and Police Pension (LAFPP) requests payment of \$34,136.42 for the City's obligation for member service buybacks for 2022-23. The service periods that the buybacks cover are between January 1, 2002 and June 30, 2006, during which time the Plan was at least 100 percent actuarially funded.

LAFPP also requests to reappropriate current year unexpended excess benefits funds at year end to the next fiscal year. The Excess Benefit Plan is a General Fund obligation that supplements the benefits of certain retired members of the Plan. The City incorporates this excess benefit payment into the annual General Fund contribution to LAFPP, which is determined pursuant to Section 415(b) of the Internal Revenue Code. The Internal Revenue Service (IRS), however, sets this amount on a calendar year, whereas the City prepares its budget by fiscal year. Therefore, the City's payment may occasionally result in an overpayment or underpayment from the IRS limit. The 2024-25 Excess Benefits Plan budget contribution assumes the use of the reappropriated 2023-24 savings to cover the excess benefits payments required for 2024-25.

This Office recommends the following transactions as this time:

- Transfer \$34,136.42 from the Unappropriated Balance, Reserve for Mid-Year Adjustments to the General City Purposes' Fire and Police Pensions Defrayal Account and transfer therefrom to the Fire and Police Pensions Fund to pay for the City's one percent Fire/Police Pension - Tier 5 contribution defrayal costs.

2024-25 Special Fund Reappropriation

- Reappropriate up to \$500,000 from the unencumbered balance within the Excess Benefits Fund No. 918/64, Account No. 649700, Fire and Police Excess Benefits into the same amount and into the same account that exists on June 30, 2024 for excess benefits payments for 2024-25.

7. EXEMPTIONS FROM GENERAL FUND ENCUMBRANCE POLICY
Attachment 12 – Exemptions from General Fund Encumbrance Policy

Under the City's General Fund Encumbrance Policy, the City will disencumber and revert any Financial Management System (FMS) encumbered funds that remain unspent for a period longer than one fiscal year and any Supply Management System (SMS) encumbrances that remain unspent after three years. Funds for capital projects are exempt from this policy. Pursuant to this policy, the Office of the Controller and the General Services Department will automatically disencumber any FMS and SMS encumbrances at the designated time.

The General Services Department coordinated with departments relative to prior year SMS encumbrances and exempted approximately \$3.9 million in General Fund encumbrances from the policy due to outstanding obligations, liabilities, and/or contingent liabilities.

Consistent with the General Fund Encumbrance Policy, this report recommends to exempt certain FMS encumbrances from this process based on the following conditions: 1) a legal obligation or liability exists (goods and services must have been provided, but not yet paid); 2) a contingent liability exists (likely to become liabilities as a result of conditions undetermined at a given date, such as unsettled disputed claims, uncompleted contracts, and pending lawsuits); or 3) a legislative appropriation for a specific project cannot be completed within the allowable time frame.

This Office recommends the following action at this time:

- Exempt up to \$114,823,780.13 in FMS prior-year encumbrances from the General Fund Encumbrance Policy as per Attachment 12 with the final amounts to reflect the most current encumbrance balance as of June 30, 2024.
