**Comments for Public Posting:** Hello, I wanted to write in support of the motion (24-0011-S4) to halt the construction of the gondola project and conduct a comprehensive/ objective transit access study for Dodger's Stadium, as the last traffic mitigation was conducted in 1990. Residents and the city need to know the full range of options that are available to mitigating traffic and improving access the Dodger's Stadium before considering the LA ART gondola project. Sincerely, Austin Kahn
