

MOTION

TO CITY CLERK FOR PLACEMENT ON NEXT
REGULAR COUNCIL AGENDA TO BE POSTED

#56

The Hollywood Hills experiences periods of extreme traffic congestion and activity brought about by high numbers of visitors seeking an up-close view of the Hollywood Sign, particularly in the Lake Hollywood and Hollywoodland areas. With limited parking in the area around Lake Hollywood Park, this leads to illegal parking, dangerous driving maneuvers, and disregard for other hillside regulations, all of which disturb nearby residents and raise questions about emergency response and evacuation times in this sensitive area.

I THEREFORE MOVE that the Council:

- a. Transfer/appropriate \$205,000 from the Council District 4 portion of the from the AB1290 Fund No. 53P, Account No. 281204 (CD 4 Redevelopment Projects - Services), to Transportation Trust Fund No. 840-94, "CD4 Hollywood Hills Traffic Mitigation" account for traffic management, control and enforcement in the Hollywood Hills for the remainder of Fiscal Year 24-25 and Fiscal Year 25-26.
- b. Instruct that the Department of Transportation be authorized to make any corrections, clarifications or revisions to the above fund transfer instructions, including any new instructions, in order to effectuate the intent of this Motion, and including any corrections and changes to fund or account numbers; said corrections / clarifications / changes may be made orally, electronically or by any other means.
