A Neighborhood Council Community Impact Statement (CIS) has been successfully submitted to your Commission or City Council. We provided information below about CISs and attached a copy of the CIS.

We encourage you to reach out to the Community Impact Statement Filer to acknowledge receipt and if this Community Impact Statement will be scheduled at a future meeting. Neighborhood Council board members are volunteers and it would be helpful if they received confirmation that you received their CIS.

The CIS process was enabled by the Los Angeles Administrative Code §Section 22.819. It provides that, "a Neighborhood Council may take a formal position on a matter by way of a Community Impact Statement (CIS) or written resolution." NCs representatives also testify before City Boards and Commissions on the item related to their CIS. If the Neighborhood Council chooses to do so, the Neighborhood Council representative must provide the Commission with a copy of the CIS or resolution sufficiently in advance for review, possible inclusion on the agenda, and posting on the Commission's website. Any information you can provide related to your agenda setting schedule is helpful to share with the NC.

If the CIS or resolution pertains to a matter *listed on the Commission's agenda*, during the time the matter is heard, the designated Neighborhood Council representative should be given an opportunity to present the Neighborhood Council's formal position. We encourage becoming familiar with the City Council's rules on the subject. At the Chair's discretion, the Neighborhood Council representative may be asked to have a seat at the table (or equivalent for a virtual meeting) typically reserved for City staff and may provide the Neighborhood Council representative more time than allotted to members of the general public. They are also permitted up to five (5) minutes of time to address the legislative body. If the CIS or resolution pertains to a matter *not listed on the agenda*, the designated Neighborhood Council representative may speak during General Public Comments.

We share this information to assist you with the docketing neighborhood council items before your board/commission. If you have questions and/or concerns, please contact the Department of Neighborhood Empowerment at empowerla@lacity.org.

Summary: Thursday, September 26, 2024 CF File #24-0867 Neighborhood Council Bylaws At a regularly scheduled board meeting on Wednesday, September 18th, 2024 the following motion passed unanimously, 18 - yay, 0 - nay. Motion: HHWNC opposes CF-Council File # 24-0867 - NEIGHBORHOOD COUNCIL BYLAWS (Rodriguez – Hernandez) to amend NC By Laws to Enforce Term Limits on Neighborhood Councils and also Require Youth Chair seat on NC Boards. Motion passed Unanimously 18 yay – 0 nay. For clarification, in support of the Motion, the Board opposes the amendments to the Term Limits and Youth Chair items outlined in CF #24-0867. Re: Term Limits: The difficulty drawing

candidates to NC boards who have the time and commitment to fulfill these requirements is impossible to over emphasize. Keeping trained board members who have learned the ropes of serving and the numerous citywide contacts as well as developed relationships with community members, council district members and staff, DONE reps in all areas is essential to running effective NCs is difficult. These board members keep the meetings civilized and active and show up – allowing for meetings to continue with quorums being met. Re: Youth Chair: HHWNC has had a youth chair representative in the past. The 16-year-old had problems with the length of the meetings. His mother had to accompany him as chaperone. She was concerned over the area's crime risk, and the hours. The youth was missing family dinner time, sports activities and time to complete homework and the opportunity to interact with his friends, family and schoolmates. The young man resigned. HHWNC has a COMMUNITY-YOUTH Chair position which works with our two elementary schools as well as NPG opportunities to help our youth. Also in many other ways. All our seats are open to 18 and above now for election. We believe that is the minimum age that should be required to fill a board seat realistically and fairly for our dedicated board. Sincerely, Anastasia Mann
