RE: AUTHORIZE THE EXECUTION OF A CONTRACT BETWEEN THE DEPARTMENT OF ANIMAL SERVICES AND THE AMERICAN SOCIETY FOR THE PREVENTION OF CRUELTY TO ANIMALS (ASPCA) FOR THE OPERATION OF CHESTERFIELD SQUARE ANIMAL SERVICES CENTER'S ON-SITE SPAY/NEUTER CLINIC

SUMMARY

On September 22, 2020, the Board of Animal Services Commissioners (Board) approved a board report to establish an On-Call Spay/Neuter Services List for Los Angeles Animal Services' On-Site Spay/Neuter Clinics, Spay/Neuter Mobile Clinics, and Spay/Neuter Support Services (List) from the responses to the Request for Qualifications (RFQ) #38862. The Board directed the Los Angeles Animal Services Department (Department) to issue Task Order Solicitations (TOS) from the List when contracts become available and authorized the Department's General Manager to issue contracts via the TOS process.

On March 16, 2021, the Department was granted authority by the Mayor's Office to execute a contract for the operation of the Chesterfield Square Animal Services Center's On-Site Spay/Neuter Clinic, as part of the cost containment protocol.

The Department completed the TOS process for operation of the On-site Spay/Neuter Clinic located at the Chesterfield Square Animal Services Center on March 30, 2021.

Please find the September 22, 2020 adopted board report attached for your reference.

Report to the Board of Animal Services Commissioners

MEETING DATE: September 22, 2020

PREPARED BY: Catherine Chico

REPORT DATE: September 17, 2020

TITLE: Senior Management Analyst II

SUBJECT: REPORT FROM THE GENERAL MANAGER TO ESTABLISH THE ON-CALL SPAY/NEUTER SERVICES LIST FOR LOS ANGELES ANIMAL SERVICES' SPAY/NEUTER CLINICS, SPAY/NEUTER MOBILE CLINICS, AND SPAY/NEUTER SUPPORT SERVICES FROM THE RESPONSES TO THE REQUEST FOR QUALIFICATIONS (RFQ) #38862

BOARD ACTION RECOMMENDED:

1. **AUTHORIZE** the General Manager to establish the on-call spay/neuter services list for Los Angeles Animal Services' (Department) spay/neuter clinics, spay/neuter mobile clinics, and spay/neuter support services from the responses to the Request for Qualifications (RFQ) #38862;
2. **DIRECT** the General Manager to issue Task Order Solicitations (TOS) to the established on-call spay/neuter services lists, as needed, when spay/neuter services or a contract becomes available; and
3. **AUTHORIZE** the General Manager to issue contracts via the TOS process to provide the Department with spay/neuter clinic operators, spay/neuter mobile clinic operators, and spay/neuter support services when a contract becomes available from the established on-call spay/neuter and support services list.

BACKGROUND:

On January 28, 2020, the Board of Animal Services Commissioners (Board) authorized the Department to issue an RFQ with the intent to establish an on-call spay/neuter services list. The General Manager was directed to report back to the Board with the list of qualified service providers.

The RFQ was released on February 19, 2020, to solicit Statements of Qualifications (SOQs) for the on-call spay/neuter services list. The opportunity closed on June 1, 2020. The Department received eight (8) SOQs by the submission deadline. Two (2) SOQs were submitted late due to COVID-19

pandemic related issues. Three evaluators were assigned from the Department to evaluate the SOQs. They completed their evaluations on September 9, 2020.

*Late submissions

The On-Call Spay/Neuter List of Providers is comprised of three (3) separate components reflecting RFQ respondents' service interests related to on-site spay/neuter clinic operations, mobile spay/neuter clinic operations, and/or spay/neuter support services (i.e., high volume spay/neuter services, etc.).

Due to submission delays caused by the COVID-19 pandemic, the Amanda Foundation's and the ASPCA's SOQ's were submitted late. The Department recommends authorization to include both the Amanda Foundation and the ASPCA in the On-Call Spay/Neuter List of Providers. This action takes into account the unexpected hurdles caused by the pandemic while ensuring the Department has adequate resources to meet our critical spay/neuter service needs.

Based on the responses to the advertised RFQ, the following is the Department's recommended list for various, on-call spay/neuter services:

Report to the Board of Animal Services Commissioners

SUBJECT: REPORT FROM THE GENERAL MANAGER TO ESTABLISH THE ON-CALL SPAY/NEUTER SERVICES LIST FOR LOS ANGELES ANIMAL SERVICES' SPAY/NEUTER CLINICS, MOBILE CLINICS, AND SUPPORT SERVICES FROM THE RESPONSES TO THE REQUEST FOR QUALIFICATIONS (RFQ) #38862

ON-CALL SPAY/NEUTER LIST OF PROVIDERS

1	The American Society for the Prevention of Cruelty to Animals (ASPCA)
2	Spay Neuter Project Los Angeles (SNP LA)
3	FixNation (Cats Only)
4	Western University of Health Sciences College of Veterinary Medicine
5	Heaven on Earth Society for Animals
6	Value Vet

MOBILE SPAY/NEUTER CLINIC OPERATIONS	
1	The Amanda Foundation
2	SPAY4LA, Inc.
3	The Lucy Pet Foundation
4	Western University of Health Sciences College of Veterinary Medicine
5	Family Veterinary

SPAY/NEUTER SUPPORT SERVICES	
1	The Amanda Foundation
2	Spay Neuter Project Los Angeles (SNP LA)
3	FixNation (Cats Only)
4	Western University of Health Sciences College of Veterinary Medicine

The recommended On-Call Spay/Neuter List of Providers will be valid for five years and will be re-opened at the 2 ½ year point to allow for additional respondents to be added to the list.

In order to minimize service impacts, upon approval of the proposed On-Call Spay/Neuter List of Operators, the Department will issue TOSs for the upcoming expiring contracts and will continue to issue TOSs as the need arises from the established On-Call Spay/Neuter List of Operators.

Steps for establishing a contract from the on-call spay/neuter list are as follows:

1. Department issues a TOS at the time service is needed and maintains the ability to issue a TOS based upon one of the following methodologies as detailed in the RFQ:
 - a. Issue a TOS to the first respondent on the list;
 - b. Issue a TOS to the first three (3) respondents;
 - c. Issue a TOS to the entire list;
 - d. Issue a TOS to selected respondents; or
 - e. Assign a sole source TOS to a specific respondent. A sole source proposal may only be solicited after approval is granted by both the General Manager and Board of Animal Services Commission.
2. Department receives and reviews TOS response(s).
3. Department selects proposer(s) and initiates the City's contracting process (i.e., City Attorney review of contract, Council approval, etc.).

SUBJECT: REPORT FROM THE GENERAL MANAGER TO ESTABLISH THE ON-CALL SPAY/NEUTER SERVICES LIST FOR LOS ANGELES ANIMAL SERVICES' SPAY/NEUTER CLINICS, MOBILE CLINICS, AND SUPPORT SERVICES FROM THE RESPONSES TO THE REQUEST FOR QUALIFICATIONS (RFQ) #38862

The intent of this request is to ensure sufficient spay/neuter resources are available to meet the Department's needs, reduce the amount of time it takes to obtain critical spay/neuter contractual services, reduce the amount of time it takes to replace underperforming or non-performing contractors, make it easier for prospective contractors to be placed on up to three (3) separate on-call lists at the same time, and streamline our internal contracting process.

FISCAL IMPACT:

There is no impact to the General Fund as all funding is provided by the Animal Sterilization Fund which is funded through licensing and adoption fees, annual budgetary allocations, and donations.
