

MOTION

B13

The Universal - North Hollywood and Studio City Protection Account in the Council District 2 Real Property Trust Fund provides funding for neighborhood protection projects within North Hollywood and Studio City.

The Bureau of Street Lighting is coordinating LED lighting upgrades to underpass lighting locations along the US-101 corridor. This effort is of special benefit to the residents of Los Angeles and Council District 2 and deserves financial assistance from this special fund to accelerate the timeline for conversion.

Sufficient funds are available in the Universal - North Hollywood and Studio City Protection Account in the Council District 2 Real Property Trust Fund for this purpose.

I THEREFORE MOVE that \$20,000 in the Universal - North Hollywood and Studio City Protection Account in the Council District 2 Real Property Trust Fund No 684-10K002 be transferred to the Bureau of Street Lighting Fund No 100/84/001010 for lighting upgrades at the US-101 overcrossing at Moorpark Street and Colfax Avenue

I FURTHER MOVE that the Bureau of Street Lighting be authorized to make any technical corrections or clarifications to the above fund transfer instructions in order to effectuate the intent of this motion.
