Council File No: 20-0941

Comments for Public Posting: I would like the council to consider converting the Travelodge at 18606 Normandie Ave, Gardena into a homeless shelter. Per the file it states prospective residents will not be exited due to substance abuse or mental illness. I am concerned for the safety of the surrounding community. There is a local elementary and high school less than a mile from the site. Also, the property line is shared with residential homes. If project is implemented the prospective tenants should be vetted. We already have long response times when reporting crimes, and this will overburden the Harbor Division LAPD.
