RECOMMENDATIONS

That the Mayor:

1. Approve Los Angeles World Airports (LAWA) Board Resolution No. 28091 authorizing a proposed 60-month office lease with United Airlines, Inc. for 3,616 square feet of space in the LAWA-owned Skyview Center, generating approximately \$45,156 in net revenues during the first year and \$559,357 over the total lease term, and further approve appropriations of \$38,011.71 for broker commissions and \$36,160 for tenant improvements;
2. Adopt the California Environmental Quality Act (CEQA) determinations of the January 16, 2025 Board of Airport Commissioners (Board) Resolution No. 28091, that this action is exempt from the CEQA pursuant to Article III Class 1 (18)(c) and (e) and Article III, Class 1 (1) of the Los Angeles City CEQA Guidelines; and
3. Authorize the LAWA Chief Executive Officer, or designee, to execute the proposed agreement upon approval as to form by the City Attorney and approval by the Council.

SUMMARY

The Los Angeles World Airports (LAWA) Board of Airport Commissioners (Board) requested approval of its January 16, 2025 Resolution No. 28091 (Attachment 1) authorizing a proposed 60-month lease with United Airlines, Inc. (referred to as "United Airlines" or "Tenant") for 3,616 square feet of space in Suite 800 of the LAWA-owned office building known as Skyview Center located at 6033 West Century Boulevard, Los Angeles.

United Airlines has been conducting operations in Suite 1000 of the Skyview Center with 10,534 square feet of office space since December 2013. The tenant has been occupying the premises on holdover status since the expiration of its previous lease on February 28, 2022. During negotiations for a new lease, United Airlines requested a smaller office space at Skyview Center to downsize their operations.

The proposed lease will convert United Airlines' month-to-month tenancy to a fixed 60-month term, which will commence after tenant improvements of new paint and carpet are completed in the new suite. The proposed lease will expire on the last day of the calendar month that is the 60th month after the lease commencement date. The proposed lease will generate approximately \$45,156 in net revenue during the first year after deducting \$38,011.71 for broker commissions and \$36,160 for tenant improvements. The total anticipated net revenue is \$559,300 over the full term, which includes three percent annual rent increases.

The proposed lease is subject to approval as to form by the Office of the City Attorney. Pursuant to Charter Section 606 and Los Angeles Administrative Code 10.5, the lease is subject to Council approval due to the cumulative term of the agreement exceeding five years. Our Office has reviewed the request and recommends approval.

BACKGROUND

On May 21, 2013, the Board approved the acquisition of the Skyview Center. The property includes two commercial office buildings totaling 412,153 square feet – 206,679 of rentable square feet at 6033 West Century Boulevard and 205,474 of rentable square feet at 6053 West Century Boulevard, one shared parking structure, and one adjacent flat parking lot at 6101 and 6151 West 98th Street. The premises primarily serves as office space and parking for tenants and guests.

Skyview Center Occupancy and Leasing Status – Skyview Center has a 94 percent occupancy rate, or 386,859 square feet of used office space, which includes 137,733 square feet, or 33 percent occupied by LAWA, and a six percent vacancy rate, or 25,294 square feet available for lease. The vacant space is actively marketed by LAWA and the Skyview Center's property management and leasing agent, Colliers International Real Estate Management Services, Inc. (referred to as "Colliers"), to prospective tenants.

Tenant History and Lease Status – United Airlines has been conducting its operations in 10,534 square feet in Suite 1000 of the Skyview Center located at 6033 West Century Boulevard since December 2013. The tenant's original 59-month lease, LAA-8794, expired in December 2018. The term of the subsequent 39-month lease, LAA-9054, expired on February 28, 2022. Since March 1, 2022, United Airlines has been occupying the premises on a month-to-month basis while LAWA staff and Colliers negotiated the terms specified in the proposed lease. Additional time was needed for United Airlines to determine the size of their operations post-COVID.

New Lease Negotiations – On January 16, 2025 and January 22, 2025, the Board approved a LAWA staff report and Resolution No. 28091 requesting authority to execute a new proposed 60-month lease with United Airlines for a reduced 3,616 square feet of office space in Suite 800 of

the Skyview Center at 6033 West Century Boulevard, Los Angeles.

Office Space Reduction – Due to fewer projects and reduced in-office staff working at LAWA, United Airlines requested to downsize its office space by relocating from 10,534 square feet on the 10th floor to 3,616 square feet on the 8th floor of the Skyview Center located at 6033 West Century Boulevard. This 66 percent reduction in space better aligns with the airline’s current operational needs, with the current number of projects and staff required to work onsite. The proposed reduction would allow United Airlines to maintain a more cost-effective footprint while still accommodating its essential in-office personnel.

Lease Revenues and Expenses – The proposed terms and conditions of the lease include a current base rental rate starting at \$2.75 per square foot, and increasing to \$3.10 per square foot, which includes three percent annual increases. As the landlord of the Skyview Center, LAWA pays for operating expenses including utilities, janitorial services, building maintenance and security, management fees, and taxes. Article 4 of the proposed lease in Attachment 1 details the method of calculating the “Tenant’s Share” of operating expenses each year to determine if United Airlines owes LAWA any additional rent exceeding the base rent. At no time will the calculations of possible additional rent change the amount of the base rent. The proposed 60-month lease will generate \$45,156.29 in the first year after deducting \$38,011.71 for broker commissions and \$36,160 for tenant improvements. The total net revenue will be \$559,357 over the 60-month term, including automatic three percent annual base rental rate adjustments.

Table 1 below summarizes the proposed lease’s annual net revenues including the annual three percent base rental rate increases, and the deductions for broker commissions and tenant improvements in the first year.

| Table 1: Proposed 60-Month Lease with United Airlines, Inc./Resolution No. 28091 Revenues and Expenses Including Annual Three Percent Rental Rate Adjustment | | | | | | |

Other Key Terms of the Lease – United Airlines has the option to rent up to 11 parking passes between the building parking structure and the surface parking lot on 98th Street. The tenant shall pay for the parking passes it obtains monthly at the prevailing rate. These passes are for the exclusive use of United Airlines’ personnel and may not be transferred, assigned, subleased or alienated without LAWA’s prior approval.

Tenant Improvements – LAWA negotiated a fair market tenant improvement allowance of \$10 per

rental square foot for United Airlines' new 3,616 square-foot space in Suite 800, totaling a maximum allowance of \$36,160. Under the agreement, LAWA will fund essential infrastructure upgrades including new ceiling grids and lighting, and if necessary, make HVAC and Fire Life Safety System upgrades to this suite as required by code.

CITY COMPLIANCE

Small Business Enterprise (SBE), Local Business Enterprise (LBE), Local Small Business Enterprise (LSBE), and Disabled Veterans Business Enterprise (DVBE) Participation – The Department indicates that the City's Business Enterprise program participation requirements are not applicable to leases.

Charter Section 1022 – Lease agreements are not subject to the provisions of Charter Section 1022 on the use of independent contractors.

California Environmental Quality Act (CEQA) – The Department has determined that the issuance of permits, leases, agreements, berth and space assignments, and renewals, amendments, or extensions thereof, or other entitlements granting use of existing airport facilities and office space, or its operations, is exempt from CEQA requirements pursuant to Article III, Class 1 (18)(c) and (e) of the Los Angeles CEQA Guidelines. The Department has also determined that interior or exterior alterations involving remodeling or minor construction where there is negligible or no expansion of use is exempt from CEQA requirements pursuant to Article III, Class 1(1) of the Los Angeles City CEQA Guidelines.

The proposed lease includes provisions to ensure compliance with applicable City Ordinances, contracting, and insurance requirements. The proposed lease is subject to approval as to form by the Office of the City Attorney. In accordance with Charter Section 606 and Los Angeles Administrative Code Section 10.5(c), the proposed lease requires Council approval due to the total term of the lease exceeding five years. Our Office has reviewed the request and recommends approval.

FISCAL IMPACT STATEMENT

Approval of the proposed lease between the Los Angeles World Airports and United Airlines, Inc. at the Skyview Center will result in annual rent revenue of \$45,156.29 during the first year, and \$559,357 over the 60-month term of the lease, including automatic annual rental rate adjustments. The lease also includes appropriations of \$38,011.71 for broker commissions and \$36,160 for tenant improvements. The standard expenses associated with the proposed lease will be appropriated from the Los Angeles World Airports' LAX Revenue Fund, while the net revenue generated through the lease will be deposited into the same Fund. The recommendations in this report comply with the Los Angeles World Airports' adopted Financial Policies. Approval of the proposed lease agreement will have no impact on the City's General Fund.

SUBJECT

Request to adopt the following report; to approve and execute the proposed 60-month lease with United Airlines, Inc. for office space in the Los Angeles World Airports-owned Skyview Center located at 6033 West Century Boulevard, which will generate approximately \$559,300 in net revenue over the term; and to appropriate funds in the amount of \$38,011.71 for broker commissions and \$36,160 for tenant improvements.

DISCUSSION

1. Purpose

The proposed Office Lease with United Airlines, Inc. (United Airlines) will create a new 60-month lease to retain an existing tenant in good standing in the Skyview Center office buildings.

2. Prior Related Actions/History of Board Actions

- **May 21, 2013 – Resolution No. 2519**

The Board of Airport Commissioners (Board) approved the acquisition of Skyview Center, a two-building office complex consisting of approximately 412,153 square feet of class A office space.

- **November 14, 2013 – Resolution No. 25262 (LAA-8794)**

The Board approved a 59-month lease with United Airlines at Skyview Center. A subsequent 59-month lease (LAA-9054) was also approved in December 2018 and expired in February 2022.

- **July 7, 2022 – Resolution No. 27530 (DA-5560)**

The Board approved a seven-year Property Management and Leasing Agreement with Colliers International Real Estate Management Services, Inc. (Colliers) for both Skyview Center at 6053 W. Century Boulevard and for Aviation Plaza in Van Nuys for an amount not to exceed \$2,500,000.

3. Background

Los Angeles World Airports (LAWA) purchased the two-building Skyview Center (Skyview) office complex in 2013. Los Angeles World Airports currently occupies 137,733 square feet of Skyview Center. There will be 25,924 square feet of remaining office space available for lease to the public once additional LAWA staff relocate to Skyview. Los Angeles World Airports and Colliers are actively marketing the remaining units to prospective tenants.

United Airlines has been at Skyview since 2013 and has been on holdover status since March 1, 2022. More time was needed during negotiations for United Airlines to determine the future size of their operations at Skyview post-COVID.

4. Current Action/Rationale

United Airlines ultimately decided to downsize their operations at Skyview, and LAWA identified a smaller suite that can accommodate their request. Colliers and LAWA staff then negotiated the terms of the proposed lease with United Airlines, which includes a rental rate of \$2.75 per square foot with three percent annual increases. Terms of this rate are negotiated based on the tenant, size and condition of the office space, and market conditions.

In accordance with LAWA's leasing incentives, the proposed lease provides a tenant improvement allowance of \$36,160, which is the equivalent of \$10 per square foot, to update the new suite into which United Airlines will move. No rental abatement was negotiated.

5. Fiscal Impact

Approval of this item will generate \$559,357 of revenue to LAWA over the 60-month term after broker commissions and tenant improvements are deducted.

6. Alternatives Considered

- ***Take No Action/Deny Request to Approve the Office Lease***

Taking no action is not recommended, as failing to approve the proposed lease will risk the loss of the tenant, which would then result in the potential loss of revenue to LAWA.

- ***Lease Space to Another Tenant***

No other parties have expressed interest in the space, and no prospective tenants are known to exist for these premises.

APPROPRIATIONS

Staff request that the Board appropriate funds in the amount of \$38,011.71 for broker commissions and \$36,160 for tenant improvements as approved in the Property Management and Leasing Agreement with Colliers at Aviation Plaza and Skyview.

STANDARD PROVISIONS

The Board is hereby requested to adopt staff's determination that this item, involving issuance of permits, leases, agreements, berth and space assignments, and renewals, amendments, or extensions thereof, or other entitlements granting use of existing airport facilities and office space, or its operations, is exempt from California Environmental Quality Act (CEQA) requirements pursuant to Article III, Class 1 (18)(c) and (e) of the Los Angeles City CEQA Guidelines. And, interior or exterior alterations involving remodeling or minor construction where there be negligible or no expansion of use is exempt from CEQA requirements pursuant to Article III, Class 1 (1) of the Los Angeles City CEQA Guidelines

The proposed document(s) is/are subject to approval as to form by the City Attorney.

Actions taken on this item by the Board of Airport Commissioners will become final pursuant to the provisions of Los Angeles City Charter Section 606.

ARTICLE 1

PREMISES, BUILDING, PROJECT, AND COMMON AREAS

1.1 Premises, Building, Project, and Common Areas.

1.1.1 **The Premises.** Landlord hereby leases to Tenant and Tenant hereby leases from Landlord the premises set forth in Section 2.2 of the Summary (the "**Premises**"). The outline of the Premises is set forth in **Exhibit A** attached hereto and each floor or floors of the Premises has approximately the number of rentable square feet as set forth in Section 2.2 of the Summary. The parties hereto agree that the lease of the Premises is upon and subject to the terms, covenants and conditions herein set forth, and Tenant covenants as a material part of the consideration for this Lease to keep and perform each and all of such terms, covenants and conditions by it to be kept and performed and that this Lease is made upon the condition of such performance. The parties hereto hereby acknowledge that the purpose of **Exhibit A** is to show the approximate location of the Premises in the "Building," as that term is defined in Section 1.1.2 below, only, and such Exhibit is not meant to constitute an agreement, representation or warranty as to the construction of the Premises, the precise area thereof or the specific location of the "Common Areas," as that term is defined in Section 1.1.2 below, or the elements thereof or of the accessways to the Premises or the "Project," as that term is defined in Section 1.1.2 below. Except as specifically set forth in this Lease and in the Tenant Work Letter, **Exhibit B**, Tenant shall accept the Premises and the Building in their "AS-IS" condition as of the date on which Landlord delivers the Premises to Tenant; and Landlord shall not be obligated to provide or pay for any improvement work or services related to the improvement of the Premises. Tenant also acknowledges that Landlord has made no representation or warranty regarding the condition of the Premises, the Building or the Project or with respect to the suitability of any of the foregoing for the conduct of Tenant's business, except as specifically set forth in this Lease and the Tenant Work Letter. The taking of possession of the Premises by Tenant shall conclusively establish that the Premises and the Building were at such time in good and sanitary order, condition, and repair.

1.1.2 **The Building and The Project; Common Areas.** The Premises are a part of the building set forth in Section 2.1 of the Summary (the "**Building**"). The term "**Project**," as used in this Lease, shall mean (i) the Building, (ii) the Common Areas, and (iii) at Landlord's discretion, any additional real property, areas, land, buildings or other improvements added thereto which are adjacent to the Building or the Common Areas. Tenant shall have the non-exclusive right to use in common with other tenants in the Project, and subject to the rules and regulations referred to Article 5 of this Lease, those portions of the Project which are provided, from time to time, for use in common by Landlord, Tenant and any other tenants of the Project (such areas, together with such other portions of the Project designated by Landlord, in its discretion, including certain areas designated for the exclusive use of certain tenants, or to be shared by Landlord and certain tenants, are collectively referred to herein as the "**Common Areas**.")

1.2 **Stipulation of Rentable Square Feet of Premises and Building.** Landlord and Tenant hereby stipulate to the "rentable square feet" of the Building and Premises as set forth in Sections 2.1 and 2.2 of the Summary, and agree that the rentable square feet of the Premises and the rentable square feet of the Building shall not be subject to remeasurement or modification for purposes of this Lease.

ARTICLE 2

LEASE TERM; NO OPTION TERM

2.1 **In General.** The terms and provisions of this Lease shall be effective as of the date of this Lease except for the provisions of this Lease relating to the payment of Rent. The term of this Lease (the "Lease Term") shall be as set forth in Section 3.1 of the Summary, shall commence on the date set forth in Section 3.2 of the Summary (the "Lease Commencement Date"), and shall terminate on the date determined in accordance with Section 3.3 of the Summary (the "Lease Expiration Date") unless this Lease is sooner terminated as hereinafter provided.

2.2 **No Option Term.** Landlord has not granted Tenant any options to extend the Lease Term.

ARTICLE 3

BASE RENT; NO ABATEMENT

3.1 **In General.** Tenant shall pay, without prior notice or demand, to Landlord or Landlord's agent at the address set forth in Section 4.2 of the Summary, or, at Landlord's option, at such other place as Landlord may from time to time designate in writing, by a check or wire transfer for currency which, at the time of payment, is legal tender for private or public debts in the United States of America, base rent ("Base Rent") as set forth in Section 4 of the Summary, payable in equal monthly installments as set forth in Section 4 of the Summary in advance on or before the first day of each and every calendar month during the Lease Term, without any setoff or deduction whatsoever. The Base Rent for the first full month of the Lease Term shall be paid at the time of Tenant's execution of this Lease. If any Rent payment date (including the Lease Commencement Date) falls on a day of the month other than the first day of such month or if any payment of Rent is for a period which is shorter than one month, the Rent for any fractional month shall accrue on a daily basis for the period from the date such payment is due to the end of such calendar month or to the end of the Lease Term at a rate per day which is equal to 1/365 of the applicable annual Rent. All other payments or adjustments required to be made under the terms of this Lease that require proration on a time basis shall be prorated on the same basis.

3.2 **No Base Rent Abatement.** Landlord and Tenant hereby agree and acknowledge that no abatement of Base Rent has been granted to Tenant during the Term of this Lease and Tenant shall pay the full amount of Base Rent under the terms and conditions of this Lease.

ARTICLE 4

ADDITIONAL RENT

4.1 **General Terms.** In addition to paying the Base Rent specified in Article 3 of this Lease, Tenant shall pay "Tenant's Share" of the annual "Direct Expenses," as those terms are defined in Sections 4.2.6 and 4.2.2 of this Lease, respectively, which are in excess of the amount of Direct Expenses applicable to the "Base Year," as that term is defined in Section 4.2.1 below; provided, however, that in no event shall any decrease in Direct Expenses for any Expense Year below Direct Expenses for the Base Year entitle Tenant to any decrease in Base Rent or any credit against sums due under this Lease. Such payments by Tenant, together with any and all other amounts payable by Tenant to Landlord pursuant to the terms of this Lease, are hereinafter collectively referred to as the "Additional Rent," and the Base Rent and the Additional Rent are herein collectively referred to as "Rent." All amounts due under this Article 4 as Additional Rent shall be payable for the same periods and in the same manner as the Base Rent. Without limitation on other obligations of Tenant which survive the expiration of the Lease Term, the obligations of Tenant to pay the Additional Rent provided for in this Article 4 shall survive the expiration of the Lease Term.

4.2 **Definitions of Key Terms Relating to Additional Rent.** As used in this Article 4, the following terms shall have the meanings hereinafter set forth:

4.2.1 "Base Year" shall mean the period set forth in Section 5 of the Summary.

4.2.2 "Direct Expenses" shall mean "Operating Expenses" and "Tax Expenses."

4.2.3 "Expense Year" shall mean each calendar year in which any portion of the Lease Term falls, through and including the calendar year in which the Lease Terms expires.

4.2.4 "Operating Expenses" shall mean all expenses, costs and amounts of every kind and nature which Landlord pays or accrues during any Expense Year because of or in connection with the ownership, management, maintenance, security, repair, replacement, restoration or operation of the Project, or any portion thereof. Without limiting the generality of the foregoing, Operating Expenses shall specifically include any and all of the following: (i) the cost of supplying all utilities, the costs of operating, repairing, maintaining, and renovating the utility, telephone, mechanical, sanitary, storm drainage, and elevator systems, and the cost of maintenance and service contracts in connection therewith; (ii) the cost of licenses, certificates, permits and inspections and the cost of contesting any governmental enactments which may affect Operating Expenses, and the costs incurred in connection with a transportation system management program or similar program; (iii) the costs of all insurance carried by Landlord or the property manager of Landlord in connection with the Project in such amounts as Landlord may reasonably determine or as may be required by any mortgagees or lessor of any underlying or ground lease affecting the Project and/or Building; (iv) the cost of landscaping, relamping, all supplies, tools, equipment and materials used in the operation, repair, and maintenance of the project, or any portion thereof; (v) costs incurred in connection with the parking areas servicing the project; (vi) fees and other costs, including management fees, consulting fees, legal fees and accounting fees, of all contractors and consultant in connection with the management, operation, maintenance or security of the Project, and employer's Social Security taxes, unemployment taxes or insurance, and any other taxes which may be levied on such wages, salaries, compensation and benefits; provided, that if any employees of Landlord provide services for more than one project of Landlord, then a prorated portion of such employees' wages, benefits and taxes shall be included in Operating Expenses based on the portion of their working time devoted to the project; (vii) payments under any equipment rental agreements and the fair rental value of any management office space and the cost of furnishings of such management office space; (viii) wages, salaries and other compensation and benefits, including taxes levied thereon, of all person engaged in the operation, maintenance and security of the Project; (ix) costs under any instrument pertaining to the sharing of costs by the Project; (x) operation, repair, maintenance and replacement of all systems and equipment and components thereof of the Building; (xi) the cost of janitorial, alarm, security and other services, replacement of wall and floor coverings, ceiling tiles and fixtures in common areas, maintenance and replacement of curbs and walkways, repair to roofs and re-roofing; (xii) amortization (including interest on the unamortized cost) of the cost of acquiring or the rental expense of personal property used in the maintenance, operation and repair of the Project, or any portion thereof; (xiii) the cost of capital improvements or other costs incurred in connection with the Project (A) which are intended to effect economies in the operation or maintenance of the Project, or any portion thereof, (B) which are replacements or modifications of nonstructural items located in the Project required to keep the Project in good order or condition, or (C) that are required under any governmental law or regulation; provided, however, that any capital expenditure shall be amortized with interest over the lesser of its useful life or, if applicable, the period of time in which the savings from such capital expenditure is equal to or greater than the costs of the capital expenditure, as Landlord shall reasonably determine; (xiv) costs, fees, charges or assessments imposed by, or resulting from any mandate imposed on Landlord by

any federal, state, or local government for fire and police protection, trash removal, community services, or other services which do not constitute "Tax Expenses" as that term is defined in Section 4.2.5 below; and (xv) payments under any easement, license, operating agreements, declaration, restrictive covenant, or instrument pertaining to the sharing of costs by the Building.

Notwithstanding the foregoing, Direct Expenses shall not include: (a) capital expenditures not described in clauses (xii) or (xiii) above, (in addition, any capital expenditures shall be included in Direct Expenses only if paid or accrued after the Base Year and shall be amortized (including actual or imputed interest on the amortized cost) over such period of time as Landlord shall reasonably determine); (b) depreciation; (c) principal payments of mortgage or other non-operating debts of Landlord; (d) costs of repairs to the extent Landlord is reimbursed by insurance or condemnation proceeds; (e) costs of leasing space in the Building, including brokerage commissions, lease concessions, rental abatements and ~~construction allowances granted to specific tenants~~; (f) costs of selling, financing or refinancing the Building; ~~or late payment of~~ (g) fines, penalties or interest resulting from late payment of Taxes or Expenses; (h) organizational ~~expenses of creating or operating the entity that constitutes Landlord~~; (i) damages paid to Tenant hereunder ~~in respect to~~ or to other tenants of the Building under their respective leases; (j) tax penalties for late payments due to ~~the fault of Landlord~~; or (k) any costs resulting from Landlord's gross negligence or willful misconduct.

If Landlord is not furnishing any particular work or service (the costs of which, if performed by Landlord, would be included in Operating Expenses) to a tenant who has undertaken to perform such work or service in lieu of the performance thereof by Landlord, Operating Expenses shall be deemed to be increased by an amount equal to the additional Operating Expenses which would reasonably have been incurred during such period by Landlord if it had at its own expense furnished such work or service to such tenant. If the Project is not at least one hundred percent (100%) occupied during all or a portion of the Base Year or any Expense Year, Landlord may elect to make an appropriate adjustment to the components of Operating Expenses for such year to determine the amount of Operating Expenses that would have been incurred had the Project been one hundred percent (100%) occupied; and the amount so determined shall be deemed to have been the amount of Operating Expenses for such year. Operating Expenses for the Base Year shall not include market-wide labor-rate increases due to extraordinary circumstances, including, but not limited to, acts of war or terrorism, boycotts and strikes, and utility rate increases due to extraordinary circumstances including, but not limited to, acts of war or terrorism, conservation surcharges, boycotts, embargoes or other shortages, or amortized costs relating to capital improvements.

4.2.5 Taxes.

4.2.5.1 "Tax Expenses" shall mean all federal, state, county, or local governmental or municipal taxes, fees, charges or other impositions of every kind and nature, whether general, special, ordinary or extraordinary (including, without limitation, real estate taxes, general and special assessments, transit taxes, leasehold taxes or taxes based upon receipt of rent, including gross receipts or sales taxes applicable to the receipt of rent, unless required to be paid by Tenant, personal property taxes imposed upon the fixtures, machinery, equipment, apparatus, systems and equipment, appurtenances, furniture and other personal property used in connection with the Project, or any portion thereof), which shall be paid or accrued during any Expense Year (without regard to any different fiscal year used by such governmental or municipal authority) because of or in connection with the ownership, leasing and operation of the Project, or any portion thereof. In accordance with California Revenue and Taxation Code Section 107.6(a), Landlord states that by Tenant's executing this Lease and accepting the benefits thereof, a property interest may be created known as a "possessory interest" that is subject to property taxation, which possessory interest tax shall be included as part of Tax Expenses herein.

4.2.5.2 Tax Expenses shall include, without limitation, any assessment, tax, fee, levy or charge in addition to, or in substitution, partially or totally, of any assessment, tax, fee, levy or charge previously included within the definition of real property tax, it being acknowledged by Tenant and Landlord that Proposition 13 was adopted by the voters of the State of California in the June 1978 election ("Proposition 13") and that assessments, taxes, fees, levies and charges may be imposed by governmental agencies for such services as fire protection, street, sidewalk and road maintenance, refuse removal and for other governmental services formerly provided without charge to property owners or occupants, and, in further recognition of the decrease in the level and quality of governmental services and amenities as a result of Proposition 13, Tax Expenses shall also include any governmental or private assessments or the Project's contribution towards a governmental or private cost-sharing agreement for the purpose of augmenting or improving the quality of services and amenities normally provided by governmental authorities.

4.2.5.3 Any costs and expenses (including, without limitation, reasonable attorneys' fees) incurred in attempting to protest, reduce, or minimize Tax Expenses shall be included in Tax Expenses in the Expense Year such expenses are paid. Except as set forth in Section 4.2.5.4 below, refunds of Tax Expenses shall be credited against Tax Expenses and refunded to Tenant regardless of when received, based on the Expense Year to which the refund is applicable, provided that in no event shall the amount to be refunded to Tenant for any such Expense Year exceed the total amount paid by Tenant as Additional Rent under this Article 4 for such Expense Year. If Tax Expenses for any period during the Lease Term or any extension thereof are increased after payment thereof for any reason, including, without limitation, error or reassessment by applicable governmental or municipal authorities, Tenant shall pay Landlord upon demand Tenant's Share of any such increased Tax Expenses included by Landlord as Tax Expenses pursuant to this Lease. Notwithstanding anything to the contrary contained in this Section 4.2.5 (except as set forth in Section 4.2.5.1 above), there shall be excluded from Tax Expenses (i) all excess profits taxes, franchise taxes, gift taxes, and other taxes to the extent applicable to Landlord's general or net income (as opposed to rents, receipts or income attributable to operations at the Project), (ii) any items included as Operating Expenses, and (iii) any items paid by Tenant under Section 4.5 of this Lease.

4.2.5.4 Notwithstanding anything to the contrary set forth in this Lease, the amount of Tax Expenses for the Base Year and any Expense Year shall be calculated without taking into account any decreases in real estate taxes obtained in connection with Proposition 8, and, therefore, the Tax Expenses in the Base Year and/or an Expense Year may be greater than those actually incurred by Landlord, but shall, nonetheless, be the Tax Expenses due under this Lease; provided that (i) any costs and expenses incurred by Landlord in securing any Proposition 8 reduction shall not be included in Direct Expenses for purposes of this Lease, and (ii) tax refunds under Proposition 8 shall not be deducted from Tax Expenses, but rather shall be the sole property of Landlord. Landlord and Tenant acknowledge that this Section 4.2.5.4 is not intended to in any way affect (A) inclusion in Tax Expenses of the statutory two percent (2%) annual increase in Tax Expenses (as such statutory increase may be modified by subsequent legislation), or (B) the inclusion or exclusion of Tax Expenses pursuant to the terms of Proposition 13, which shall be governed pursuant to the terms of Sections 4.2.5.1 through 4.2.5.3 above.

4.2.6 "Tenant's Share" shall mean the percentage calculated by multiplying the number of rentable square feet of the Premises by 100 and dividing the product by the total rentable square feet of the Building, which is anticipated to be as set forth in Section 6 of the Summary.

4.3 Allocation of Direct Expenses.

4.3.1 **Method of Allocation.** The parties acknowledge that the Building is a part of a multi-building project and that the costs and expenses incurred in connection with the Project (i.e. the Direct Expenses) should be shared between the tenants of the Building and the tenants of the other building in the Project. Accordingly, as set forth in Section 4.2 above, Direct Expenses (which consists of Operating Expenses and Tax Expenses) are determined annually for the Project as a whole, and a portion of the Direct Expenses, which portion shall be determined by Landlord on an equitable basis, shall be allocated to the tenants of the Building (as opposed to the tenants of any other buildings in the Project) and such portion shall be the Direct Expenses for purposes of this Lease. Such portion of Direct Expenses allocated to the tenants of the Building shall include all Direct Expenses attributable solely to the Building and an equitable portion of Direct Expenses attributable to the Project as a whole.

4.3.2 **Costs Pools.** Landlord shall have the right, from time to time, to equitably allocate some or all of the Direct Expenses for the Building and Project among different portions or occupants of the Building and Project, including retail and office areas (the "Cost Pools"), in Landlord's reasonable discretion. The Direct Expenses within each such Cost Pool shall be allocated and charged to the tenants within such Cost Pool in an equitable manner.

4.4 **Calculation and Payment of Additional Rent.** If for any Expense Year ending or commencing within the Lease Term, Tenant's Share of Direct Expenses for such Expense Year exceeds Tenant's Share of Direct Expenses applicable to the Base Year, then Tenant shall pay to Landlord, in the manner set forth in Section 4.4.1 below, and as Additional Rent, an amount equal to the excess (the "Excess"). If for any Expense Year ending or commencing within the Lease Term, Tenant's Share of the Direct Expenses for such Expense Year is less than Tenant's Share of Direct Expenses for the Base Year, then Tenant shall receive a credit in the amount of Tenant's overpayment against Additional Rent next due under the Lease, or to a refund if no further installments are then due.

4.4.1 **Statement of Actual Direct Expenses and Payment by Tenant.** Landlord shall endeavor to give to Tenant following the end of each Expense Year, a statement (the "Statement") which shall state the Direct Expenses incurred or accrued for such preceding Expense Year, and which shall indicate Tenant's Share of the Excess. Upon receipt of the Statement for each Expense Year commencing or ending during the Lease Term, Tenant shall pay, with its next installment of Base Rent due, the full amount of Tenant's Share of the Excess for such Expense Year, less the amounts, if any, paid during such Expense Year as "Estimated Direct Expenses," as that term is defined in Section 4.4.2 below; and if Tenant paid more as Estimated Direct Expenses than the actual Tenant's Share of the Excess, Tenant shall receive a credit in the amount of Tenant's overpayment against Rent next due under this Lease, or a refund if no further Rent installments are then due. The failure of Landlord to timely furnish the Statement for any Expense Year shall not prejudice Landlord or Tenant from enforcing its rights under this Article 4. Even though the Lease Term has expired and Tenant has vacated from the Premises, when the final determination is made of Tenant's Share of the Excess for the Expense Year in which this Lease terminates, if an Excess is present, Tenant shall, within thirty (30) days following receipt of the Statement, pay to Landlord such amount, and if Tenant paid more as Estimated Direct Expenses than the actual Tenant's Share of the Excess, Landlord shall, within forty-five (45) days deliver a check payable to Tenant in the amount of the overpayment. The provisions of this Section 4.4.1 shall survive the expiration or earlier termination of the Lease Term. Provided in all cases, that Landlord notifies Tenant within two (2) years from the expiration or termination of the Lease Term in case Landlord seeks to recover such Excess from Tenant.

4.4.2 **Statement of Estimated Direct Expenses.** Landlord shall endeavor to give Tenant a yearly expense estimate statement (the "Estimate Statement") which shall set forth Landlord's

reasonable estimate (the "**Estimate**") of what the total amount of Direct Expenses for the then-current Expense Year shall be and the estimated Tenant's Share of the Excess (the "**Estimated Direct Expenses**"). The failure of Landlord to timely furnish the Estimate Statement for any Expense Year shall not preclude Landlord from enforcing its rights to collect any Estimated Direct Expenses under this Article 4, nor shall Landlord be prohibited from revising any Estimate Statement or Estimated Direct Expenses theretofore delivered to the extent necessary. Thereafter, Tenant shall pay, with its next installment of Base Rent due, a fraction of the Estimated Direct Expenses for the then-current Expense Year (reduced by any amounts already paid pursuant to the last sentence of this Section 4.4.2). Such fraction shall have as its numerator the number of months which have elapsed in such current Expense Year, including the month of such payment, and twelve (12) as its denominator. Until a new Estimate Statement is furnished (which Landlord shall have the right to deliver to Tenant at any time), Tenant shall pay monthly, with the monthly Base Rent installments, an amount equal to one-twelfth (1/12) of the total Estimated Direct Expenses set forth in the previous Estimate Statement delivered by Landlord to Tenant.

4.5 Taxes and Other Charges for Which Tenant is Directly Responsible.

4.5.1 Tenant shall be liable for and shall pay ten (10) days before delinquency, taxes levied against Tenant's equipment, furniture, fixtures and any other personal property located in or about the Premises. If any such taxes on Tenant's equipment, furniture, fixtures and any other personal property are levied against Landlord or Landlord's property or if the assessed value of Landlord's property is increased by the inclusion therein of a value placed upon such equipment, furniture, fixtures or any other personal property and if Landlord pays the taxes based upon such increased assessment, which Landlord shall have the right to do regardless of the validity thereof but only under proper protest if requested by Tenant, Tenant shall upon demand repay to Landlord the taxes so levied against Landlord or the proportion of such taxes resulting from such increase in the assessment, as the case may be.

4.5.2 If the tenant improvements in the Premises, whether installed and/or paid by Landlord or Tenant and whether or not affixed to the real property so as to become a part thereof, are assessed for real property tax purposes at a valuation higher than the valuation at which tenant improvements conforming to Landlord's "building standard" in other space in the Building are assessed, then the Tax Expenses levied against Landlord or the property by reason of such excess assessed valuation shall be deemed to be taxes levied against personal property of Tenant and shall be governed by the provisions of Section 4.5.1 above.

4.5.3 Notwithstanding any contrary provision herein, Tenant shall pay prior to delinquency any (i) rent tax or sales tax, service tax, transfer tax or value added tax, or any other applicable tax on the rent or services herein or otherwise respecting this Lease; (ii) taxes assessed upon or with respect to the possession, leasing, operation, management, maintenance, alteration, repair, use or occupancy by Tenant of the Premises or any portion of the Project, including the parking facilities for the Project; or (iii) taxes assessed upon this transaction or any document to which Tenant is a party creating or transferring an interest or an estate in the Premises.

4.6 **Landlord's Books and Records.** Within one hundred and twenty (120) days after receipt of a Statement by Tenant, if Tenant disputes the amount of Additional Rent set forth in such Statement, at Tenant's option, either (i) an independent certified public accountant (which accountant is a member of a nationally or regionally recognized accounting firm and is not working on a contingency fee basis), or (ii) an internal auditor of Tenant designated by Tenant, may, at Tenant's sole costs and expense and after at least thirty (30) days prior written notice to Landlord and at reasonable times, but not more than once in any Lease Year, inspect Landlord's records with respect to the Statement at Landlord's offices, provided that

Tenant is not then default under this Lease and Tenant has paid all amounts required to be paid under the applicable Estimate Statement and Statement, as the case may be. In connection with such inspection, Tenant and Tenant's agents must agree in advance to follow Landlord's reasonable rules and procedures regarding inspections of Landlord's records. Subject to the terms and conditions of this Section 4.6, Tenant shall have a one-time right to inspect Landlord's records for the Base Year, which inspection shall be performed concurrently with Tenant's first inspection of Landlord's records in connection with Tenant's first audit of any Expense Year. Landlord agrees to use commercially reasonable efforts to cooperate with Tenant and/or Tenant's accountant in connection with any such inspection. Tenant's failure to dispute the amount of Additional Rent set forth in any Statement within one hundred and twenty (120) days of Tenant's receipt of such Statement shall be deemed to be Tenant's approval of such Statement and Tenant, thereafter, waives the right or ability to dispute the amounts set forth in such Statement. If after such inspection, Tenant still disputes such Additional Rent, Landlord and Tenant shall meet in order to resolve the dispute. If Landlord and Tenant are unable to resolve the dispute, a determination as to the proper amount shall be made by an independent certified public accountant (the "Accountant") mutually agreed upon by Landlord and Tenant. Tenant shall be responsible for all costs of the Accountant, provided that if such determination by the Accountant proves that Direct Expenses were overstated by more than two percent (2%), then the reasonable costs of the Accountant shall be paid for by Landlord. If such audit or review by the Accountant reveals that Landlord has overcharged or undercharged Tenant, then within thirty (30) days after the results of such Audit, Landlord shall reimburse Tenant the amount of the overcharge, plus interest thereon at the "Interest Rate," as defined in Article 25 below, or Tenant shall pay to Landlord the amount of the undercharge, plus interest thereon at the Interest Rate, as applicable. Tenant hereby acknowledges that Tenant's sole right to inspect Landlord's books and records and to contest the amount of Direct Expenses payable by Tenant shall be as set forth in this Section 4.6, and Tenant hereby waives any and all other rights pursuant to Applicable Law to inspect such books and records and/or to contest the amount of Direct Expenses payable by Tenant.

ARTICLE 5

USE OF PREMISES

5.1 **Permitted Use.** Tenant shall use the Premises solely for general office purposes consistent with the character of the Building as a first-class office building and Tenant shall not use or permit the Premises or the Project to be used for any other purpose or purposes whatsoever without the prior written consent of Landlord, which shall not be unreasonably withheld.

5.2 **Prohibited Uses.** The uses prohibited under this Lease shall include, without limitation, use of the Premises or a portion thereof for (i) offices of any agency or bureau of the United States or any state or political subdivision thereof; (ii) offices or agencies of any foreign governmental or political subdivision thereof; (iii) offices of any health care professionals or service organization; (iv) schools or other training facilities which are not ancillary to corporate, executive or professional office use; (v) retail or restaurant uses; (vi) communications firms such as radio and/or television stations, or (vii) an executive suites subleasing business or operation. Tenant shall not allow occupancy density of use of the Premises which is greater than the average density of other tenants of the Building. Tenant further covenants and agrees that Tenant shall not use, or suffer or permit any person or persons to use, the Premises or any part thereof for any use or purpose contrary to the provisions of the Rules and Regulations set forth in **Exhibit D**, attached hereto, as the same may be amended by Landlord from time to time, or in violation of the laws of the United States of America, the State of California, or the ordinances, regulations or requirements of the local municipal or county governing body or other lawful authorities having jurisdiction over the Project, including, without limitation, any such laws, ordinances, regulations or requirements relating to hazardous

materials or substances, as those terms are defined by applicable laws now or hereafter in effect. Tenant shall not do or permit anything to be done in or about the Premises which will in any way damage the reputation of the Project or obstruct or interfere with the rights of other tenants or occupants of the Building, or injure or annoy them or use or allow the Premises to be used for any improper, unlawful or objectionable purpose, nor shall Tenant cause, maintain or permit any nuisance in, on or about the Premises. Tenant shall comply with all recorded covenants, conditions, and restrictions now or hereafter affecting the Project and any rules, regulations and restrictions contained therein or promulgated thereunder.

ARTICLE 6

SERVICES AND UTILITIES

~~6.1~~ **Standard Tenant Services.** Landlord shall provide the following services on all days (unless otherwise stated below) during the Lease Term.

~~6.1.1~~ **Subject to limitations imposed by all governmental rules, regulations and guidelines, applicable thereto, Landlord shall provide heating, ventilation, and air conditioning ("HVAC") when necessary for normal comfort for normal office use in the Premises from 8:00 A.M. to 6:00 P.M. Monday through Friday, and on Saturdays from 9:00 A.M. to 1:00 P.M. (collectively, the "Building Hours"), except for the date of observation of New Year's Day, Presidents' Day, Memorial Day, Independence Day, Labor Day, Thanksgiving Day, Christmas Day and, at Landlord's discretion, other locally or nationally recognized holidays (collectively, the "Holidays").**

~~6.1.2~~ Landlord shall provide adequate electrical wiring and facilities for normal general office use and electricity at levels consistent with normal general office use, as reasonably determined by Landlord. Tenant shall bear the cost of replacement of lamps, starters and ballasts for non-Building standard lighting fixtures within the Premises.

~~6.1.3~~ Landlord shall provide city water from the regular Building outlets for drinking, lavatory and toilet purposes in the Common Areas.

~~6.1.4~~ Landlord shall provide janitorial services to the Premises except on the date of observation of the Holidays, in and about the Premises and window washing services in a manner consistent with other comparable buildings in the vicinity of the Building.

~~6.1.5~~ Landlord shall provide nonexclusive, non-attended automatic passenger elevator service during the Building Hours, except on Holidays, and shall have one elevator available at all other times.

~~6.1.6~~ Landlord shall provide nonexclusive freight elevator service subject to scheduling by Landlord.

Tenant shall cooperate fully with Landlord at all times and abide by all regulations and requirements that Landlord may reasonably prescribe for the proper functioning and protection of the HVAC, electrical, mechanical and plumbing systems.

~~6.2~~ **Overstandard Tenant Use.** Tenant shall not, without Landlord's prior written consent, use heat-generating machines, machines other than normal fractional horsepower office machines, or equipment or lighting other than Building standard lights in the Premises, which may affect the temperature

otherwise maintained by the air conditioning system or increase the water normally furnished for the Premises by Landlord pursuant to the terms of Section 6.1 of this Lease. If such consent is given, Landlord shall have the right to install supplementary air conditioning units or other facilities in the Premises, including supplementary or additional metering devices, and the cost thereof, including the cost of installation, operation and maintenance, increased wear and tear on existing equipment and other similar charges, shall be paid by Tenant to Landlord upon billing by Landlord. If Tenant uses water, electricity, heat or air conditioning in excess of that supplied by Landlord pursuant to Section 6.1 of this Lease, or if Tenant shall install and/or operate in the Premises any equipment which shall have an electrical consumption greater than that of normal general office equipment, or which, consistent with the practices of the landlords of comparable first-class office buildings located in the vicinity of the Building, are considered to be high electricity consumption equipment, Tenant shall pay to Landlord, upon billing, the cost of such excess consumption, the cost of the installation, operation, and maintenance of equipment which is installed in order to supply excess consumption, and the cost of the increased wear and tear on existing equipment caused by such excess consumption; and Landlord may install devices to separately meter any increased use and in such event Tenant shall pay the increased costs directly to Landlord, on demand, at the rates charged by the public utility company furnishing the same, including the cost of such additional metering devices. Tenant's use of electricity shall never exceed the capacity of the feeders to the Project or the risers or wiring installation. If Tenant desires to use heat, ventilation or air conditioning during hours other than those for which Landlord is obligated to supply such utilities pursuant to the terms of Section 6.1 of this Lease, Tenant shall give Landlord such prior notice, if any, as Landlord shall from time to time establish as appropriate in order to supply such utilities, of Tenant's desired use and Landlord shall supply such utilities to Tenant at such hourly cost to Tenant (which shall be treated as Additional Rent) as Landlord shall from time to time reasonably establish in a nondiscriminatory manner.

6.3 Interruption of Use. Tenant agrees that Landlord shall not be liable for damages, by abatement of Rent or otherwise, for failure to furnish or delay in furnishing any service (including telephone and telecommunication services), or for any diminution in the quality or quantity thereof, when such failure or delay or diminution is occasioned, in whole or in part, by breakage, repairs, replacements, or improvements, by any strike, lockout or other labor trouble, by inability to secure electricity, gas, water or other fuel at the Building or Project after reasonable effort to do so by Landlord, by any riot or other dangerous condition, emergency, accident or casualty whatsoever, by act or default of Tenant or other parties, or by any other cause; and such failures or delays or diminution shall never be deemed to constitute an eviction or disturbance of Tenant's use and possession of the Premises or relieve Tenant from paying Rent or performing any of its obligations under this Lease. Furthermore, Landlord shall not be liable under any circumstances for a loss of, or injury to, property or for injury to, or interference with, Tenant's business, including, without limitation, loss of profits, however occurring, through or in connection with or incidental to a failure to furnish any of the services or utilities as set forth in this Article 6. Notwithstanding the foregoing, if Tenant is unable to use the Premises for the ordinary conduct of Tenant's business due solely to an interruption of any of the services or utilities resulting from Landlord's willful misconduct or gross negligence, and such a condition continues for a period in excess of fifteen (15) consecutive calendar days after (i) Tenant furnishes a notice to Landlord (the "Abatement Notice") stating that Tenant's inability to use the Premises is solely due to such condition, (ii) Tenant does not actually use or occupy the Premises during such period for the ordinary conduct of its business, and (iii) such condition has not resulted from the negligence or misconduct of Tenant, then rent shall be abated on a per diem basis for the period commencing on the fifteenth (15) calendar day after Tenant delivers the Abatement Notice to Landlord and ending on the date on which such condition is substantially remedied by Landlord.

6.4 Access Control; Tenant's Security System. Landlord shall provide, as part of Operating Expenses to the extent permitted under Article 4 above, reasonable access control services for the Building

seven (7) days per week, twenty-four (24) hours per day, in a manner materially consistent with comparable buildings in the vicinity of the Building (subject to reasonable adjustments as determined by Landlord based upon the relative size of the Project vis-à-vis the size of the comparable buildings in the vicinity of the Building). Notwithstanding the foregoing, Landlord shall in no event be liable for personal injury or property damage for any error with regard to the admission to, or exclusion from, the Building or Project of any person. Tenant may, at its own expense, install its own security system ("**Tenant's Security System**") in the Premises pursuant to the terms of Article 8 below (including, without limitation, the requirement that Tenant must obtain Landlord's reasonable prior approval for Tenant's installation of Tenant's Security System). Except as specifically set forth below, in no event shall Tenant's Security System tie into the Building security systems; provided that Tenant's Security System may include a key card access system for the Premises which operates on the same type of key card as the Building systems. Tenant shall be solely responsible, at Tenant's sole cost and expense, for the monitoring, operation and removal of Tenant's Security System. Tenant shall provide Landlord with any information reasonably required regarding Tenant's Security System. At Landlord's option, upon the expiration or earlier termination of the Lease Term, Landlord may require Tenant to remove Tenant's Security System and repair all damage to the Building resulting from such removal, at Tenant's sole cost and expense.

ARTICLE 7

REPAIRS

Tenant shall, at Tenant's own expense, pursuant to the terms of this Lease, including without limitation Article 8 hereof, keep the Premises, including all improvements, fixtures, furnishings therein, in good order, repair and condition at all times during the Lease Term. In addition, Tenant shall, at Tenant's own expense, but under the supervision and subject to the prior approval of Landlord, and within any reasonable period of time specified by Landlord, pursuant to the terms of this Lease, including without limitation Article 8 hereof, promptly and adequately repair all damage to the Premises and replace or repair all damaged, broken, or worn fixtures and appurtenances, except for damage caused by ordinary wear and tear beyond the reasonable control of Tenant; provided however, that, at Landlord's option, or if Tenant fails to make such repairs, Landlord may, but need not, make such repairs and replacements, and Tenant shall pay Landlord the cost thereof, including a percentage of the cost thereof (to be uniformly established for the Building and/or the Project) sufficient to reimburse Landlord for all overhead, general conditions, fees and other costs or expenses arising from Landlord's involvement with such repairs and replacements forthwith upon being billed for same. Landlord may, but shall not be required to, enter the Premises at all reasonable times to make such repairs, alterations, improvements, or additions to the Premises or to the Project or to any equipment located in the Project as Landlord shall desire or deem necessary or as Landlord may be required to do by governmental or quasi-governmental authority or court order or decree. Tenant hereby waives any and all rights under the benefits of subsection 1 of Section 1932 and Sections 1941 and 1942 of the California Civil Code or under any similar law, statute, or ordinance now or hereafter in effect. Notwithstanding anything to the contrary contained herein, Landlord shall at its own cost and expense, be responsible for maintaining, repairing and replacing all of the structural portions of the Premises, including, but not limited to, the roof and exterior structural walls of the Premises, the footings and foundations, the floor slab and other structural supports of the Building, and any and all repairs and replacements that qualify as a capital expense under generally accepted accounting principles.

ARTICLE 8

ADDITIONS AND ALTERATIONS

8.1 **Landlord's Consent to Alterations.** Tenant may not make any improvements, alterations, additions or changes to the Premises or any mechanical, plumbing or HVAC facilities or systems pertaining to the Premises (collectively, the "Alterations") without first procuring the prior written consent of Landlord to such Alterations, which consent shall be requested by Tenant not less than thirty (30) days prior to the commencement thereof, and which consent shall not be unreasonably withheld by Landlord, provided it shall be deemed reasonable for Landlord to withhold its consent to any Alteration which adversely affects the structural portions or the systems or equipment of the Building or is visible from the exterior of the Building. The construction of the initial improvements to the Premises shall be governed by the terms of the Tenant Work Letter and not the terms of this Article 8.

8.2 **Manner of Construction.** Landlord may impose, as a condition of its consent to any and all Alterations or repairs of the Premises or about the Premises, such requirements as Landlord in its sole discretion may deem desirable, including, but not limited to, (i) the requirement that Tenant utilize for such purposes only contractors, subcontractors, materials, mechanics and materialmen selected by Tenant from a list provided and approved by Landlord; (ii) the requirement that upon Landlord's request, Tenant shall, at Tenant's expense, remove such Alterations upon the expiration or any early termination of the Lease Term, and (iii) the requirement that all Alterations conform in terms of quality and style to the building's standards established by Landlord. If such Alterations will involve the use of or disturb hazardous materials or substances existing in the Premises, Tenant shall comply with Landlord's rules and regulations concerning such hazardous materials or substances. Landlord's approval of the plans, specifications and working drawings for Tenant's Alterations shall create no responsibility or liability on the part of Landlord for their completeness, design sufficiency, or compliance with all Laws. Tenant shall construct such Alterations and perform such repairs in a good workmanlike manner, in conformance with any and all applicable federal, state, county or municipal laws, rules and regulations and pursuant to a valid building permit, issued by the City of Los Angeles, all in conformance with Landlord's construction rules and regulations and the plans and specifications previously approved by Landlord. In the event Tenant performs any Alterations in the Premises which require or give rise to governmentally required changes to the "Base Building," as that term is defined below, then Landlord shall, at Tenant's expense, make such changes to the Base Building. The "Base Building" shall include the structural portions of the Building, and the public restrooms and the Building systems and equipment located in the internal core of the Building. In performing the work of any such Alterations, Tenant shall have the work performed in such manner so as not to obstruct the business of Landlord or other tenants in the Project. Tenant shall not use (and upon notice from Landlord shall cease using) contractors, services, workmen, labor, materials or equipment that, in Landlord's reasonable judgment, would disturb labor harmony with the workforce or trades engaged in performing other work, labor or services in or about the Building or the Common Areas. In addition to Tenant's obligations under Article 9 of this Lease, upon completion of any Alterations, Tenant agrees to cause a Notice of Completion to be recorded in the office of the Recorder of the County of Los Angeles in accordance with Section 8182 of the California Civil Code or any successor statute and furnish a copy thereof to Landlord upon recordation, and timely give all notices required pursuant to Section 3259.5 of the California Civil Code or any successor statute (failing which, Landlord may itself execute and file such Notice of Completion and give such notices on behalf of Tenant as Tenant's agent for such purpose), and Tenant shall deliver to the Project management office a reproducible copy of the "as built" drawings of the Alterations as well as all permits, approvals and other documents issued by any government agency in connection with the Alterations.

8.3 **Payment for Improvements.** If payment is made directly to contractors, Tenant shall comply with Landlord's requirements for final lien releases and waivers in connection with Tenant's payment for work to contractors. Whether or not Tenant orders any work directly from Landlord, Tenant shall pay to

Landlord a percentage of the cost of such work sufficient to compensate Landlord for all overhead, general conditions, fees and other costs and expenses arising from Landlord's involvement with such work.

8.4 **Construction Insurance.** In addition to the requirements of Article 10 of this Lease, in the event that Tenant makes any Alterations, prior to the commencement of such Alterations, Tenant shall provide Landlord with evidence that Tenant carries "Builder's All Risk" insurance in an amount approved by Landlord covering the construction of such Alterations, and such other insurance as Landlord may require, it being understood and agreed that all of such Alterations shall be insured by Tenant pursuant to Article 10 of this Lease immediately upon completion thereof. In addition, Landlord may, in its discretion, require Tenant to obtain a lien and completion bond or some alternate form of security satisfactory to Landlord in an amount sufficient to ensure the lien-free completion of such Alterations and naming Landlord as co-obligee.

8.5 **Landlord's Property.** All Alterations, improvements, fixtures, equipment and/or appurtenances which may be installed or placed in or about the Premises, from time to time, shall be at the sole cost of Tenant and shall become the property of Landlord. Landlord may, however, by written notice to Tenant prior to the end of the Lease Term, or by written notice following any earlier termination of this Lease, require Tenant, at Tenant's expense to remove any Alterations or improvements in the Premises and to repair any damage to the Premises and Building caused by such removal and return the affected portion of the Premises to a building standard tenant improved condition as determined by Landlord. If Tenant fails to complete such removal and/or to repair any damage caused by the removal of any Alterations or improvements in the Premises, and return the affected the portion of the Premises to a building standard tenant improved condition as determined by Landlord, then at Landlord's option, either (A) Tenant shall be deemed to be holding over in the Premises and Rent shall continue to accrue in accordance with the terms of Article 16 below, until such work shall be completed, or (B) Landlord may do so and charge the cost thereof to Tenant. Tenant hereby protects, defends, indemnifies and holds Landlord harmless from any liability, cost, obligation, expense or claim of lien in any manner relating to the installation, placement, removal or financing of any such Alterations, improvements, fixtures and/or equipment in, on or about the Premises, which obligations of Tenant shall survive the expiration or earlier termination of this Lease.

ARTICLE 9

COVENANT AGAINST LIENS

Tenant shall keep the Project and Premises free from any liens or encumbrances arising out of the work performed, materials furnished or obligations incurred by or on behalf of Tenant, and shall protect, defend, indemnify and hold Landlord harmless from and against any claims, liabilities, judgments or costs (including, without limitation, reasonable attorneys' fees and costs) arising out of same or in connection therewith. Tenant shall give Landlord notice at least twenty (20) days prior to the commencement of any such work on the Premises (or such additional time as may be necessary under applicable laws) to afford Landlord the opportunity of posting and recording appropriate notices of non-responsibility. Tenant shall remove any such lien or encumbrance by bond or otherwise within five (5) days after notice by Landlord, and if Tenant shall fail to do so, Landlord may pay the amount necessary to remove such lien or encumbrance, without being responsible for investigating the validity thereof. The amount so paid shall be deemed Additional Rent under this Lease payable upon demand, without limitation as to other remedies available to Landlord under this Lease. Nothing contained in this Lease shall authorize Tenant to do any act which shall subject Landlord's title to the Building or Premises to any liens or encumbrances whether claimed by operation of law or express or implied contract. Any claim to a lien or encumbrance upon the

Building or Premises arising in connection with any such work or respecting the Premises not performed by or at the request of Landlord shall be null and void, or at Landlord's option shall attach only against Tenant's interest in the Premises and shall in all respects be subordinate to Landlord's title to the Project, Building and Premises.

ARTICLE 10

INSURANCE

10.1 Indemnification and Waiver. Tenant hereby assumes the risk of damage to property or injury to persons in, upon or about the Premises from any cause whatsoever and agrees that Landlord, its members, partners, subpartners and their respective officers, agents, servants, employees, and independent contractors (collectively, "**Landlord Parties**") shall not be liable for, and are hereby released from any responsibility for, any damage either to person or property or resulting from the loss of use thereof, which damage is sustained by Tenant or by other person claiming through Tenant, except in instances where the damage resulted from the Landlord Parties' gross negligence or willful misconduct. Tenant shall indemnify, defend, protect, and hold harmless Landlord and/or the Landlord Parties from any and all third-party loss, cost, damage, expense and liability (including without limitation actual court costs and reasonable attorneys' fees) incurred in connection with or arising from any cause in, on or about the Premises; any violation of any of the requirements, ordinances, statutes, regulations or other laws, including, without limitation, any environmental laws, any acts, omissions or negligence of Tenant or of any person claiming by, through or under Tenant, or of the contractors, agents, servants, employees, invitees, guests or licensees of Tenant or any such person, in, on or about the Project, either prior to, during, or after the expiration of the Lease Term, provided that the terms of the foregoing indemnity shall not apply to the extent of the gross negligence or willful misconduct of Landlord. Further, Tenant's agreement to indemnify Landlord pursuant to this Section 10.1 is not intended to and shall not relieve any insurance carrier of its obligations under policies required to be carried by Tenant pursuant to the provisions of this Lease, to the extent such policies cover the matters subject to Tenant's indemnification obligations; nor shall they supersede any inconsistent agreement of the parties set forth in any other provision of this Lease. The provisions of this Section 10.1 shall survive the expiration or sooner termination of this Lease with respect to any claims or liability arising in connection with any event occurring prior to such expiration or termination.

10.2 Tenant's Compliance with Landlord's Fire and Casualty Insurance. Tenant shall, at Tenant's expense, comply with all insurance company requirements pertaining to the use of the Premises. If Tenant's conduct or use of the Premises causes any increase in the premium for such insurance policies then Tenant shall reimburse Landlord for any such increase. Tenant, at Tenant's expense, shall comply with all rules, orders, regulations or requirements of the American Insurance Association (formerly the National Board of Fire Underwriters) and with any similar body.

10.3 Tenant's Insurance. Tenant shall maintain the following coverages in the following amounts.

10.3.1 Commercial General Liability Insurance covering the insured against claims of bodily injury, personal injury and property damage (including loss of use thereof) arising out of Tenant's operations, and contractual liabilities (covering the performance by Tenant of its indemnity agreements) including a Broad Form endorsement covering the insuring provisions of this Lease and the performance by Tenant of the indemnity agreements set forth in Section 10.1 of this Lease, for limits of liability not less than:

| | |
|--|---|
| Bodily Injury and Property Damage Liability | \$3,000,000 each occurrence \$3,000,000 annual aggregate |
| Personal Injury Liability | \$3,000,000 each occurrence \$3,000,000 annual aggregate |

10.3.2 Special Form (Causes of Loss) Property Insurance covering (i) all office furniture, business and trade fixtures, office equipment, free-standing cabinet work, movable partitions, merchandise and all other items of Tenant's property on the Premises installed by, for, or at the expense of Tenant, (ii) the "Tenant Improvements," as that term is defined in Article 1 of the Tenant Work Letter, and any other improvements which exist in the Premises as of the Lease Commencement Date (excluding the Base Building) (the "**Original Improvements**"), and (iii) all Alterations. Such insurance shall be for the full replacement cost (subject to reasonable deductible amounts) new without deduction for depreciation of the covered items and in amounts that meet any co-insurance clauses of the policies of insurance that shall include coverage for damage or other loss caused by fire or other peril including, but not limited to, vandalism and malicious mischief, theft, water damage of any type, including sprinkler leakage, bursting or stoppage of pipes, and explosion, and providing business interruption coverage for a period of one year.

10.3.3 Worker's Compensation and Employer's Liability or other similar insurance pursuant to all applicable state and local statutes and regulations.

10.3.4 Automobile Liability covering owned, non-owned, and hired auto for limits of liability of not less than \$1,000,000 per occurrence.

Tenant shall carry and maintain during the entire Lease Term, at Tenant's sole cost and expense, increased amounts of the insurance required to be carried by Tenant pursuant to this Article 10 and such other reasonable types of insurance coverage and in such reasonable amounts covering the Premises and Tenant's operations therein, as may be reasonably requested by Landlord.

10.4 **Form of Policies.** The minimum limits of policies of insurance required of Tenant under this Lease shall in no event limit the liability of Tenant under this Lease. Such insurance shall (i) name Landlord, Landlord's lender, and any other party the Landlord so specifies, as an additional insured, including Landlord's managing agent, if any; (ii) specifically cover the liability assumed by Tenant under this Lease, including, but not limited to, Tenant's obligations under Section 10.1 of this Lease; (iii) be issued by an insurance company having a rating of not less than A-VIII in Best's Insurance Guide or which is otherwise acceptable to Landlord and authorized to do business in the State of California; (iv) be primary insurance as to all claims thereunder and provide that any insurance carried by Landlord is excess and in non-contributing with any insurance requirement of Tenant; (v) be in form and content reasonably acceptable to Landlord; and (vi) contain a cross-liability endorsement or severability of interest clause acceptable to Landlord; and (vii) provide that said insurance shall not be canceled or coverage changed shall have been given Landlord and any mortgagee of Landlord. Tenant shall deliver said policy or policies or certificates thereof to Landlord on or before the Lease Commencement Date and at least fifteen (15) days before the expiration dates thereof. In the event Tenant shall fail to procure such insurance, or to deliver such policies or certificate, Landlord may, at its option, procure such policies for the account of Tenant, and the cost thereof shall be paid to Landlord within five (5) days after delivery to Tenant of bills thereof.

10.5 **Subrogation.** Landlord and Tenant intend that their respective property loss risks shall be borne by reasonable insurance carriers to the extent above provided, and Landlord and Tenant hereby

agree to look solely to, and seek recovery only from, their respective insurance carriers in the event of a property loss to the extent that such loss is the result of a risk insurable under policies of property damage insurance. Notwithstanding anything to the contrary in this Lease, the parties each hereby waive all rights and claims against each other for such losses, and waive all rights of subrogation of their respective insurers, provided such waiver of subrogation shall not affect the right of the insured to recover thereunder. The parties agree that their respective insurance policies are now, or shall be, endorsed such that the waiver of subrogation shall not affect the right of the insured to recover thereunder, so long as no material additional premium is charged therefor.

ARTICLE 11

DAMAGE AND DESTRUCTION

~~Section 11.1~~ **Repair of Damage to Premises by Landlord**. Tenant shall promptly notify Landlord of any damage to the Premises resulting from fire or any other casualty. If the Premises or any Common Areas serving or providing access to the Premises shall be damaged by fire or other casualty, Landlord shall promptly and diligently, subject to reasonable delays for insurance adjustment or other matters beyond Landlord's reasonable control, and subject to all other terms of this Article 11, restore the Base Building and such Common Areas. Such restoration shall be to substantially the same condition of the Base Building and the Common Areas prior to the casualty, except for modifications required by zoning and building codes and other laws or by the holder of a mortgage on the Building or Project or any other modifications to the Common Areas deemed desirable by Landlord, provided that access to the Premises and any common restrooms serving the Premises shall not be materially impaired. Upon the occurrence of any damage to the Premises, upon notice (the "**Landlord Repair Notice**") to Tenant from Landlord, Tenant shall assign to Landlord (or to any party designated by Landlord) all insurance proceeds payable to Tenant under Tenant's insurance required under Section 10.3 of this Lease, and Landlord shall repair any injury or damage to the Tenant Improvements and Original Improvements installed in the Premises and shall return such Tenant Improvements and Original Improvements to their original condition; provided that if the cost of such repair by Landlord exceeds the amount of insurance proceeds received by Landlord from Tenant's insurance carrier, as assigned by Tenant, the costs of such repairs shall be paid by Tenant to Landlord prior to Landlord's commencement of repair of the damage. In the event that Landlord does not deliver the Landlord Repair Notice within sixty (60) days following the date the casualty becomes known to Landlord, Tenant shall, at its sole costs and expense, repair any injury or damage to the Tenant Improvements and the Original Improvements installed in the Premises and shall return such Tenant Improvements and the Original Improvements to their original condition. Whether or not Landlord delivers a Landlord Repair Notice, prior to the commencement of construction, Tenant shall submit to Landlord, for Landlord's review and approval, all plans, specifications and working drawings relating thereto, and Landlord shall select the contractors to perform such improvement work. Landlord shall not be liable for any inconvenience or annoyance to Tenant or its visitors, or injury to Tenant's business resulting in any way from such damage or the repair thereof; provided however, that if such fire or other casualty shall have damaged the Premises or Common Areas necessary to Tenant's occupancy, Landlord shall allow Tenant a proportionate abatement of Rent to the extent Landlord is reimbursed from the proceeds of rental interruption insurance purchased by Landlord as part of its Operating Expenses, during the time and to the extent the Premises are unfit for occupancy for the purposes permitted under this Lease, and not occupied by Tenant as a result thereof; provided, further, however, that if the damage or destruction is due to the negligence or willful misconduct of Tenant or any of its agents, employees, contractors, invitees or guests, Tenant shall be responsible for any reasonable, applicable insurance deductible (which shall be payable to Landlord upon demand) and there shall be no rent abatement. In the event that Landlord shall not deliver the Landlord Repair Notice, Tenant's right to rent abatement pursuant to the preceding sentence shall terminate as of

the date which is reasonably determined by Landlord to be the date Tenant should have completed the repairs to the Premises assuming Tenant used reasonable due diligence in connection therewith. Provided, however, that if Landlord does not deliver the Landlord Repair Notice as set forth in this Section 11.1, above, and thereby elects not to repair any damage to the Premises, Tenant shall not be obligated to assign to Landlord any insurance proceeds payable to Tenant.

11.2 **Landlord's Option to Repair.** Notwithstanding the terms of Section 11.1 of this Lease, Landlord may elect not to rebuild and/or restore the Premises, Building and/or Project, and instead terminate this Lease, by notifying Tenant in writing of such termination within sixty (60) days after the date of discovery of the damage, such notice to include a termination date giving Tenant sixty (60) days to vacate the Premises, but Landlord may so elect only if the Building or Project shall be damaged by fire or other casualty or cause, whether or not the Premises are affected, and one or more of the following conditions is present: (i) in Landlord's reasonable judgment, repairs cannot reasonably be completed within ninety (90) days after the discovery of the damage (when such repairs are made without the payment of overtime or other premiums); (ii) the holder of any mortgage on the Building or Project or ground lessor with respect to the Building or Project shall require that the insurance proceeds or any portion thereof be used to retire the mortgage debt, or shall terminate the ground lease, as the case may be; (iii) the damage is not fully covered by Landlord's insurance policies; or (iv) Landlord decides to rebuild the Building or Common Areas so that they will be substantially different structurally or architecturally; or (v) the damage occurs during the last twelve (12) months of the Lease Term.

11.3 **Waiver of Statutory Provisions.** The provisions of this Lease, including this Article 11, constitute an express agreement between Landlord and Tenant with respect to any and all damage to, or destruction of, all or any part of the Premises, the Building or the Project, and any statute or regulation of the State of California, including, without limitation, Section 1932(2) and 1933(4) of the California Civil Code, with respect to any rights or obligations concerning damage or destruction in the absence of an express agreement between the parties, and any other statute or regulation, now or hereafter in effect shall have no application to this Lease or any damage or destruction to all or any part of the Premises, the Building or the Project.

ARTICLE 12

NONWAIVER

No provision of this Lease shall be deemed waived by either party hereto unless expressly waived in a writing signed hereby. The waiver by either party hereto of any breach of any term, covenant or condition herein contained shall not be deemed to be a waiver of any subsequent breach of same or any other term, covenant or condition herein contained. The subsequent acceptance of Rent hereunder by Landlord shall not be deemed to be a waiver of any preceding breach by Tenant of any term, covenant or condition of this Lease, other than the failure of tenant to pay the particular Rent so accepted, regardless of Landlord's knowledge of such preceding breach at the time of acceptance of such Rent. No acceptance of a lesser amount than the Rent herein stipulated shall be deemed a waiver of Landlord's right to receive the full amount due, nor shall any endorsement or statement on any check or payment or any letter accompanying such check or payment be deemed an accord and satisfaction, and Landlord may accept such check or payment without prejudice to Landlord's right to recover the full amount due. No receipt of monies by Landlord from Tenant after the termination of this Lease shall in any way alter the length of the Lease Term or of Tenant's right of possession hereunder, or after the giving of any notice shall reinstate, continue or extend the Lease Term or affect any notice given Tenant prior to the receipt of such monies, it being agreed that after the service of notice or the commencement of a suit, or after the final judgment for

possession of the Premises, Landlord may receive and collect any Rent due, and the payment of said Rent shall not waive or affect said notice, suit or judgment.

ARTICLE 13

CONDEMNATION

If the whole or any part of the Premises, Building or Project shall be taken by power of eminent domain or condemned by any competent authority for any public or quasi-public use or purpose, or if any adjacent property or street shall be so taken or condemned, or reconfigured or vacated by such authority in such manner as to require the use, reconstruction or remodeling of any part of the Premises, Building or Project, or if Landlord shall grant a deed or other instrument in lieu of such taking by eminent domain or condemnation, Landlord shall have the option to terminate this Lease effective as of the date possession is required to be surrendered to the authority. If more than twenty-five percent (25%) of the rentable square feet of the Premises is taken, or if access to the Premises is substantially impaired, in each case for a period in excess of one hundred eighty (180) days, Tenant shall have the option to terminate this Lease effective as of the date possession is required to be surrendered to the authority. Tenant shall not because of such taking assert any claim against Landlord or the authority for any compensation because of such taking and Landlord shall be entitled to the entire award or payment in connection therewith, except that Tenant shall have the right to file any separate claim available to Tenant for any taking of Tenant's personal property and fixtures belonging to Tenant and removable by Tenant upon the expiration of the Lease Term pursuant to the terms of this Lease, and for moving expenses, so long as such claims do not diminish the award available to Landlord, its ground lessor with respect to the Building or Project or its mortgagee, and such claim is payable separately to Tenant. All Rent shall be apportioned as of the date of such termination. If any part of the Premises shall be taken, and this Lease shall not be so terminated, the Rent shall be proportionately abated. Tenant hereby waives any and all rights it might otherwise have pursuant to Section 1265.130 of the California Code of Civil Procedure. Notwithstanding anything to the contrary contained in this Article 13, in the event of a temporary taking of all or any portion of the Premises for a period of one hundred and eighty (180) days or less, then this Lease shall not terminate but the Base Rent and the Additional Rent shall be abated for the period of such taking in proportion to the ratio that the amount of rentable square feet of the Premises taken bears to the total rentable square feet of the Premises. Landlord shall be entitled to receive the entire award made in connection with any such temporary taking.

ARTICLE 14

ASSIGNMENT AND SUBLETTING

14.1 **Transfers.** Tenant shall not, without the prior written consent of Landlord, assign, mortgage, pledge, hypothecate, encumber, or permit any lien to attach to, or otherwise transfer, this Lease or any interest hereunder, permit any assignment, or other transfer of this Lease or any interest hereunder by operation of law, sublet the Premises or any part thereof, or enter into any license or concession agreements or otherwise permit the occupancy or use of the Premises or any part thereof by any persons other than Tenant and its employees and contractors (all of the foregoing are hereinafter sometimes referred to collectively as "**Transfers**" and any person to whom any Transfer is made or sought to be made is hereinafter sometimes referred to as a "**Transferee**"). If Tenant desires Landlord's consent to any Transfer, Tenant shall notify Landlord in writing, which notice (the "**Transfer Notice**") shall include (i) the proposed effective date of the Transfer, which shall not be less than thirty (30) days nor more than one hundred eighty (180) days after the date of delivery of the Transfer Notice, (ii) a description of the portion of the Premises to be transferred (the "**Subject Space**"), (iii) all of the terms of the proposed Transfer and

the consideration therefor, including the calculation of the "Transfer Premium," as that term is defined in Section 14.3 below, in connection with such Transfer, the name and address of the proposed Transferee, and an executed copy of all documentation effectuating the proposed Transfer, including all operative documents to evidence such Transfer and all agreements incidental or related to such Transfer, provided that Landlord shall have the right to require Tenant to utilize Landlord's standard Transfer documents in connection with the documentation of such Transfer, and provided further that the terms of the proposed Transfer shall provide that such proposed Transferee shall not be permitted to further assign or sublease its interest in the Subject Space and/or Lease, and (iv) current financial statements of the proposed Transferee certified by an officer, partner or owner thereof, business credit and personal references and history of the proposed Transferee and any other information required by Landlord which will enable Landlord to determine the financial responsibility, character, and reputation of the proposed Transferee, nature of such Transferee's business and proposed use of the Subject Space. Any Transfer made without Landlord's prior written consent shall, at Landlord's option, be null, void, and of no effect, and shall, at Landlord's option, constitute a default by Tenant under this Lease. Whether or not Landlord consents to any proposed Transfer, Tenant shall pay Landlord's review and processing fees (not to exceed \$3,000.00 for each proposed Transfer), as well as any reasonable professional fees (including, without limitation, attorneys', accountants', architects', engineers' and consultants' fees) incurred by Landlord, within thirty (30) days after written request by Landlord.

14.2 Landlord's Consent. Landlord shall not unreasonably withhold its consent to any proposed Transfer of the Subject Space to the Transferee on the terms specified in the Transfer Notice. Without limitation as to other reasonable grounds for withholding consent, the parties hereby agree that it shall be reasonable under this Lease and under any applicable law for Landlord to withhold consent to any proposed Transfer where one or more of the following apply:

14.2.1 The Transferee is of a character or reputation or engaged in a business which is not consistent with the quality of the Building or the Project, or would be a significantly less prestigious occupant of the Building than Tenant;

14.2.2 The Transferee intends to use the Subject Space for purposes which are not permitted under this Lease;

14.2.3 The Transferee is either a governmental agency or instrumentality thereof;

14.2.4 The Transferee is not a party of reasonable financial worth and/or financial stability in light of the responsibilities to be undertaken in connection with the Transfer on the date consent is requested;

14.2.5 The proposed Transfer would cause a violation of another lease for space in the Project, or would give an occupant of the Project a right to cancel its lease;

14.2.6 Either the proposed Transferee, or any person or entity which directly or indirectly controls, is controlled by, or is under common control with, the proposed Transferee, (i) occupies space in the Project at the time of the request for consent, or (ii) is negotiating with Landlord to lease space in the Project at such time, or (iii) has negotiated with Landlord during the three (3) month period immediately preceding the Transfer Notice.

In the calculations of the Rent paid during each annual period for the Subject Space shall be computed after adjusting such rent to the actual effective rent to be paid, taking into consideration any and

all reasonable leasehold concessions granted in connection therewith, including, but not limited to, any rent credit and tenant improvement allowance. For purposes of calculating any such effective rent all such concessions shall be amortized on a straight-line basis over the relevant term.

If Landlord consents to any Transfer pursuant to the terms of this Section 14.2 (and does not exercise any recapture rights Landlord may have under Section 14.4 of this Lease), Tenant may within six (6) months after Landlord's consent, but not later than the expiration of the said six-month period, enter into such Transfer of the Subject Space, upon substantially the same terms and conditions as are set forth in the Transfer Notice furnished by Tenant to Landlord pursuant to Section 14.1 of this Lease, provided that if there are any changes in the terms and conditions from those specified in the Transfer Notice (i) such that Landlord would initially have been entitled to refuse its consent to such Transfer under this Section 14.2, or (ii) which would cause the proposed Transfer to be more favorable to the Transferee than the terms set forth in Tenant's original Transfer Notice, Tenant shall again submit the Transfer to Landlord for its approval and other action under this Article 14 (including Landlord's right of recapture, if any, under Section 14.4 of this Lease). Notwithstanding anything to the contrary in this Lease, if Tenant or any proposed Transferee claims that Landlord has unreasonably withheld or delayed its consent under Section 14.2 or otherwise breached or acted unreasonably under this Article 14, their sole remedies shall be a declaratory judgment and an injunction for the relief sought without any monetary damages, and Tenant hereby waives all other remedies, including, without limitation, any right at law or equity to terminate this Lease, on its own behalf and, to the extent permitted under all applicable laws, on behalf of the proposed Transferee.

14.3 Transfer Premium If Landlord consents to a Transfer, as a condition thereto which the parties hereby agree is reasonable, Tenant shall pay to Landlord fifty percent (50%) of any "Transfer Premium," as that term is defined in this Section 14.3, received by Tenant from such Transferee in any particular month. "Transfer Premium" shall mean all rent, additional rent or other consideration payable by such Transferee in connection with the Transfer in excess of the Rent and Additional Rent payable by Tenant under this Lease during the term of the Transfer on a per rentable square foot basis if less than all of the Premises is transferred, after deducting the reasonable expenses incurred by Tenant for (i) any changes, alterations and improvements to the Premises in connection with the Transfer, and (ii) any market rate, third party brokerage commissions in connection with the Transfer. "Transfer Premium" shall also include, but not be limited to, key money, bonus money or other cash consideration paid by Transferee to Tenant in connection with such Transfer, and any payment in excess of fair market value for services rendered by Tenant to Transferee or for assets, fixtures, inventory, equipment, or furniture transferred by Tenant to Transferee in connection with such Transfer.

14.4 Landlord's Option as to Subject Space Notwithstanding anything to the contrary contained in this Article 14, Landlord shall have the option, by giving written notice to Tenant within thirty (30) days after receipt of any Transfer Notice, to recapture the Subject Space for the remainder of the Lease Term. Such recapture notice shall cancel and terminate this Lease with respect to the Subject Space as of the date stated in the Transfer Notice as the effective date of the proposed Transfer (or at Landlord's option, shall cause the Transfer to be made to Landlord or its agent, in which case the parties shall execute the Transfer documentation promptly thereafter). In the event of a recapture by Landlord, if this Lease shall be canceled with respect to less than the entire Premises, the Rent reserved herein shall be prorated on the basis of the number of rentable square feet retained by Tenant in proportion to the number of rentable square feet contained in the Premises, and this Lease as so amended shall continue thereafter in full force and effect, and upon request of either party, the parties shall execute written confirmation of the same. If Landlord declines, or fails to elect in a timely manner to recapture the Subject Space under this Section 14.4, then, provided Landlord has consented to the proposed Transfer, Tenant shall be entitled to proceed to transfer the Subject Space to the proposed Transferee, subject to provisions of this Article 14.

14.5 Effect of Transfer. If Landlord consents to a Transfer, (i) the terms and conditions of this Lease shall in no way be deemed to have been waived or modified, (ii) such consent shall not be deemed consent to any further Transfer by either Tenant or a Transferee, (iii) Tenant shall deliver to Landlord, promptly after execution, an original executed copy of all documentation pertaining to the Transfer in form reasonably acceptable to Landlord, (iv) Tenant shall furnish upon Landlord's request a complete statement, certified by an independent certified public accountant, or Tenant's Vice-President of Corporate Real Estate, setting forth in detail the computation of any Transfer Premium Tenant has derived and shall derive from such Transfer, and (v) no Transfer relating to this Lease or agreement entered into with respect thereto, whether with or without Landlord's consent, shall relieve Tenant or any guarantor of the Lease from any liability under this Lease, including, without limitation, in connection with the Subject Space. In no event shall any Transferee assign, sublease or otherwise encumber its interest in this Lease or further sublet any portion of the Subject Space, or otherwise suffer or permit any portion of the Subject Space to be used or occupied by others. Landlord or its authorized representatives shall have the right at all reasonable times to audit the books, records and papers of Tenant relating to any Transfer, and shall have the right to make copies thereof. If the Transfer Premium respecting any Transfer shall be found understated, Tenant shall, within thirty (30) days after demand, pay the deficiency, and if understated by more than two percent (2%), Tenant shall pay Landlord's costs of such audit.

14.6 Additional Transfers For purposes of this Lease, the term "Transfer" shall also include (i) if Tenant is a partnership, the withdrawal or change, voluntary, involuntary or by operation of law, of twenty-five percent (25%) or more of the partners, or transfer of twenty-five percent (25%) or more of partnership interests, within a twelve (12) month period, or the dissolution of the partnership without immediate reconstitution thereof, and (ii) if Tenant is a closely held corporation (i.e., whose stock is not publicly held and not traded through an exchange or over the counter), (A) the dissolution, merger, consolidation or other reorganization of Tenant or (B) the sale or other transfer of an aggregate of twenty-five percent (25%) or more of the voting shares of Tenant (other than to immediate family members by reason of gift or death), within a twelve (12) month period, or (C) the sale, mortgage, hypothecation or pledge of an aggregate of twenty-five percent (25%) or more of the value of the unencumbered assets of Tenant within a twelve (12) month period.

14.7 Occurrence of Default. Any Transfer hereunder shall be subordinate and subject to the provisions of this Lease, and if this Lease shall be terminated during the term of any Transfer, Landlord shall have the right to: (i) treat such Transfer as cancelled and repossess the Subject Space by any lawful means, or (ii) require that such Transferee attorn to and recognize Landlord as its landlord under any such Transfer. If Tenant shall be in default under this Lease, Landlord is hereby irrevocably authorized, as Tenant's agent and attorney-in-fact, to direct any Transferee to make all payments under or in connection with the Transfer directly to Landlord (which Landlord shall apply towards Tenant's obligations under this Lease) until such default is cured. Such Transferee shall rely on any representation by Landlord that Tenant is in default hereunder, without any need for confirmation thereof by Tenant. Upon any assignment, the assignee shall assume in writing all obligations and covenants of Tenant thereafter to be performed or observed under this Lease. No collection or acceptance of rent by Landlord from any Transferee shall be deemed a waiver of any provision of this Article 14 or the approval of any Transferee or a release of Tenant from any obligation under this Lease, whether theretofore or thereafter accruing. In no event shall Landlord's enforcement of any provision of this Lease against any Transferee be deemed a waiver of Landlord's right to enforce any term of this Lease against Tenant or any other person. If Tenant's obligation hereunder has been guaranteed, Landlord's consent to any Transfer shall not be effective unless the guarantor also consents to such Transfer.

14.8 **Non-Transfers.** Notwithstanding anything to the contrary contained in this Article 14, but subject to the terms and provisions of this Section 14.8, (i) an assignment to a transferee or purchaser of all or substantially all of the assets of or a majority of stock or membership interests of Tenant through a purchase, merger, consolidation or reorganization of Tenant by or with another entity (whether such acquisition takes the form of an asset sale, a stock sale or a combination thereof), (ii) an assignment of the Premises to a transferee which is the resulting entity of a merger or consolidation of Tenant with another entity, or (iii) an assignment or subletting of all or a portion of the Premises to an affiliate of Tenant (an entity which is controlled by, controls, or is under common control with, Tenant) (each an "Affiliate"), shall not be deemed a Transfer under this Article 14, provided that (A) Tenant notifies Landlord of any such assignment or sublease and promptly supplies Landlord with any documents or information reasonably requested by Landlord regarding such assignment or sublease or such affiliate; (B) such assignment or sublease is not a subterfuge by Tenant to avoid its obligations under this Lease; (C) the applicable transferee shall have assets sufficient to meet (or provide Landlord with a letter of credit or other credit enhancements sufficient to secure) such transferee's obligations under the assignment or sublease immediately after the effective date of the assignment or sublease, and shall continue to use the Premises for the Permitted Use; and (D) any such assignment or sublease shall be subject to the terms and provisions of Section 14.5 of this Lease above (but excluding subpart (iv) thereof) and the transferee shall assume, in a written document reasonably satisfactory to Landlord and delivered to Landlord prior to the effective date of such assignment, all obligations of Tenant under this Lease. "Control," as used in this Section 14.8, shall mean the ownership, directly or indirectly, of at least fifty percent (50%) or more of the voting securities of, or possession of the right to vote, in the ordinary direction of its affairs, of at least fifty percent (50%) or more of the voting interest in, any person or entity.

ARTICLE 15

SURRENDER OF PREMISES; OWNERSHIP AND REMOVAL OF TRADE FIXTURES

15.1 **Surrender of Premises.** No act or thing done by Landlord or any agent or employee of Landlord during the Lease Term shall be deemed to constitute an acceptance by Landlord of a surrender of the Premises unless such intent is specifically acknowledged in writing by Landlord. The delivery of keys to the Premises to Landlord or any agent or employee of Landlord shall not constitute a surrender of the Premises or effect a termination of this Lease, whether or not the keys are thereafter retained by Landlord, and notwithstanding such delivery Tenant shall be entitled to the return of such keys at any reasonable time upon request until this Lease shall have been properly terminated. The voluntary or other surrender of this Lease by Tenant, whether accepted by Landlord or not, or a mutual termination hereof, shall not work a merger of any subleases or subtenancies, and at the option of Landlord shall operate as an assignment to Landlord of all subleases or subtenancies affecting the Premises or terminate any or all such sublessees or subtenancies.

15.2 **Removal of Tenant Property by Tenant.** Upon the expiration of the Lease Term, or upon any earlier termination of this Lease, Tenant shall, subject to the provisions of this Article 15, quit and surrender possession of the Premises to Landlord in as good order and condition as when Tenant took possession and as thereafter improved by Landlord and/or Tenant, reasonable wear and tear and repairs which are specifically made the responsibility of Landlord hereunder excepted. Upon such expiration or termination, Tenant shall, without expense to Landlord, remove or cause to be removed from the Premises all debris and rubbish, and such items of furniture, equipment, business trade fixtures, free-standing cabinet work, movable partitions, cabling installed by or at the request of Tenant, and other articles of personal property owned by Tenant or installed or placed by Tenant at its expenses in the Premises, and such similar articles of any other persons claiming under Tenant, as Landlord may, in its sole discretion, require to be

removed, and Tenant shall repair at its own expense all damage to the Premises and Building resulting from such removal.

ARTICLE 16

HOLDING OVER

If Tenant holds over after expiration of the Lease Term or earlier termination thereof, with or without the express or implied consent of Landlord, such tenancy shall be from month-to-month only, and shall not constitute a renewal hereof or an extension for any further term, and in such case Rent shall be payable at a monthly rate equal to (i) for the first thirty (30) days of such holdover, one hundred fifty percent (150%) of the Rent applicable during the last rental period of the Lease Term under this Lease, and (ii) thereafter, two hundred percent (200%) of the Rent applicable during the last rental period of the Lease Term under this Lease. Such month-to-month tenancy shall be subject to every other applicable term, covenant and agreement contained herein. For purposes of this Article 16, a holding over shall include (i) Tenant's remaining in the Premises after the expiration or earlier termination of the Lease Term, as required pursuant to the terms of this Lease or the Tenant Work Letter, and/or (ii) Tenant's failure to remove any Alterations located within the Premises and return the affected portion of the Premises to a Building standard tenant improved condition, as required pursuant to the terms of Section 8.5 of this Lease. Nothing contained in this Article 16 shall be construed as consent by Landlord to any holding over by Tenant, and Landlord expressly reserves the right to require Tenant to surrender possession of the Premises to Landlord as provided in this Lease upon the expiration or other termination of this Lease. The provisions of this Article 16 shall not be deemed to limit or constitute a waiver of any other rights or remedies of Landlord provided herein or at law. If Tenant fails to surrender the Premises upon the termination or expiration of this Lease, in addition to any other liabilities to Landlord accruing therefrom, Tenant shall protect, defend, indemnify and hold Landlord harmless from all loss, costs (including reasonable attorneys' fees) and liability resulting from such failure, including, without limiting the generality of the foregoing, any claims made by any succeeding tenant founded upon such failure to surrender and any lost profits to Landlord resulting therefrom.

ARTICLE 17

ESTOPPEL CERTIFICATES

Tenant agrees periodically to furnish within five (5) days after so requested by Landlord, any ground lessor or the holder of any mortgage or security agreement covering the Project, the Building, the Premises or any interest of Landlord therein, a certificate signed by tenant certifying such matters with respect to this Lease and Tenant's occupancy of the Premises as may be reasonably required by Landlord, or such ground lessor or holder. Any such certificate may be relied upon by any ground lessor, prospective purchaser, secured party, or mortgagee of the Project, the Building, the Premises or any part thereof or interest of Landlord therein.

ARTICLE 18

SUBORDINATION

18.1 **In General.** Tenant covenants and agrees that this Lease is subject and subordinate to any mortgage, deed of trust, ground lease and/or security agreement which may now or hereafter encumber the Project, the Building, the Premises or any interest of Landlord therein and/or the contents of the Building,

and to any advances made on the security thereof and to any and all increases, renewals, modifications, consolidations, replacements and/or extensions thereof. This clause shall be self-operative and no further instrument of subordination need be required by any owner or holder of any such ground lease, mortgage, deed of trust or security agreement. In confirmation of such subordination, at Landlord's request, Tenant shall execute promptly any appropriate certificate or instrument that Landlord may request. Notwithstanding the foregoing, the owner or holder of any such ground lease, mortgage, deed of trust or security agreement may elect, in its sole and absolute discretion, to subordinate the lien of such ground lease, mortgage, deed of trust or security agreement to this Lease. In the event of the enforcement by any ground lessor, mortgagee, or holder of any deed of trust or security agreement ("**Successor Landlord**") of the remedies provided for by law or by such ground lease, mortgage, deed of trust or security agreement, Tenant shall automatically become the tenant of such Successor Landlord without any change in the terms or other provisions of this Lease; provided, however, that such Successor Landlord or successor in interest shall not be: (i) liable for any act or omission of any prior landlord (including, without limitation, the then defaulting landlord); (ii) subject to any defense or offsets which Tenant may have against any prior landlord (including, without limitation, the then defaulting landlord); (iii) bound by any payment of Rent which Tenant might have paid for more than one month in advance of the due date under this Lease to any prior landlord (including, without limitation, the then defaulting landlord); (iv) bound by any obligation to make any payment to Tenant which was required to be made prior to the time Successor Landlord succeeded to any prior landlord's interest; (v) accountable for any monies deposited with any prior landlord (including the Security Deposit), except to the extent such monies are actually received by Successor Landlord; or (vi) bound by any surrender, termination, amendment or modification of this Lease made without the consent of Successor Landlord. Upon request by such Successor Landlord, whether before or after the enforcement of its remedies, Tenant shall execute and deliver an instrument or instruments confirming and evidencing the attornment herein set forth. The parties acknowledge that as of the effective date of this Lease there is no mortgage, deed of trust or ground lease encumbering Landlord's interest in the Project or the Premises. Notwithstanding anything to the contrary contained herein, Tenant's subordination and attornment to any future ground lease, superior lease, mortgage, deed of trust or security agreement shall be conditioned upon its receipt of a reasonable and binding subordination, non-disturbance and attornment agreement (SNDA) protecting Tenant's tenancy as long as Tenant is not in default of its obligation under the Lease.

18.2 **Mortgagee Protection Clause.** Tenant shall give the owners or holders of any ground lease, mortgage, deed of trust or security agreement ("**Lienholder**"), by registered mail, a copy of any notice of default Tenant serves on Landlord, provided that Landlord or Lienholder previously notified Tenant (by way of notice of assignment of rents and leases or otherwise) of the addresses of Lienholder. Tenant further agrees that if Landlord fails to cure such default within the time provided for in this Lease, then Tenant shall provide written notice of such failure to Lienholder and Lienholder shall have an additional thirty (30) days within which to cure the default. Lienholder shall have no obligation to cure (and shall have liability or obligation for not curing) any breach or default by Landlord, except to the extent that Lienholder agrees or undertakes otherwise in writing. If the default cannot be cured within the additional thirty (30) day period, then Lienholder shall have such additional time as may be necessary to effect the cure if, within the thirty (30) day period, Lienholder has commenced and is diligently pursuing the cure (including without limitation commencing foreclosure proceedings if necessary to effect the cure).

ARTICLE 19

DEFAULT REMEDIES

19.1 **Events of Default.** The occurrence of any of the following shall constitute a default of this Lease by Tenant:

19.1.1 Any failure by Tenant to pay any Base Rent on or before the fifth (5th) day of the calendar month for which the same is due, or failure by Tenant to pay any other charge required to be paid under this Lease, or any part thereof, when due unless such failure is cured within three (3) days after notice; or

19.1.2 Except where a specific time period is otherwise set forth for Tenant's performance in this Lease, in which event the failure to perform by Tenant within such time period shall be a default by Tenant under this Section 19.1.2, any failure by Tenant to observe or perform any other provision, covenant or condition of this Lease to be observed or performed by Tenant where such failure continues for ten (10) days after written notice thereof from Landlord to Tenant; provided that if the nature of such default is such that the same cannot be reasonably cured within a ten (10) day period, Tenant shall not be deemed to be in default if it diligently commences to cure within such period and thereafter diligently proceeds to rectify and cure such default, but in no event exceeding a period of time in excess of thirty (30) days after written notice thereof from Landlord to Tenant; or

19.1.3 The failure by Tenant to observe or perform according to the provisions of Articles 5, 14, 17 or 18 of this Lease where such failure continues for more than two (2) business days after notice from Landlord.

The notice periods provided herein are in lieu of, and not in addition to, any notice periods provided by law.

19.2 **Remedies Upon Default.** Upon the occurrence of any event of default by Tenant, Landlord shall have, in addition to any other remedies available to Landlord at law or in equity (all of which remedies shall be distinct, separate and cumulative), the option to pursue any one or more of the following remedies, each and all of which shall be cumulative and nonexclusive, without any notice or demand whatsoever.

19.2.1 Terminate this Lease, in which event Tenant shall immediately surrender the Premises to Landlord, and if Tenant fails to do so, Landlord may, without prejudice to any other remedy which it may have for possession or arrearages in rent, enter upon and take possession of the Premises and expel or remove Tenant and any other person who may be occupying the Premises or any part thereof, without being liable for prosecution or any claim or damages therefor; and Landlord may recover from Tenant the following: (i) the worth at the time of award any unpaid rent which has been earned at the time of such termination; plus (ii) the worth at the time of award of the amount by which the unpaid rent which would have been earned after termination until the time of award exceeds the amount of such rental loss that Tenant proves could have been reasonably avoided; plus (iii) the worth at the time of award the amount by which the unpaid rent for the balance of the Lease Term after the time of award exceeds the amount of such rental loss that Tenant proves could have been reasonably avoided; plus (iv) any other amount necessary to compensate Landlord for all the detriment proximately caused by Tenant's failure to perform its obligations under this Lease or which in the ordinary course of things would be likely to result therefrom, specifically including but not limited to, brokerage commissions and advertising expenses incurred, expenses of remodeling the Premises or any portion thereof for a new tenant, whether for the same or a different use, and any special concessions made to obtain a new tenant; and (v) at Landlord's election, such other amounts in addition to or in lieu of the foregoing as may be permitted from time to time by applicable law.

The term "**rent**" as used in this Section 19.2 shall be deemed to be and to mean all sums of every nature required to be paid by Tenant pursuant to the terms of this Lease, whether to Landlord or to others. As used in Paragraphs 19.2.1(i) and (ii) above, the "worth at the time of award" shall be computed by allowing interest at the rate set forth in Article 25 of this Lease, but in no case greater than the maximum amount of such interest permitted by law. As used in Paragraph 19.2.1(iii) above, the "worth at the time of award" shall be computed by discounting such amount at the discount rate of the Federal Reserve Bank of San Francisco at the time of award plus one percent (1%).

19.2.2 Landlord shall have the remedy described in California Civil Code Section 1951.4 (lessor may continue lease in effect after lessee's breach and abandonment and recover rent as it becomes due, if lessee has the right to sublet or assign, subject only to reasonable limitations). Accordingly, if Landlord does not elect to terminate this Lease on account of any default by Tenant, Landlord may, from time to time, without terminating this Lease, enforce all of its rights and remedies under this Lease, including the right to recover all rent as it becomes due.

19.2.3 Landlord shall at all times have the rights and remedies (which shall be cumulative with each other and cumulative and in addition to those rights and remedies available under Sections 19.2.1 and 19.2.2 above, or any law or other provision of this Lease), without prior demand or notice except as required by applicable law, to seek any declaratory, injunctive or other equitable relief, and specifically enforce this Lease, or restrain or enjoin a violation or breach of any provision thereof.

19.3 **Form of Payment After Default.** Following the occurrence of an event of default by Tenant, Landlord shall have the right to require that any or all subsequent amounts paid by Tenant to Landlord hereunder, whether to cure the default in question or otherwise, be paid in the form of cash, money order, cashier's check or certified check drawn on an institution acceptable to Landlord, or by other means approved by Landlord, notwithstanding any prior practice of accepting payments in any different form.

19.4 **Efforts to Relet.** No re-entry or repossession, repairs, maintenance, changes, alterations and additions, reletting, appointment of a receiver to protect Landlord's interest hereunder, or any other action or omission by Landlord shall be construed as an election by Landlord to terminate this Lease or Tenant's right to possession, or to accept a surrender of the Premises, nor shall same operate to release Tenant in whole or in part from any of Tenant's obligations hereunder, unless express written notice of such intention is sent by Landlord to Tenant. Tenant hereby irrevocably waives any right otherwise available under any law to redeem or reinstate this Lease.

ARTICLE 20

COVENANT OF QUIET ENJOYMENT

Landlord covenants that Tenant, on paying the Rent, charges for service and other payments herein reserved and on keeping, observing and performing all the other terms, covenants, conditions, provisions and agreements herein contained on the part of Tenant to be kept, observed and performed, shall, during the Lease Term, peaceably and quietly have, hold and enjoy the Premises subject to the terms, covenants, conditions, provisions and agreements hereof without interference by any persons lawfully claiming by or through Landlord. The foregoing covenant is in lieu of any other covenant express or implied.

ARTICLE 21

SECURITY DEPOSIT

Concurrent with Tenant's execution of this Lease, Tenant shall deposit with Landlord a security deposit (the "**Security Deposit**") in the amount set forth in Section 8 of the Summary, as security for the faithful performance by Tenant of all of its obligations under this Lease. If Tenant defaults with respect to any provisions of this Lease, including, but not limited to, the provisions relating to the payment of Rent, the removal of property and the repair of resultant damage, Landlord may, without notice to Tenant, but shall not be required to apply all or any part of the Security Deposit for the payment of any Rent or any other sum in default or for the payment of any amount that Landlord may reasonably spend or may become obligated to spend by reason of Tenant's default, or to compensate Landlord for any other loss or damage that Landlord may suffer by reason of Tenant's default, and Tenant shall, upon demand therefor, restore the Security Deposit to its original amount. Any unapplied portion of the Security Deposit shall be returned to Tenant, or, at Landlord's option, to the last assignee of Tenant's interest hereunder, within sixty (60) days following the expiration of the Lease Term. Tenant shall not be entitled to any interest on the Security Deposit. Tenant hereby waives the provisions of Section 1950. 7 of the California Civil Code, or any successor statute.

Notwithstanding anything to the contrary in this Article 21, Tenant has previously deposited with Landlord Seventy-Seven Thousand Six Hundred Ninety-Seven and 81/100 Dollars (\$77,697.81) (the "**Existing Deposit**") as security for the faithful performance by Tenant of the terms, covenants, and conditions of that certain Lease LAA-9054 dated as of January 24, 2019. Concurrently with Tenant's execution of this Lease, Landlord shall retain Thirty-Three Thousand Five Hundred Seventy-Six and 18/100 Dollars (\$33,576.18) of the Existing Deposit as security for Tenant's faithful performance under this Lease and credit back to Tenant Forty-Four Thousand One Hundred Twenty-One and 63/100 Dollars (\$44,121.63), provided that Tenant is not in default with respect to any provisions of Lease LAA-9054, including, but not limited to, the provisions relating to the payment of Rent, the removal of property and the repair of resultant damage.

ARTICLE 22

SUBSTITUTION OF OTHER PREMISES

Landlord shall have the right to move Tenant to other space in the Project comparable to the Premises, and all terms hereof shall apply to the new space with equal force. In such event, Landlord shall give Tenant reasonable prior notice, shall provide Tenant, at Landlord's sole cost and expense, with tenant improvements at least equal in quality to those in the Premises and shall move Tenant's effects to the new space at Landlord's sole costs and expense at such time and in such manner as to inconvenience Tenant as little as reasonably practicable. Simultaneously with such relocation of the Premises, the parties shall immediately execute an amendment to this Lease stating the relocation of the Premises.

ARTICLE 23

SIGNS

Subject to Landlord's prior written approval, in its sole discretion, and provided all signs are in keeping with the quality, design and style of the Building and Project, Tenant, if the Premises comprise an entire floor of the Building, at its sole cost and expense, may install identification signage anywhere in the Premises including in the elevator lobby of the Premises, provided that such signs must not be visible from the exterior of the Building. If other tenants occupy space on the floor on which the Premises is located,

Tenant's identifying signage shall be provided by Landlord, at Tenant's cost, and such signage shall be comparable to that used by Landlord for other similar floors in the Building and shall comply with Landlord's Building standard signage program. Any signs, notices, logos, pictures, names or advertisements which are installed and that have not been separately approved by Landlord may be removed without notice by Landlord at the sole expense of Tenant. Tenant may not install any signs on the exterior or roof of the Project or the Common Areas. Any signs, window coverings, or blinds (even if the same are located behind the Landlord-approved window coverings for the Building), or other items visible from the exterior of the Premises or Building, shall be subject to the prior approval of Landlord, in its sole discretion.

ARTICLE 24

COMPLIANCE WITH LAW

Tenant shall not do anything or suffer anything to be done in or about the Premises or the Project which will in any way conflict with any law, statute, ordinance or other governmental rule, regulation or requirement now in force or which may hereafter be enacted or promulgated, including, without limitation, the Americans with Disabilities Act of 1990 (as may be amended) (collectively, the "Laws"). At its sole cost and expense, Tenant shall promptly comply with all such Laws, including, without limitation, the making of any alterations and improvements to the Premises relating to Tenant's specific manner of use of the Premises (as distinguished from general office use). Notwithstanding the foregoing to the contrary, Landlord shall be responsible, as part of Operating Expenses to the extent permitted under Article 4 above, for making all alterations to the following portions of the Building and Project required by applicable Laws: (i) structural portions of the Premises and Building, but not including Tenant Improvements or any Alterations installed by or at the request of Tenant; and (ii) those portions of the Building and Project located outside the Premises; provided, however, Tenant shall reimburse Landlord, within ten (10) days after invoice, for the costs of any such improvements and alterations and other compliance costs to the extent necessitated by or resulting from (A) any Alterations or Tenant Improvements installed by or on behalf of Tenant, (B) the negligence or willful misconduct of Tenant or any Tenant Parties that is not covered by insurance obtained by Landlord and as to which the waiver of subrogation applies, and/or (C) Tenant's specific manner of use of the Premises (as distinguished from general office use). For purposes of Section 1938 of the California Civil Code, Landlord hereby discloses to Tenant, and Tenant hereby acknowledges, that the Premises have not undergone inspection by a Certified Access Specialist (CASp). Since the Premises have not undergone inspection by a CASp, California Civil Code Section 1938(e) requires the following statement to be set forth in the Lease:

"A Certified Access Specialist (CASp) can inspect the subject premises and determine whether the subject premises comply with all of the applicable construction-related accessibility standards under state law. Although state law does not require a CASp inspection of the subject premises, the commercial property owner or lessor may not prohibit the lessee or tenant from obtaining a CASp inspection of the subject premises for the occupancy or potential occupancy of the lessee or tenant, if requested by the lessee or tenant. The parties shall mutually agree on the arrangements for the time and manner of the CASp inspection, the payment of the fee for the CASp inspection, and the cost of making any repairs necessary to correct violations of construction-related accessibility standards within the premises."

Although state law does not require a CASp inspection of the Premises, Tenant shall have the right to obtain a CASp inspection of the Premises and make any necessary repairs or modifications, subject to applicable provisions of this Lease, to bring the Premises into compliance with construction-related accessibility standards which are disclosed by the CASp inspection report. Tenant, however, shall bear all

costs for any CASp inspection and report, and for the cost of making any repairs or modifications necessary to correct violations of construction-related accessibility standards within the Premises. Tenant further agrees to keep all information contained in any CASp report confidential, except as may be necessary for Tenant, or its agents, to complete any repairs or correct violations that Tenant agrees to undertake at its own cost and expense. The parties mutually acknowledge and agree that, notwithstanding any presumption set forth in California Civil Code Section 1938, Tenant shall be solely responsible and liable to make any and all repairs or modifications necessary to correct violations of construction-related accessibility standards in any CASp inspection report.

ARTICLE 25

LATE CHARGES

If any installment of Rent or any other sum due from Tenant shall not be received by Landlord or Landlord's designee within five (5) days after said amount is due, then Tenant shall pay to Landlord a late charge equal to five percent (5%) of the overdue amount plus any attorneys' fees incurred by Landlord by reason of Tenant's failure to pay Rent and/or other charges when due hereunder. The late charge shall be deemed Additional Rent and the right to require it shall be in addition to all of Landlord's other rights and remedies hereunder or at law and shall not be construed as liquidated damages or as limiting Landlord's remedies in any manner. LANDLORD'S RIGHT TO CURE DEFAULT; PAYMENTS BY TENANT

26.1 **Landlord's Cure.** All covenants and agreements to be kept or performed by Tenant under this Lease shall be performed by Tenant at Tenant's sole cost and expense and without any reduction of Rent, except to the extent, if any, otherwise expressly provided herein. If Tenant shall fail to perform any obligation under this Lease, and, except in case of an emergency, such failure shall continue in excess of the time allowed under Section 19.1.2 above, unless a specific time period is otherwise stated in this Lease, Landlord may, but shall not be obligated to, make any such payment or perform any such act on Tenant's part without waiving its rights based upon any default of Tenant and without releasing Tenant from any obligations hereunder.

26.2 **Tenant's Reimbursement.** Except as may be specifically provided to the contrary in this Lease, Tenant shall pay to Landlord, upon delivery by Landlord to Tenant of statements therefor: (i) sums equal to expenditures reasonably made and obligations incurred by Landlord in connection with the remedying by Landlord of Tenant's defaults pursuant to the provisions of Section 26.1; (ii) sums equal to all losses, costs, liabilities, damages and expenses referred to in Article 10 of this Lease; and (iii) sums equal to all expenditures made and obligations incurred by Landlord in collecting or attempting to collect the Rent or in enforcing or attempting to enforce any rights of Landlord under this Lease or pursuant to law, including, without limitation, all legal fees and other amounts so expended. Tenant's obligations under this Section 26.2 shall survive the expiration or sooner termination of the Lease Term.

ARTICLE 27

ENTRY BY LANDLORD

Landlord reserves the right at all reasonable times and upon reasonable notice to Tenant (except in the case of an emergency) to enter the Premises to (i) inspect them; (ii) show the Premises to prospective purchasers, mortgagees or tenants, or to current or prospective mortgagees, ground or underlying lessors or insurers; (iii) post notices of nonresponsibility; or (iv) alter, improve or repair the Premises or Building, or for structural alterations, repairs or improvements to the Building or the Building's systems and equipment. Notwithstanding anything to the contrary contained in this Article 27, Landlord may enter the Premises at any time to (A) perform services required of Landlord, including janitorial service; (B) take possession due to any breach of this Lease in the manner provided herein; and (C) perform any covenants of Tenant which Tenant fails to perform. Landlord may make any such entries without the abatement of Rent and may take such reasonable steps as required to accomplish the stated purposes. Tenant hereby waives any claims for damages or for any injuries or inconvenience to or interference with Tenant's business, lost profits, any loss of occupancy or quiet enjoyment of the Premises, and any other loss occasioned thereby. For each of the above purposes, Landlord shall at all times have a key with which to unlock all the doors in the Premises, excluding Tenant's vaults, safes and special security areas designated in advance by Tenant. In an emergency, Landlord shall have the right to use any means that Landlord may deem proper to open the doors in and to the Premises. Any entry into the Premises by Landlord in the manner hereinbefore described shall not be deemed to be a forcible or unlawful entry into, or a detainer of, the Premises, or an actual or constructive eviction of Tenant from any portion of the Premises. No provision of this Lease shall be construed as obligating Landlord to perform any repairs, alterations or decorations except as otherwise expressly agreed to be performed by Landlord herein.

ARTICLE 28

TENANT PARKING

Commencing on the Lease Commencement Date, Tenant shall have the option to rent from Landlord, on a monthly basis throughout the Lease Term, the number of parking passes set forth in Section 9 of the Summary, subject to availability, which parking passes shall pertain to the Building Parking Structure (the "**Parking Structure**") and the surface parking lot located on 98th Street (the "**Parking Lot**") which serves the Project. Tenant hereby acknowledges and agrees that any or all of the parking facilities may be managed, maintained or operated from time to time by an independent parking facility operator (a "**Parking Operator**") and not by Landlord, in which instance Landlord may delegate its responsibilities hereunder to any such Parking Operator and such Parking Operator shall have all the rights of control attributed hereto to Landlord. Tenant shall pay for the parking passes that it obtains on a monthly basis at the prevailing rate charged from time to time at the location of such parking passes. In addition, Tenant shall be responsible for the full amount of any taxes imposed by any governmental authority in connection with the renting of such parking passes by Tenant or the use of the parking facilities by Tenant. Tenant's (and Tenant's employees and invitees) continued right to use the parking passes is conditioned upon Tenant abiding by all rules and regulations which are prescribed from time to time for the orderly operation and use of the parking facilities where the parking passes are located, including any sticker or other identification system established from time to time and Tenant not being in default under this Lease. Landlord specifically reserves the right to change the size, configuration, design, layout and all other aspects of the Project parking facilities at any time and to close-off or restrict access to the Project parking facilities from time to time for purposes of permitting or facilitating any such construction, alteration or

improvements. The parking passes rented by Tenant pursuant to this Article 28 are provided to Tenant solely for use by Tenant's own personnel and such passes may not be transferred, assigned, subleased or otherwise alienated by Tenant without Landlord's prior approval. Tenant may validate visitor parking by such method or methods as may be established from time to time, at the validation rate from time to time generally applicable to visitor parking. The parking passes initially will not be separately identified; however, Landlord reserves the right, in its sole and absolute discretion, to separately identify by signs or other markings the area to which Tenant's parking passes relate. Landlord shall have no obligation to monitor the use of the parking facilities, nor shall Landlord be responsible for any loss or damage to any vehicle or other property or for any injury to any person.

ARTICLE 29

This Lease shall be construed as though the covenants herein between Landlord and Tenant are independent and not dependent and Tenant hereby expressly waives the benefit of any statute to the contrary and agrees that if Landlord fails to perform its obligations set forth herein, Tenant shall not be entitled to make any repairs or perform any acts hereunder at Landlord's expense or to any setoff of the Rent or other amounts owing hereunder against Landlord.

29.4 Modification of Lease. Should any current or prospective mortgagee or ground lessor for the Building or Project require a modification of this Lease, which modification will not cause an increased cost or expense to Tenant or in any other way materially and adversely change the rights and obligations of Tenant hereunder, then and in such event, Tenant agrees that this Lease may be so modified and agrees to execute whatever documents are reasonably required therefor and to deliver the same to Landlord within ten (10) days following a request therefor. At the request of Landlord or any mortgagee or ground lessor, Tenant agrees to execute a short form of Lease and deliver the same to Landlord with ten (10) days following the request therefor.

Tenant shall attorn to such transferee. Tenant further acknowledges that Landlord may assign its interest in this Lease to a mortgage lender as additional security and agrees that such an assignment shall not release Landlord from its obligations hereunder and that Tenant shall continue to look to Landlord for the performance of its obligations hereunder.

29.11 **Partial Invalidity.** If any term, provision or condition contained in this Lease shall, to any extent, be invalid or unenforceable, the remainder of this Lease, or the application of such term, provision or condition to persons or circumstances other than those with respect to which it is invalid or unenforceable, shall not be affected thereby, and each and every other term, provision or condition of this Lease shall be valid and enforceable to the fullest extent possible permitted by law.

29.12 **No Warranty.** In executing and delivering this Lease, Tenant has not relied on any representations, including, but not limited to, any representation as to the amount of any item comprising Additional Rent or the amount of the Additional Rent in the aggregate or that Landlord is furnishing the same services to other tenants, at all, on the same level or on the same basis, or any warranty or any statement of Landlord which is not set forth herein or in one or more of the exhibits attached hereto.

29.13 **Landlord Exculpation.** The liability of Landlord or the Landlord Parties to Tenant for any default by Landlord under this Lease or arising in connection herewith or with Landlord's operation, management, leasing, repair, renovation, alteration or any other matter relating to the Project or the Premises shall be limited solely and exclusively to an amount which is equal to the interest of Landlord in the Building, provided that in no event shall such liability extend to any sales or insurance proceeds received by Landlord or the Landlord Parties in connection with the Project, Building or Premises. Neither Landlord, nor any of the Landlord Parties shall have any personal liability therefor, and Tenant hereby expressly waives and releases such personal liability on behalf of itself and all persons claiming by, through or under Tenant. None of the terms, covenants, conditions or provisions of this Lease can be modified, deleted or added to except in writing signed by the parties hereto.

29.15 **Right to Lease.** Landlord reserves the absolute right to effect such other tenancies in the Project as Landlord in the exercise of its sole business judgment shall determine to best promote the interests of the Building or Project. Tenant does not rely on the fact, nor does Landlord represent that any specific tenant or type or number of tenants shall, during the Lease Term, occupy any space in the Building or Project.

29.16 **Force Majeure.** Any prevention, delay or stoppage due to strikes, lockouts, labor disputes, acts of God, acts of war, acts of terrorism, inability to obtain services, labor, or materials or reasonable substitutes therefor, governmental actions, civil commotions, fire or other casualty, and other causes beyond the reasonable control of the party obligated to perform, except with respect to the obligations imposed with regard to Rent and other charges to be paid by Tenant pursuant to this Lease and except as to Tenant's obligations under Articles 5 and 24 of this Lease (collectively, a "Force Majeure"), notwithstanding anything to the contrary contained in this Lease, shall excuse the performance of such party for a period equal to any such prevention, delay or stoppage and, therefore, if this Lease specifies a time period for performance of an obligation of either party, that time period shall be extended by the period of any delay in such party's performance caused by a Force Majeure.

In such event, Tenant shall, within ten (10) days after execution of this Lease, deliver to Landlord satisfactory evidence of such authority and, upon demand by Landlord, also deliver to Landlord satisfactory evidence of (i) good standing in Tenant's state of formation and (ii) qualification to do business in California. Landlord and Tenant hereby warrant to each other that they have had no dealings with any real estate broker or agent in connection with the negotiation of this Lease, excepting only the real estate brokers or agents specified in Section 12 of the Summary (the "**Brokers**"), and that they know of no other real estate broker or agent who is entitled to a commission in connection with this Lease. Landlord shall pay all commissions and fees due to the Brokers pursuant to the terms of a separate brokerage commission agreement. Each party agrees to indemnify and defend the other party against and hold the other party harmless from any and all claims, demands, losses, liabilities, lawsuits, judgments, costs and expenses (including without limitation reasonable attorneys' fees) with respect to any leasing commission or equivalent compensation alleged to be owing on account of any dealings with any real estate broker or agent, other than the Brokers, occurring by, through, or under the indemnifying party. In the event

that Landlord fails to pay the commission to Tenant's Broker specified in Section 12 of the Summary, Tenant shall have the right, but not the obligation, to pay Tenant's Broker commission, or any portion thereof not paid by Landlord, and offset the amount so paid by Tenant against Rent until Tenant has been reimbursed for such payment in full.

By way of specification but not limitation, pursuant to Sections 10.8.3.E and 10.8.3.F of the Los Angeles Administrative Code, the failure of Tenant to comply with the Equal Employment Practices

29.31 Child Support Order. This Lease is subject to Section 10.10, Article I, Chapter 1, Division 10 of the Los Angeles Administrative Code related to Child Support Assignment Orders, which is incorporated herein by this reference. Pursuant to this Section 29.31, Tenant (and any subcontractor of Tenant providing services to City under this Lease) shall (1) fully comply with all State and Federal employment reporting requirements for Tenant's or Tenant's subcontractor's employees applicable to Child Support Assignments Orders; (2) certify that the principal owner(s) of Tenant and applicable subcontractors are in compliance with any Wage and Earnings Assignment Orders and Notices of Assignment applicable to them personally; (3) fully comply with all lawfully served Wage and Earnings Assignment Orders and Notices of Assignment in accordance with California Family Code Section 5230, et seq.; and (4) maintain such compliance throughout the term of this Lease. 29.32 Business Tax Registration. Tenant represents that it has registered its business with the Office of Finance of the City of Los Angeles and has obtained and presently holds from that Office a Business Tax Registration Certificate, or a Business Tax Exemption Number, required by City's Business Tax Ordinance (Article 1, Chapter 2, Sections 21.00 and following, of City's Municipal Code). Tenant shall maintain, or obtain as necessary, all such Certificates required of it under said Ordinance and shall not allow any such Certificate to be revoked or suspended during the term hereof.

29.34 Municipal Lobbying Ordinance. Tenant shall comply with the provisions of the City of Los Angeles Municipal Lobbying Ordinance throughout the term of this Lease.

29.35 Compliance with Los Angeles City Charter Section 470(c)(12).

29.35.1 Tenant, its sublessees and their respective officers, directors, contractors, agents, servants, employees, invitees, guests or licensees are obligated to fully comply with City of Los Angeles Charter Section 470(c)(12) and related ordinances, regarding limitations on campaign contributions and fundraising for certain elected City officials or candidates for elected City office if the lease is valued at One Hundred Thousand and 00/100 Dollars (\$100,000.00) or more and requires approval of a City elected official. Additionally, Tenant is required to provide and update certain information to City as specified by law. 29.36 Equal Benefits Ordinance (EBO).

29.36.1. Unless otherwise exempt in accordance with the provisions of the Equal Benefits Ordinance ("EBO"), Tenant certifies and represents that Tenant will comply, throughout the term of this Lease, with the applicable provisions of EBO Section 10.8.2.1 of the Los Angeles Administrative Code as amended from time to time.

29.36.2. Tenant agrees to post the following statement in conspicuous places at its place of business available to employees and applicants for employment:

Additional information about the City of Los Angeles' Equal Benefits Ordinance may be obtained from the Department of Public Works, Bureau of Contract Administration, Office of Contract Compliance at (213) 847-6480."

29.36.3 The failure of Tenant to comply with the EBO will be deemed to be a material breach of the Lease by City. If Tenant fails to comply with the EBO, the City may cancel or terminate the Lease, in whole or in part, and all monies due or to become due under the Lease may be retained by the City. The City may also pursue any and all other remedies at law or in equity for any breach. Failure to

comply with the EBO may be used as evidence against Tenant in actions taken pursuant to the provisions of Contractor Responsibility Program. If the City determines that Tenant has set up or used its contracting entity for the purpose of evading the intent of the EBO, the City may terminate the Lease.

29.37 First Source Hiring Program for Airport Employers (LAX Only). Tenant shall comply with the provisions of the First Source Hiring Program adopted by the Board. The rules, regulations, requirements, and penalties of the First Source Hiring Program are incorporated herein and made a material term of this Agreement. 29.38 Living Wage Requirements.

29.38.1 Living Wage Ordinance

29.38.1.1 General Provisions: Living Wage Policy. This Lease is subject to the Living Wage Ordinance ("LWO") (Section 10.37, et seq., of the Los Angeles Administrative Code) which is incorporated herein by this reference. The LWO requires that, unless specific exemptions apply, an employer that is a tenant or licensee of City property shall pay an employee for all hours worked furnishing a service relating to the City a wage of no less than the hourly rates set under the LWO where any of the following applies: 1) the services are rendered on premises at least a portion of which is visited by members of the public; 2) any of the services feasibly could be performed by City employees if the City had the requisite financial and staffing resources; or 3) the designated administrative agency ("DAA") has determined in writing as approved by the Board of Public Works that coverage would further the proprietary interests of the City. Employees covered by the LWO shall also receive the requisite time off and compensation thereto as set forth in the Ordinance. The LWO requires Tenant to inform employees of the right to the federal Earned Income Credit ("EIC") and shall make available to employees forms informing them of the EIC and forms to secure EIC payments from the employer. Tenant is subject to all reporting and notification requirements set forth in the Ordinance. Tenant is prohibited from discharging, reducing compensation, or otherwise discriminating against any employee for complaining to the City with regard to the employer's compliance or anticipated compliance with the Ordinance; and if applicable, Tenant shall comply with federal law proscribing retaliation for union organizing.

29.38.1.2 Living Wage Coverage Determination. An initial determination has been made that this Lease is a public lease under the LWO, and that it is not exempt from coverage by the LWO. Determinations as to whether this Lease is a lease covered by the LWO, or whether an employer or employee are exempt from coverage under the LWO are not final, but are subject to review and revision as additional facts are examined and/or other interpretations of the law are considered. In some circumstances, applications for exemption must be reviewed periodically. Landlord shall notify Tenant in writing about any redetermination by Landlord of coverage or exemption status. To the extent Landlord claims non-coverage or exemption from the provisions of the LWO, the burden shall be on Tenant to prove such non-coverage or exemption.

29.38.1.3 Compliance; Termination Provisions And Other Remedies: Living Wage Policy. If Tenant is not initially exempt from the LWO, Tenant shall comply with all of the provisions of the LWO, including payment to employees at the minimum wage rates, effective on the Execution Date of this Lease, and shall execute the Declaration of Compliance Form attached to this Lease, contemporaneously with the execution of this Lease. Furthermore, performance of tenant improvements, by either Landlord or Tenant, may require the payment of prevailing wage rates as set forth in Section 10.37.14 of the LWO. If Tenant is initially exempt from the LWO, but later no longer qualifies for any exemption, Tenant shall, at such time as Tenant is no longer exempt, comply with the provisions of the

LWO and execute the then currently used Declaration of Compliance Form, or such form as the LWO requires. Under the provisions of Section 10.37.6(c) of the Los Angeles Administrative Code, violation of the LWO shall constitute a material breach of this Lease and Landlord shall be entitled to terminate this Lease and otherwise pursue legal remedies that may be available, including those set forth in the LWO, if Landlord determines that Tenant violated the provisions of the LWO. The procedures and time periods provided in the LWO are in lieu of the procedures and time periods provided elsewhere in this Lease. Nothing in this Lease shall be construed to extend the time periods or limit the remedies provided in the LWO.

29.38.1.4 Subcontractor Compliance. Any contract Tenant executes with a Contractor or Subcontractor, as defined in Section 10.37.1(f) and (m) of the LWO, shall contain a provision wherein the Contractor or Subcontractor agrees to comply with the LWO and designates the City as an intended third-party beneficiary for purposes of enforcement directly against the Contractor or Subcontractor, as provided for in Section 10.37.6 of the LWO.

29.39 Electronic Signature. This Agreement and any other document necessary for the consummation of the transaction contemplated by this Contract may be executed in counterparts, including counterparts that are manually executed and counterparts that are in the form of electronic records and are electronically executed. An electronic signature means a signature that is executed by symbol attached to or logically associate with a record and adopted by a party with the intent to sign such record, including facsimile or e-mail signatures. All executed counterparts shall constitute one agreement, and each counterpart shall be deemed an original. The parties hereby acknowledge and agree that electronic records and electronic signatures, as well as facsimile signatures, may be used in connection with the execution of this Contract and electronic signatures, facsimile signatures or signatures transmitted by electronic mail in so-called PDF format shall be legal and binding and shall have the same full force and effect as if a paper original of this Contract had been delivered that had been signed using a handwritten signature. All parties to this Contract (i) agree that an electronic signature, whether digital or encrypted, of a party to this Contract is intended to authenticate this writing and to have the same force and effect as a manual signature; (ii) intended to be bound by the signatures (whether original, faxed, or electronic) on any document sent or delivered by facsimile or electronic mail or other electronic means; (iii) are aware that the other party(ies) will rely on such signatures; and, (iv) hereby waive any defenses to the enforcement of the terms of this Contract based on the foregoing forms of signature. If this Contract has been executed by electronic signature, all parties executing this document are expressly consenting, under the United States Federal Electronic Signatures in Global and National Commerce Act of 2000 ("E-SIGN") and the California Uniform Electronic Transactions Act ("UETA") (California Civil Code §1633.1 et seq.), that a signature by fax, e-mail, or other electronic means shall constitute an Electronic Signature to an Electronic Record under both E-SIGN and UETA with respect to this specific transaction.

29.40 General. The words "Landlord" and "Tenant" as used herein shall include the plural as well as the singular. The necessary grammatical changes required to make the provisions hereof apply either to corporations or partnerships or individuals, men or women, as the case may require, shall in all cases be assumed as though in each case fully expressed. The captions of Articles and Sections are for convenience only and shall not be deemed to limit, construe, affect or alter the meaning of such Articles and Sections. Subject to all other provisions of this Lease, each of the covenants, conditions and provisions of this Lease shall extend to and shall, as the case may require, bind or inure to the benefit not only of Landlord and of Tenant, but also of their respective heirs, personal representatives, successors or assigns, provided this clause shall not permit any assignment by Tenant contrary to the provisions of Article 14 of this Lease. Submission of this instrument for examination or signature by Tenant does not constitute a reservation of, option for or option to lease, and it is not effective as a lease or otherwise until execution

and delivery by both Landlord and Tenant. This Lease may be executed in counterparts with the same effect as if both parties hereto had executed the same document. Both counterparts shall be construed together and shall constitute a single lease.

29.41 **City Approval.** Following the execution and delivery of this Lease, whenever this Lease calls for a matter to be approved or disapproved by or on behalf of City, then the written approval, disapproval, or consent of the Executive Officer within the legal authority of the Executive Officer, subject to the approval of the Office of the City Attorney as to form, shall constitute the approval, disapproval, or consent of City' provided, however, if the approval or consent by City is in excess of the Executive Officer's legal authority, then such matter shall be approved by the Board. Any approvals or consents required from or given by City under this Lease shall be approvals of the City of Los Angeles Department of Airports acting as the owner and operator of the Airport, and shall not relate to, constitute a waiver of, supersede or otherwise limit or affect the rights or prerogatives of the City of Los Angeles as a government, including the right to enact, amend or repeal laws and ordinances, including, without limitation, those relating to zoning, land use, and building and safety. No approval or consent on behalf of City will be deemed binding upon the City Attorney. City unless approved in writing as to form by the City Attorney.

TENANT WORK LETTER

This Tenant Work Letter shall set forth the terms and conditions relating to the construction of the tenant improvements in the Premises. This Tenant Work Letter is essentially organized chronologically and addresses the issues of the construction of the Premises, in sequence, as such issues will arise during the actual construction of the Premises. All references in this Tenant Work Letter to Articles or Sections of "this Lease" shall mean the relevant portion of Articles 1 through 29 of the Office Lease to which this Tenant Work Letter is attached as Exhibit B and of which this Tenant Work Letter forms a part, and all references in this Tenant Work Letter to Sections of "this Tenant Work Letter" shall mean the relevant portion of Articles 1 through 6 of this Tenant Work Letter.

ARTICLE 1

TENANT IMPROVEMENTS

Landlord shall cause the installation and/or construction, in the Premises, of those certain improvements (the "Tenant Improvements") consisting of the installation of new carpeting and the painting of interior walls pursuant to a contractor's bid approved by Landlord and Tenant. Tenant acknowledges that the Tenant Improvements are limited to only those specific improvements identified in this Work Letter. Tenant further acknowledges that Landlord shall have no obligation to provide or pay for any furniture, equipment or personal property in the Premises or for any data or telephone cabling in the Premises or for any other items to be provided or installed by Tenant. In addition to the Tenant Improvements described herein, Landlord shall, at Landlord's sole cost and expense, install new ceiling grids and lighting in the Premises, and, if necessary, make HVAC and Fire Life Safety System upgrades that directly affect the Premises.

Landlord shall provide a Tenant Improvement Allowance of Ten Dollars (\$10) per rentable square feet for an overall allowance amount not to exceed Thirty-Six Thousand One Hundred Sixty and 00/100 Dollars (\$36,160) (the "Maximum Allowance Amount"). In the event Tenant does not timely utilize all or any portion of the Maximum Allowance Amount within ninety (90) days of the Lease Commencement Date, any unutilized Tenant Improvement Allowance remaining as of such date shall revert to Landlord and Tenant shall have no further right thereto. Tenant acknowledges that Tenant shall be solely responsible and liable to pay for costs of the Tenant Improvements that are in excess of the Maximum Allowance Amount. Any costs for the design and construction of the Tenant Improvements that are in excess of the Maximum Allowance Amount shall be paid by Tenant to Landlord in cash, in advance, within ten (10) days following Landlord's demand for payment. Landlord shall have no obligation to cause the construction of the Tenant Improvements prior to Landlord's receipt from Tenant of Tenant's share of the cost of the Tenant Improvements. Landlord and Tenant hereby acknowledge and agree that Landlord shall be entitled to a construction supervision and management fee (the "Landlord Coordination Fee") in an amount equal to the product of (i) ten percent (10%), and (ii) the total costs of the Tenant Improvements. The Landlord Coordination Fee shall be deducted from the Tenant Improvement Allowance. Notwithstanding the foregoing or any contrary provision of the Lease, all Tenant Improvements shall be deemed Landlord's property under the terms of the Lease.

Tenant shall make no changes, additions or modifications to the Tenant Improvements or require the installation of any "Non-Conforming Improvements," as defined in Article 2, below without the prior written consent of Landlord, which consent may be withheld in Landlord's sole discretion if such change or modification would directly or indirectly impose any additional costs or delay the construction of the Tenant Improvements.

ARTICLE 2

OTHER IMPROVEMENTS

Notwithstanding anything to the contrary contained herein, Tenant shall be responsible for the cost of any items not identified in the Space Plan and/or any items requiring other than Building standard methods, materials, components or finishes (collectively, the "**Non-Conforming Improvements**"). In connection therewith, any costs which arise in connection with any such Non-Conforming Improvements shall be paid by Tenant to Landlord in cash, in advance, upon Landlord's request. In addition to such costs of Non-Conforming Improvements, Landlord shall be entitled to receive from Tenant a construction supervision and management fee in an amount equal to the product of (i) 10 percent (10%), and (ii) the total costs of the Non-Conforming Improvements. Any such amounts required to be paid by Tenant shall be disbursed by Landlord prior to any Landlord provided funds for the costs of construction of the Tenant Improvements.

ARTICLE 3

CONTRACTOR'S WARRANTIES AND GUARANTIES

Landlord hereby assigns to Tenant all warranties and guaranties by the contractor who constructs the Tenant Improvements (the "**Contractor**") relating to the Tenant Improvements, and Tenant hereby waives all claims against Landlord relating to or arising out of the design and construction of the Tenant Improvements and/or Non-Conforming Improvements.

ARTICLE 4

TENANT'S AGENTS

Tenant hereby protects, defends, indemnifies and holds Landlord harmless for any loss, claims, damages or delays arising from the actions of Tenant's space planner/architect and/or any separate contractors, subcontractors or consultants on the Premises or in the Building.

ARTICLE 5

SUBSTANTIAL COMPLETION

5.1 **Substantial Completion**. For purposes of this Lease, "**Substantial Completion**" of the Tenant Improvements shall be deemed to occur upon the date of the substantial completion of construction of the Tenant Improvements in the Premises as reasonably determined by Landlord, with the exception of any punch list items and any tenant fixtures, work-stations (including any related fixture and/or equipment electrification), built-in furniture or equipment (including security and other Tenant systems), or other items to be installed by Tenant.

5.2 **Delay of the Substantial Completion of the Tenant Improvements**. Except as provided in this Section 5.2, the Lease Commencement Date shall occur as set forth in the Lease. If there shall be a delay or there are delays in the Substantial Completion of the Tenant Improvements or in the occurrence of any of the other conditions precedent to the Lease Commencement Date, as set forth in the Lease, as a direct, indirect, partial, or total result of:

5.2.1 Tenant's failure to timely respond to Landlord's request for information or approval as to any matter requiring Tenant's information or approval;

5.2.2 A breach by Tenant of the terms of this Tenant Work Letter or the Lease;

5.2.3 Tenant's request for changes in the Space Plan or the Tenant Improvements;

EXHIBIT B

5.2.4 Tenant's request for materials, components, finishes or improvements which are not available in a commercially reasonable time given the anticipated date of Substantial Completion of the Premises, or which are different from, or not included in, Landlord's standard improvement package items for the Building; or

5.2.5 Any other acts or omissions of Tenant, or its agents, or employees;

then, notwithstanding anything to the contrary set forth in the Lease or this Tenant Work Letter and regardless of the actual date of the Substantial Completion of the Tenant Improvements, the date of Substantial Completion of the Tenant Improvements shall be deemed to be the date the Substantial Completion of the Tenant Improvements would have occurred if no Tenant delay or delays, as set forth above, had occurred (as reasonably determined by Landlord).

ARTICLE 6

MISCELLANEOUS

6.1 **Tenant's Cooperation.** Tenant shall cooperate in good faith with Landlord to supply such information as is necessary to allow the Landlord's architects and engineers to complete any necessary architectural and engineering drawings for the Tenant Improvements in a form which is complete to allow subcontractors to bid on the work and to obtain all applicable permits and in a manner consistent with, and which are a logical extension of, the Space Plan (as reasonably determined by Landlord) and otherwise in accordance with Building standards. Tenant acknowledges that the timing of the completion of the Tenant Improvements is of the utmost importance to Landlord. Accordingly, Tenant hereby agrees to fully and diligently cooperate with all reasonable requests by Landlord in connection with or related to the design and construction of the Tenant Improvements, and in connection therewith, shall respond to Landlord's requests for information and/or approvals, except as specifically set forth herein to the contrary, within one (1) business day following request by Landlord.

6.2 **Tenant's Representative.** Tenant has designated Armando Hernandez as its sole representative with respect to the matters set forth in this Tenant Work Letter, who, until further notice to Landlord, shall have full authority and responsibility to act on behalf of the Tenant as required in this Tenant Work Letter.

6.3 **Landlord's Representative.** Landlord shall designate a "Project Manager" who shall be responsible for the implementation of all Tenant Improvements to be performed by Landlord in the Premises. With regard to all matters involving such Tenant Improvements, Tenant shall communicate with the Project Manager rather than with the Contractor. Landlord shall not be responsible for any statement, representation or agreement made between Tenant and the Contractor or any subcontractor. It is hereby expressly acknowledged by Tenant that such Contractor is not Landlord's agent and has no authority whatsoever to enter into agreements on Landlord's behalf or otherwise bind Landlord. The Project Manager will furnish Tenant with notices of substantial completion, cost estimates for Non-Conforming Improvements, Landlord's approvals or disapprovals of all documents to be prepared by Tenant pursuant to this Tenant Work Letter and changes thereto.

6.4 **Prevailing Wage.** All contractors, subcontractors, laborers, materialmen, and suppliers, retained by either Landlord or Tenant under contract to perform the Tenant Improvements, shall be paid no less than the general prevailing wage for each craft or type of worker needed to perform the Tenant Improvements, at such rate(s) as have been determined by the Director of the Department of Industrial Relations of the State of California in accordance with State Labor Code Section 1770 et seq.

6.5 **Tenant's Agents.** All subcontractors, laborers, materialmen, and suppliers retained directly by Tenant shall all be union labor in compliance with the master labor agreements existing between trade unions and the Southern California Chapter of the Associated General Contractors of America.

6.6 Time of the Essence in This Tenant Work Letter. In all instances where Tenant is required to approve or deliver an item, if no written notice of approval is given or the item is not delivered within the stated time period, at Landlord's sole option, at the end of such period the item shall automatically be deemed approved or delivered by Tenant and the next succeeding time period shall commence.

6.7 Tenant's Lease Default. Notwithstanding any provision to the contrary contained in this Lease or this Tenant Work Letter, if any default by Tenant under this Lease or this Tenant Work Letter (including, without limitation, any failure by Tenant to fund in advance the costs for any Non-Conforming Improvements) occurs, then (i) in addition to all other rights and remedies granted to Landlord pursuant to this Lease, Landlord shall have the right to cause the cessation of construction of the Tenant Improvements (in which case, Tenant shall be responsible for any delay in the Substantial Completion of the Tenant Improvements and any costs occasioned thereby), and (ii) all other obligations of Landlord under the terms of this Lease and this Tenant Work Letter shall be forgiven until such time as such default is cured pursuant to the terms of this Lease.

6.8 No Constructive Eviction; Tenant Cooperation. Notwithstanding any provision of the Prior Lease, Tenant acknowledges and agrees that the provisions of this Section 6.8 are binding upon Tenant and grant to Landlord the right to enter upon the Premises (including the Existing Premises as may be reasonably necessary) at all reasonable times prior to and after the Lease Commencement Date for purposes of constructing the Tenant Improvements. Tenant hereby acknowledges that (i) Landlord shall have no obligation to complete the construction of the Tenant Improvements prior to the Lease Commencement Date, (ii) subject to the terms and conditions of this Section 6.8, Landlord, the Contractor, and/or any other party involved in connection with the construction of the Tenant Improvements shall have the right to construct the Tenant Improvements on and after the Lease Commencement Date and during Tenant's occupancy of the Premises pursuant to the terms and conditions of this Lease, and (iii) notwithstanding Tenant's occupancy of the Premises during the construction of the Tenant Improvements, Tenant shall fully comply and cooperate with requests made by Landlord, the Contractor, and/or any other party involved in connection with the construction of the Tenant Improvements. Tenant, at Tenant's sole cost and expense, shall provide Landlord with (a) access to the Premises for the construction of the Tenant Improvements, and (b) a clear working area for the performance of such work (including, but not limited to, the moving of furniture, fixtures and Tenant's property away from the area in which Landlord is conducting such work). Tenant hereby agrees that the construction of the Tenant Improvements, and Tenant's inability to use any portion of the Premises as a result thereof, shall in no way constitute a constructive eviction of Tenant nor entitle Tenant to any abatement of rent. Landlord shall have no responsibility, or for any reason be liable, to Tenant for any direct or indirect injury to, or interference with, Tenant's business arising from the construction of the Tenant Improvements, nor shall Tenant be entitled to any compensation or damages from Landlord for loss of the use of the whole or any part of the Premises, or of Tenant's personal property or improvements, resulting from the construction of the Tenant Improvements or Landlord's actions in connection therewith, or for any inconvenience or annoyance occasioned by the construction of the Tenant Improvements or Landlord's actions in connection therewith.
