**Comments for Public Posting:** Hello, I'm writing in favor of 23-1066 CD 5 (Midvale interim housing project) which will be voted on tomorrow (10/20/2023). We are in a housing and homelessness crisis and the only way to solve it is to build more housing, including interim homeless housing. I am a resident of DTLA and CD-14 and am VP Outreach of the DTLA Neighborhood Council (speaking only for myself here). Our neighborhood has taken on the brunt of the homelessness crisis and we need other districts like CD-5 to step up. I applaud Councilmember Yaroslavsky for brining this project forward. I've heard the neighbors mention another potential project at Cotler. CD-5 should do BOTH the Midvale and Cotler projects. We are all in this together in the fight against homelessness. Thanks for all your hard work! Sincerely, Jens Midthun

**Comments for Public Posting:** I absolutely support the homelessness housing project on Midvale and applaud CM Yaroslavsky for standing up for this project despite the incredibly foul opposition from NIMBYs.

**Comments for Public Posting:** I am writing in support of approval for the Midvale Homeless Housing project. This housing is desperately needed to address the ongoing homelessness and housing crisis, and Councilmember Yaroslavsky's leadership in advancing this project has been both admirable and politically brave. We cannot leave our neighbors out in the cold, and housing is the indispensable solution to homelessness. I urge council to support.
