City Hall, Room 395

Honorable Members of the City Council:

Subject:

Campo De Cahuenga Historical Museum – Memorandum of Understanding with the Campo De Cahuenga Historical Memorial Association in support of the Campo De Cahuenga Historical Museum – categorical exemption from the provisions of the California Environmental Quality Act (CEQA) pursuant to article 19, section 15301 [permitting, leasing, licensing, or minor alteration of existing public or private structures, facilities, mechanical equipment, or topographical features, involving negligible or no expansion of existing or former use] of California CEQA guidelines and article iii, section 1, class 1(14) of city CEQA guidelines

Recommendation for Council Action:

The Board of Recreation and Park Commissioners (Board) respectfully requests the City Council authorize the Department of Recreation and Parks (RAP) (i) Approve the proposed Memorandum of Understanding (MOU) between the City of Los Angeles acting through the Department of Recreation and Parks (RAP) (collectively, "City") and Campo de Cahuenga Historical Memorial Association ("Association"), included herein as Attachment 1, in support of the Campo de Cahuenga Historical Museum through fundraising, volunteer program participation, and historical guidance for an initial term of five years, and an option to renew for an additional five years at the sole discretion of City, as described by the Summary of this Report.

Background:

In 1923, the City of Los Angeles purchased the Campo de Cahuenga Historical Museum property (Campo), now a 0.40 acre historic park located at 3919 Lankershim Boulevard in the community of North Hollywood, which is currently managed and maintained by RAP. Following the Campo's dedication in 1951, the property ultimately became City of Los Angeles Cultural-Historic Monument No. 29 in 1964. This adobe-like building is where the Treaty of Cahuenga (aka Articles of Capitulation) was signed on January 13, 1847 by Lt. Col. John C. Fremont of the United States Army and General Andres Pico of Mexico to end hostilities between the United States and Mexico in California. The treaty paved the way for California to become a state a few years later following the signing of the Treaty of Guadalupe Hidalgo which ended the Mexican-American War on February 2, 1848, and ceded several Mexican territories to the United States, which eventually

became states. With its rich history, the Campo also holds the title of being State Landmark #151.

The Campo de Cahuenga Historical Memorial Association (“Association”) is a non-profit corporation with a mission to preserve the unique historical significance of the Campo through advocacy, exhibition, education, promotion and enhancement. It is understood that since 1906, the Association and its founders have led the way for the public memorialization, as well as the curatorial collection and exhibition of artifacts and replica items associated with the signing of the Treaty of Cahuenga. Through its collaboration with RAP, the Association currently provides RAP with fundraising support, historical guidance, volunteer-docent led tours, participation in RAP programs at the Campo, and the conduct of certain special events, such as the Reenactment of the Signing of Articles of Capitulation.

The proposed MOU establishes the new roles and responsibilities that RAP and the Association will play for the preservation and operation of the Campo, and stipulates the terms and conditions for fundraising, program participation, and use of the Campo for the Association. Prior to 2020, the Association was authorized to operate the Campo independently under prior agreements with no on-site RAP presence. However, the Association’s operational limitations only allowed them to open the Campo to the public twice per month: on the first and third Saturdays of each month. Moreover, due to diminishing Association memberships at the time, the Association was having difficulty opening the doors to the public on a regular basis. With assistance and support received from the Office of Councilmember Krikorian of the Second Council District (CD2), RAP began to explore the self-operation of the Campo with support from the Association. RAP had numerous discussions with the Association regarding the transition to RAP operation, which would relieve the Association of all operational responsibilities and certain financial obligations, such as no longer having to pay RAP Cost Recovery Reimbursement Fees for utilities, solid waste removal, and staff impacts.

With the support of CD2, and subsequent approved funding in place, RAP was able to assign one full-time staff member and hire two part-time staff members which allowed RAP to expand the hours of operation and implement new programming, such as regular monthly guest speakers and holiday events, while continuing to conduct scheduled group tours and permit the facility to community user groups and individuals. The Campo is now open to the public free of charge for casual viewing on Tuesday through Friday from 10:00 am to 4:00 pm, and Saturday from 10:00 am to 2:00 pm; and for prescheduled fee-based group tours. The knowledgeable Association members serve as volunteer-docents who work with RAP staff to enhance the public’s experience and are available to explain the significance of the Campo’s history and inform RAP Planning and Maintenance staff regarding the historical significance of the Campo.

In fiscal year 2023-24, the Campo had approximately 720 visitors, which is anticipated to increase in the future with the assistance of the Association.

As with prior agreements, the Association will continue to maintain insurance coverage under the proposed MOU, as specified by the RAP Risk Manager.

Fiscal Impact Statement:

Approval of the proposed MOU will have no financial impact on RAP’s General Fund as the Association will provide the support described in this Report and the MOU at no cost to RAP.

The costs associated with RAP's operation and maintenance of the Campo will be RAP's responsibility regardless of the proposed MOU. This action will have no impact on RAP's General Fund.

If you have any questions with regard to the aforementioned matters, please contact Joel Alvarez, Senior Management Analyst II, Partnership Division at (213) 718-2007.

Very truly yours,

ENVIRONMENTAL STATEMENT

The proposed Project consists of permitting the use of existing public structures, involving negligible or no expansion of existing or former use.

According to the parcel profile report retrieved on January 6, 2025 this area resides in a liquefaction zone, but the construction of this Project will not create conditions that could lead to liquefaction. This site is not within a coastal, methane, or historic zone, so there is no reasonable possibility that the proposed Project may impact an environmental resource of hazardous or critical concern or have a significant effect due to unusual circumstances. No other known projects would involve cumulatively significant impacts, and no future projects would result from the proposed Project. As of January 6, 2025, the State Department of Toxic Substances Control (DTSC) (Envirostor at www.envirostor.dtsc.ca.gov) and the State Water Resources Control Board (SWRCB) (Geotracker at <https://geotracker.waterboards.ca.gov/>) have not listed the Project site. They listed five leaking underground storage tanks cases near the Project area (within 1,000 feet). The Regional Water Quality Control Board closed RB Case # 916080025 and RB Case # 916080052 in 1996, RB Case # 916080061 and RB Case # 916041189 in 2009; RB Case # R-

00211 in 2014. None of them represent a threat for the patrons of the site. According to the Caltrans Scenic Highway Map, there is no scenic highway located within – or adjacent to – the Project site. Campo de Cahuenga is one of California's most important historic locations, it is the site of where the 1847 articles of capitulation between Mexico and the United States that ended fighting in California were signed. The site includes the remnants of the adobe house where the articles were signed, a parking lot with a celebratory fountain, a landscaped area with historical significance and a memorial building. The site is listed in the National Register of Historic Places (NRHP #72001602), is a California Historical Landmark (CHL #51) and a City of Los Angeles Historic Cultural Monument (HCM #29). The proposed Project does not include construction or repairs, therefore there will be no substantial adverse change in the significance of this historical resource

Based in this information, staff recommends that the Board determine that the proposed Project is categorically exempt from the provisions of the California Environmental Quality Act (CEQA) pursuant to Article 19, Section 15301 of California CEQA Guidelines as well as Article III, Section 1, Class 1(14) of City CEQA Guidelines. Staff will file a Notice of Exemption with the Los Angeles County Clerk and the Governor's Office of Land Use and Climate Innovation (former Office of Planning and Research) upon Board's approval.

FISCAL IMPACT STATEMENT

Approval of the proposed MOU will have no financial impact on RAP's General Fund as the Association will provide the support described in this Report and the MOU at no cost to RAP. The costs associated with RAP's operation and maintenance of the Campo will be RAP's responsibility regardless of the proposed MOU.

In the event of any serious injury occurring while RAP STAFF is not available, ASSOCIATION must immediately call 911, and report the occurrence to RAP STAFF or the Valley Recreation Services Office within 24 hours of the occurrence.
- d. **Insurance.** ASSOCIATION shall be fully insured, and as a requirement of this MOU, shall maintain the insurance coverage specified by the City Administrative Officer's (CAO) Risk Manager on Form 146R, as determined by the RAP Risk Manager, attached hereto and incorporated herein by reference as Exhibit C. RAP VOLUNTEERS may assist RAP STAFF in the operation of the CAMPO as may be determined necessary by, and in coordination with, RAP STAFF. Such duties of RAP VOLUNTEERS may include assistance to RAP STAFF with RAP sponsored programs and events, and the provision of docent led public tours of the CAMPO.

It is understood by PARTIES that subject to the terms and conditions of this MOU, PARTIES agree that the use of such INVENTORY shall be used by RAP and ASSOCIATION on a shared and cooperative basis for the benefit and enjoyment of the public, including its use for historical research and education. It is further agreed and understood by PARTIES that no item owned by ASSOCIATION shall not be removed from the CAMPO, altered, or co-mingled with another collection without the express written consent of ASSOCIATION. Should this MOU be terminated, or ASSOCIATION ceases to exist or is no longer able to fulfill its obligations under this MOU, RAP and ASSOCIATION agree to discuss in good faith to make arrangements for the loaning or release of the ASSOCIATION-owned INVENTORY to RAP, which shall remain at the CAMPO for the continued historical benefit and enjoyment of the public, or to identify any items that are deemed necessary and appropriate to be removed from the CAMPO.
- 9. **PUBLICITY.** CITY and ASSOCIATION agree to cooperate and coordinate with respect to the nature, text, and timing of any press release or public announcement(s) concerning the existence of this MOU, the use or promotion of the CAMPO, the acquisition of any real property, or construction of any improvements at the CAMPO, except as may be legally required by applicable laws, regulations, or judicial order. CITY and ASSOCIATION agree to notify each other in writing of any press release, public announcement, marketing or promotion of the CAMPO, prior to the release of any such distribution of materials. Further, any press release, public announcement, marketing materials, or brochures prepared by either CITY or ASSOCIATION, shall appropriately acknowledge the contributions of both CITY and ASSOCIATION. All press releases, public announcements, and marketing materials relative to

CITY OF LOS ANGELES

INSTRUCTIONS AND INFORMATION ON COMPLYING WITH CITY INSURANCE REQUIREMENTS

(Share this information with your insurance agent or broker)

1. Agreement/Reference All evidence of insurance should identify the nature of your business with the CITY. Clearly show any assigned number of a bid, contract, lease, permit, etc. or give the project name and the job site or street address to ensure that your submission will be properly credited. Provide the **types of coverage and minimum dollar amounts** specified on the Required Insurance and Minimum Limits sheet (Form Gen. 146) included in your CITY documents.

2. When to Submit Normally, no work may begin until a CITY insurance certificate approval number ("CA number") has been obtained, so insurance documents should be submitted as early as practicable. For **As-needed Contracts**, insurance need not be submitted until a specific job has been awarded. **Design Professionals** coverage for new construction work may be submitted simultaneously with final plans and drawings, but before construction commences.

3. Acceptable Evidence and Approval Electronic submission is the required method of submitting your documents. **KwikComply** is the CITY's online insurance compliance system and is designed to make the experience of submitting and retrieving insurance information quick and easy. The system is designed to be used by insurance brokers and agents as they submit client insurance certificates directly to the City. It uses the standard insurance industry form known as the **ACORD 25 Certificate of Liability Insurance** in electronic format. **KwikComply** advantages include standardized, universally accepted forms, paperless approval transactions (24 hours, 7 days per week), and security checks and balances. The easiest and quickest way to obtain approval of your insurance is to have your insurance broker or agent access **KwikComply** at <https://kwikcomply.org/> and follow the instructions to register and submit the appropriate proof of insurance on your behalf.

Contractor must provide City a thirty (30) day notice of cancellation (ten (10) days for non-payment of premium) AND an Additional Insured Endorsement naming the CITY an additional insured completed by your insurance company or its designee. If the policy includes an automatic or blanket additional insured endorsement, the Certificate must state the CITY is an automatic or blanket additional insured. An endorsement naming the CITY an Additional Named Insured and Loss Payee as Its Interests May Appear is required on property policies. All evidence of insurance must be authorized by a person with authority to bind coverage, whether that is the authorized agent/broker or insurance underwriter.

Additional Insured Endorsements DO NOT apply to the following:

- Indication of compliance with statute, such as Workers' Compensation Law.
- Professional Liability insurance.

Verification of approved insurance and bonds may be obtained by checking **KwikComply**, the CITY's online insurance compliance system, at <https://kwikcomply.org/>.

4. Renewal When an existing policy is renewed, have your insurance broker or agent submit a new Acord 25 Certificate or edit the existing Acord 25 Certificate through **KwikComply** at <https://kwikcomply.org/>.

5. Alternative Programs/Self-Insurance Risk financing mechanisms such as Risk Retention Groups, Risk Purchasing Groups, off-shore carriers, captive insurance programs and self-insurance programs are subject to separate approval after the CITY has reviewed the relevant audited financial statements. To initiate a review of your program, you should complete the

Applicant's Declaration of Self Insurance form (<http://cao.lacity.org/risk/InsuranceForms.htm>) to the Office of the City Administrative Officer, Risk Management for consideration.

6. **General Liability** insurance covering your operations (and products, where applicable) is required whenever the CITY is at risk of third-party claims which may arise out of your work or your presence or special event on City premises. **Sexual Misconduct** coverage is a required coverage when the work performed involves minors. **Fire Legal Liability** is required for persons occupying a portion of CITY premises. Information on two CITY insurance programs, the SPARTA program, an optional source of low-cost insurance which meets the most minimum requirements, and the Special Events Liability Insurance Program, which provides liability coverage for short-term special events on CITY premises or streets, is available at (www.2sparta.com), or by calling (800) 420-0555.

7. **Automobile Liability** insurance is required only when vehicles are used in performing the work of your Contract or when they are driven off-road on CITY premises; it is not required for simple commuting unless CITY is paying mileage. However, compliance with California law requiring auto liability insurance is a contractual requirement.

8. **Errors and Omissions** coverage will be specified on a project-by-project basis if you are working as a licensed or other professional. The length of the claims discovery period required will vary with the circumstances of the individual job.

9. **Workers' Compensation and Employer's Liability** insurance are not required for single-person contractors. However, under state law these coverages (or a copy of the state's Consent To Self Insure) must be provided if you have any employees at any time during the period of this contract. Contractors with no employees must complete a Request for Waiver of Workers' Compensation Insurance Requirement (<http://cao.lacity.org/risk/InsuranceForms.htm>). A **Waiver of Subrogation** on the coverage is required only for jobs where your employees are working on CITY premises under hazardous conditions, e.g., uneven terrain, scaffolding, caustic chemicals, toxic materials, power tools, etc. The Waiver of Subrogation waives the insurer's right to recover (from the CITY) any workers' compensation paid to an injured employee of the contractor.

10. **Property Insurance** is required for persons having exclusive use of premises or equipment owned or controlled by the CITY. **Builder's Risk/Course of Construction** is required during construction projects and should include building materials in transit and stored at the project site.

11. **Surety** coverage may be required to guarantee performance of work and payment to vendors and suppliers. A **Crime Policy** may be required to handle CITY funds or securities, and under certain other conditions. **Specialty coverages** may be needed for certain operations. For assistance in obtaining the CITY required bid, performance and payment surety bonds, please see the City of Los Angeles Contractor Development and Bond Assistance Program website address at <http://cao.lacity.org/risk/BondAssistanceProgram.pdf> or call (213) 258-3000 for more information.

12. **Cyber Liability & Privacy** coverage may be required to cover technology services or products for both liability and property losses that may result when a CITY contractor engages in various electronic activities, such as selling on the Internet or collecting data within its internal electronic network. Contractor's policies shall cover liability for a data breach in which the CITY employees' and/or CITY customers' confidential or personal information, such as but not limited to, Social Security or credit card information are exposed or stolen by a hacker or other criminal who has gained access to the CITY's or contractor's electronic network. The policies shall cover a variety of expenses associated with data breaches, including: notification costs, credit monitoring, costs to defend claims by state regulators, fines and penalties, and loss resulting from identity theft. The policies are required to cover liability arising from website media content, as well as property exposures from: (a) business interruption, (b) data loss/destruction, (c) computer fraud, (d) funds transfer loss, and (e) cyber extortion.

STANDARD PROVISIONS FOR CITY CONTRACTS

PSC-1. Construction of Provisions and Titles Herein

All titles, subtitles, or headings in this Contract have been inserted for convenience, and shall not be deemed to affect the meaning or construction of any of the terms or provisions of this Contract. The language of this Contract shall be construed according to its fair meaning and not strictly for or against **CITY** or **CONTRACTOR**. The word "**CONTRACTOR**" includes the party or parties identified in this Contract. The singular shall include the plural and if there is more than one **CONTRACTOR**, unless expressly stated otherwise, their obligations and liabilities shall be joint and several. Use of the feminine, masculine, or neuter genders shall be deemed to include the genders not used.

PSC-2. Applicable Law, Interpretation and Enforcement

Each party's performance shall comply with all applicable laws of the United States of America, the State of California, and **CITY**, including but not limited to, laws regarding health and safety, labor and employment, wage and hours and licensing. This Contract shall be enforced and interpreted under the laws of the State of California without regard to conflict of law principles. **CONTRACTOR** shall comply with new, amended, or revised laws, regulations, or procedures that apply to the performance of this Contract with no additional compensation paid to **CONTRACTOR**.

In any action arising out of this Contract, **CONTRACTOR** consents to personal jurisdiction, and agrees to bring all such actions, exclusively in state or federal courts located in Los Angeles County, California.

If any part, term or provision of this Contract is held void, illegal, unenforceable, or in conflict with any federal, state or local law or regulation, the validity of the remaining parts, terms or provisions of this Contract shall not be affected.

PSC-3. Time of Effectiveness

Unless otherwise provided, this Contract shall take effect when all of the following events have occurred:

- A. This Contract has been signed on behalf of **CONTRACTOR** by the person or persons authorized to bind **CONTRACTOR**;
- B. This Contract has been approved by the City Council or by the board, officer or employee authorized to give such approval;
- C. The Office of the City Attorney has indicated in writing its approval of this Contract as to form; and
- D. This Contract has been signed on behalf of **CITY** by the person designated by the City Council, or by the board, officer or employee authorized to enter into this Contract.

PSC-4. Integrated Contract

This Contract sets forth all of the rights and duties of the parties with respect to the subject matter of this Contract, and replaces any and all previous Contracts or understandings, whether written or oral, relating thereto. This Contract may be amended only as provided for in the provisions of PSC-5 hereof.

PSC-5. Amendment

All amendments to this Contract shall be in writing and signed and approved pursuant to the provisions of PSC-3.

PSC-6. Excusable Delays

Neither party shall be liable for its delay or failure to perform any obligation under and in accordance with this Contract, if the delay or failure arises out of fires, floods, earthquakes, epidemics, quarantine restrictions, other natural occurrences, strikes, lockouts (other than a lockout by the party or any of the party's Subcontractors), freight embargoes, terrorist acts, insurrections or other civil disturbances, or other similar events to those described above, but in each case the delay or failure to perform must be beyond the control and without any fault or negligence of the party delayed or failing to perform (these events are referred to in this provision as "Force Majeure Events").

Notwithstanding the foregoing, a delay or failure to perform by a Subcontractor of **CONTRACTOR** shall not constitute a Force Majeure Event, unless the delay or failure arises out of causes beyond the control of both **CONTRACTOR** and Subcontractor, and without any fault or negligence of either of them. In such case, **CONTRACTOR** shall not be liable for the delay or failure to perform, unless the goods or services to be furnished by the Subcontractor were obtainable from other sources in sufficient time to permit **CONTRACTOR** to perform timely. As used in this Contract, the term "Subcontractor" means a subcontractor at any tier.

In the event **CONTRACTOR'S** delay or failure to perform arises out of a Force Majeure Event, **CONTRACTOR** agrees to use commercially reasonable best efforts to obtain the goods or services from other sources, and to otherwise mitigate the damages and reduce the delay caused by the Force Majeure Event.

PSC-7. Waiver

A waiver of a default of any part, term or provision of this Contract shall not be construed as a waiver of any succeeding default or as a waiver of the part, term or provision itself. A party's performance after the other party's default shall not be construed as a waiver of that default.

PSC-8. Suspension

At **CITY'S** sole discretion, **CITY** may suspend any or all services provided under this Contract by providing **CONTRACTOR** with written notice of suspension. A. Termination for Convenience

CITY may terminate this Contract for **CITY'S** convenience at any time by providing **CONTRACTOR** thirty days written notice. Upon receipt of the notice of termination, **CONTRACTOR** shall immediately take action not to incur any additional obligations, costs or expenses, except as may be necessary to terminate its activities. **CITY** shall pay **CONTRACTOR** its reasonable and allowable costs through the effective date of termination and those reasonable and necessary costs incurred by **CONTRACTOR** to effect the termination. Thereafter, **CONTRACTOR** shall have no further claims against **CITY** under this Contract. All finished and unfinished documents and materials procured for or produced under this Contract, including all intellectual property rights **CITY** is entitled to, shall become **CITY** property upon the date of the termination. **CONTRACTOR** agrees to execute any documents necessary for **CITY** to perfect, memorialize, or record **CITY'S** ownership of rights provided herein.

B. Termination for Breach of Contract

1. Except as provided in PSC-6, if **CONTRACTOR** fails to perform any of the provisions of this Contract or so fails to make progress as to endanger timely performance of this Contract, **CITY** may give **CONTRACTOR** written notice of the default. **CITY'S** default notice will indicate whether the default may be cured and the time period to cure the default to the sole satisfaction of **CITY**. Additionally, **CITY'S** default notice may offer **CONTRACTOR** an opportunity to provide **CITY** with a plan to cure the default, which shall be submitted to **CITY** within the time period allowed by **CITY**. At **CITY'S** sole discretion, **CITY** may accept or reject **CONTRACTOR'S** plan. If the default cannot be cured or if **CONTRACTOR** fails to cure within the period allowed by **CITY**, then **CITY** may terminate this Contract due to **CONTRACTOR'S** breach of this Contract.
2. If the default under this Contract is due to **CONTRACTOR'S** failure to maintain the insurance required under this Contract, **CONTRACTOR** shall immediately: (1) suspend performance of any services under this Contract for which insurance was required; and (2) notify its employees and Subcontractors of the loss of insurance coverage and Contractor's obligation to suspend performance of

 - b. If **CONTRACTOR** or a Key Person is convicted of, pleads nolo contendere to, or forfeits bail or fails to appear in court for a hearing related to, an Act of Moral Turpitude, **CITY** may immediately terminate this Contract.
 - c. If **CONTRACTOR** or a Key Person is charged with or indicted for an Act of Moral Turpitude, **CITY** may terminate this Contract after providing **CONTRACTOR** an opportunity to present evidence of **CONTRACTOR'S** ability to perform under the terms of this Contract.

- e. For the purposes of this provision, a Key Person is a principal, officer, or employee assigned to this Contract, or owner (directly or indirectly, through one or more intermediaries) of ten percent or more of the voting power or equity interests of **CONTRACTOR**.
- 6. In the event **CITY** terminates this Contract as provided in this section, **CITY** may procure, upon such terms and in the manner as **CITY** may deem appropriate, services similar in scope and level of effort to those so terminated, and **CONTRACTOR** shall be liable to **CITY** for all of its costs and damages, including, but not limited to, any excess costs for such services.
- 7. If, after notice of termination of this Contract under the provisions of this section, it is determined for any reason that **CONTRACTOR** was not in default under the provisions of this section, or that the default was excusable under the terms of this Contract, the rights and obligations of the parties shall be the same as if the notice of termination had been issued pursuant to PSC-9(A) Termination for Convenience.
- 8. The rights and remedies of **CITY** provided in this section shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.
- C. In the event that this Contract is terminated, **CONTRACTOR** shall immediately notify all employees and Subcontractors, and shall notify in writing all other parties contracted with under the terms of this Contract within five working days of the termination.

PSC-11. Contractor's Personnel

Unless otherwise approved by **CITY**, **CONTRACTOR** shall use its own employees to perform the services described in this Contract. **CITY** has the right to review and approve any personnel who are assigned to work under this Contract. **CONTRACTOR** shall remove personnel from performing work under this Contract if requested to do so by **CITY**.

CONTRACTOR shall not use Subcontractors to assist in performance of this Contract without the prior written approval of **CITY**. Seeking injunctive relief or specific performance does not preclude **CITY** from seeking or obtaining any other relief to which **CITY** may be entitled.

For all Work Products delivered to **CITY** that are not originated or prepared by **CONTRACTOR** or its Subcontractors under this Contract, **CONTRACTOR** shall secure a grant, at no cost to **CITY**, for a non-exclusive perpetual license to use such Work Products for any **CITY** purposes.

- 4. Modification of Coverage.** The CITY reserves the right at any time during the term of this Contract to change the amounts and types of insurance required hereunder by giving CONTRACTOR ninety (90) days' advance written notice of such change. If such change should result in substantial additional cost to CONTRACTOR, the CITY agrees to negotiate additional compensation proportional to the increased benefit to the CITY.
- 5. Failure to Procure Insurance.** All required insurance must be submitted and approved by the Office of the City Administrative Officer, Risk Management prior to the inception of any operations by CONTRACTOR.

CONTRACTOR'S failure to procure or maintain required insurance or a self-insurance program during the entire term of this Contract shall constitute a material breach of this Contract under which the CITY may immediately suspend or terminate this Contract or, at its discretion, procure or renew such insurance to protect the CITY'S interests and pay any and all premiums in connection therewith and recover all monies so paid from CONTRACTOR.

self-insurance in accordance with the provisions of that Code, and that it will comply with such provisions at all time during the performance of the work pursuant to this Contract.

7. California Licensee. All insurance must be provided by an insurer admitted to do business in California or written through a California-licensed surplus lines broker or through an insurer otherwise acceptable to the CITY. Non-admitted coverage must contain a **Service of Suit** clause in which the underwriters agree to submit as necessary to the jurisdiction of a California court in the event of a coverage dispute. Service of process for this purpose must be allowed upon an agent in California designated by the insurer or upon the California Insurance Commissioner.

8. Aggregate Limits/Impairment. If any of the required insurance coverages contain annual aggregate limits, CONTRACTOR must give the CITY written notice of any pending claim or lawsuit which will materially diminish the aggregate within thirty (30) days of knowledge of same. You must take appropriate steps to restore the impaired aggregates or provide replacement insurance protection within thirty (30) days of knowledge of same. The CITY has the option to specify the minimum acceptable aggregate limit for each line of coverage required. No substantial reductions in scope of coverage which may affect the CITY'S protection are allowed without the CITY'S prior written consent.

9. Commencement of Work.
