Honorable Members of the City Council:

Subject:

Jackie Tatum Harvard Recreation Center - Amendment No. 1 to Agreement No. 4099 with Pete Brown Tennis for the expansion of the premises to allow the installation of an equipment Shed; categorical exemption from the provisions of the California Environmental Quality Act (CEQA) Pursuant To Article 19, Section 15301 [Permitting, Leasing, Licensing, Or Minor Alteration Of Existing Public Or Private Structures, Facilities, Mechanical Equipment, Or Topographical Features, Involving Negligible Or No Expansion Of Existing Or Former Use] and Section 15311 [Placement Of Minor Structures Accessory To (Appurtenant To) Existing Commercial, Industrial, Or Institutional Facilities] of California CEQA Guidelines and Article III, Section 1, Class 1(14) and Class 11(6) of City CEQA Guidelines

Recommendation for Council Action:

The Board of Recreation and Park Commissioners (Board) respectfully requests the City Council authorize the Department of Recreation and Parks (RAP) (i) Approve the proposed First Amendment (First Amendment) to Agreement No. 4099(Agreement) with the Pete Brown Junior Tennis Program (PBJTP) substantially in the form attached hereto as Attachment 1, to expand the Premises, as defined in Section 3 of the Agreement, to include the grass area adjacent to certain tennis courts located (Courts)and allow for the installation an equipment shed (Shed).

Background:

The Pete Brown Junior Tennis Program (PBJTP) currently operates its youth tennis program (Program) at Jackie Tatum Harvard Recreation Center (Center) under Agreement No. 4099 (Agreement), which is attached hereto as Attachment 2. The proposed amendment to the Agreement (First Amendment) is in response to a written request from PBJTP stating that it wishes to purchase, install, and maintain an equipment shed (Shed) on the grass area adjacent to the tennis courts at the Center. This Shed would allow PBJTP to store the equipment necessary to operate the Program. The Agreement as it currently stands does not include the grass area within the boundaries of the identified Premises, nor does it allow for the addition of a new structure.

Honorable Members of City Council

November 07, 2024

Page 2 of 2

The request for the expansion of the Premises and the installation of the Shed has been discussed with the Center Director-in-Charge, as well as Pacific Region maintenance and recreation staff, and all are supportive of this expansion of the Premises and the installation of the Shed, provided that PBJTP (i) purchase, install, and maintain the Shed utilizing their own funds, and (ii) commit to removing the Shed should it become a public hazard.

In 2023, PBJTP was integral in the securing of funds valued at approximately \$252,000.00 from the United States Tennis Association, which allowed for the rehabilitation and renovation of the Center's tennis courts. This project involved the patching and painting of eight tennis courts, installation of new nets, benches, windscreens, and shade structures; the Board approved these improvements on December 15, 2022 (Board Report No. 22-314).

Fiscal Impact Statement:

The proposed First Amendment will have no adverse fiscal impact on the RAP General Fund, as the cost to purchase, install and maintain the Shed will be fully covered by PBJTP at no expense to RAP.

If you have any questions with regard to this matter, please contact Melissa Bettis, Management Analyst, Partnerships Section, at (213) 202-5681.

Very truly yours,

SUMMARY

The Pete Brown Junior Tennis Program (PBJTP) currently operates its youth tennis program (Program) at Jackie Tatum Harvard Recreation Center (Center) under Agreement No. 4099 (Agreement), which is attached hereto as Attachment 2. The proposed amendment to the Agreement (First Amendment) is in response to a written request from PBJTP stating that it wishes to purchase, install, and maintain an equipment shed (Shed) on the grass area adjacent to the tennis courts at the Center. This Shed would allow PBJTP to store the equipment necessary to operate the Program. The Agreement as it currently stands does not include the grass area within the boundaries of the identified Premises, nor does it allow for the addition of a new structure.

The request for the expansion of the Premises and the installation of the Shed has been discussed with the Center Director-in-Charge, as well as Pacific Region maintenance and recreation staff, and all are supportive of this expansion of the Premises and the installation of the Shed, provided that PBJTP (i) purchase, install, and maintain the Shed utilizing their own funds, and (ii) commit to removing the Shed should it become a public hazard.

In 2023, PBJTP was integral in the securing of funds valued at approximately \$252,000.00 from the United States Tennis Association, which allowed for the rehabilitation and renovation of the Center's tennis courts. This project involved the patching and painting of eight tennis courts, installation of new nets, benches, windscreens, and shade structures; the Board approved these improvements on December 15, 2022 (Board Report No. 22-314).

BOARD REPORT

PG. 3 NO. 24-236

RAP staff recommends that the Board approve the proposed First Amendment authorizing the expansion of the Premises and the installation of the Shed as requested by PBJTP.

ENVIRONMENTAL IMPACT

The proposed Project consists of permitting, leasing, licensing, or minor alteration of existing public or private structures, facilities and location of a limited number of accessory structures.

According to the parcel profile report retrieved on October 17, 2024, this area resides in a liquefaction zone. The construction of this Project will not create conditions that could lead to liquefaction. This site is not within a coastal, methane, or historic zone, so there is no reasonable possibility that the proposed Project may impact an environmental resource of hazardous or critical concern or have a significant effect due to unusual circumstances. No other known projects would involve cumulatively significant impacts, and no future projects would result from the proposed Project. As of October 17, 2024, the State Department of Toxic Substances Control (DTSC) (Envirostor at www.envirostor.dtsc.ca.gov) and the State Water Resources Control Board (SWRCB) (Geotracker at <https://geotracker.waterboards.ca.gov/>) have not listed the Project site or any contaminated sites near the Project area (within 1,000 feet). According to the Caltrans Scenic Highway Map, there is no scenic highway located within – or in the vicinity of – the Project site. Furthermore, the proposed Project is not located in proximity of a known historical resource and will not cause a substantial adverse change in the significance of any historical resource.

Based in this information, staff recommends that the Board determines that the proposed Project is categorically exempt from the provisions of the California Environmental Quality Act (CEQA) pursuant to Article 19, Sections 15301 and 15311 of California CEQA Guidelines as well as to Article III, Section 1, Class 1(14) and Class 11(6) of City CEQA Guidelines. Staff will file a Notice of Exemption with the Los Angeles County Clerk and the California Office of Planning and Research upon Board's approval.

FISCAL IMPACT

The proposed First Amendment will have no adverse fiscal impact on the RAP General Fund, as the cost to purchase, install and maintain the Shed will be fully covered by PBJTP at no expense to RAP.

STRATEGIC PLAN INITIATIVES AND GOALS

Approval of this Board Report advances RAP's Strategic Plan by supporting:

Goal No. 2: Offer affordable and equitable recreation programming

Outcome No. 1: Improved health and social equity for young Angelenos

Goal No. 6: Build financial strength and innovative partnerships

With the understanding that the PERFORMANCE REVIEW PROCESS may be occasionally modified, a Sample Performance Report Questionnaire is attached

hereto and incorporated herein by reference as Exhibit B. RAP staff may provide instruction and coordination with the LICENSEE during the evaluation process as RAP may deem appropriate and necessary. CITY shall not unreasonably withhold its determination of the PERFORMANCE REVIEW.

6. ACCESS TO PREMISES

12. INSURANCE

Before accessing and using the PREMISES under this AGREEMENT, and periodically as required during its TERM, LICENSEE shall furnish CITY with evidence of insurance on an annual basis, from firms reasonably acceptable to CITY and approved to do such business in the State of California. LICENSEE or any third party providing work or services under this AGREEMENT shall name the City of Los Angeles and its boards, officers, agents, employees, assigns and successors in interest as an additional insured for all required coverage(s), as applicable. LICENSEE will ensure that like insurance will be maintained by any such third party. Evidence of required coverage shall be on forms reasonably acceptable to CITY's Risk Manager and shall include the types and minimum limits set forth in Exhibit D attached hereto and incorporated herein by reference.

- a. LICENSEE shall maintain all such insurance at its sole cost and expense throughout the TERM of this AGREEMENT. CITY may, by applying generally accepted risk management principles, change the required amounts and types of insurance to be effective at the renewal date of the insurance then in effect by giving LICENSEE sixty (60) calendar days written notice, provided that such amounts and/or types shall be reasonably available to LICENSEE.
- b. If any of the required insurance contains aggregate limits or applies to other operations of LICENSEE outside of this AGREEMENT, LICENSEE shall give CITY written notice of any incident, occurrence, claim, settlement or judgment against such insurance that in LICENSEE's best judgment may diminish the protection such insurance affords CITY within thirty (30) calendar days of the knowledge of same. LICENSEE shall further restore such aggregate limits or shall provide other replacement insurance for such aggregate limits within sixty (60) calendar days of the knowledge of same.
- c. If an insurance company elects to (i) cancel insurance before the stated expiration date, (ii) declines to renew in the case of a continuous policy, (iii) reduces the stated limits other than by impairment of an aggregate limit, or (iv) materially

reduces the scope of coverage, thereby affecting CITY's interest, LICENSEE shall provide CITY at least thirty (30) calendar days prior written notice of such intended election by the insurance company, or ten (10) calendar days prior written notice if such cancellation is for non-payment of premium. Such notice shall be sent by receipted delivery addressed as follows:

City Administrative Officer, Risk Management
200 North Main Street, Room 1240, City Hall East
Los Angeles, California 90012

Or to such address as CITY may specify by written notice to LICENSEE.

- d. LICENSEE's failure to procure and maintain the required insurance shall constitute a material breach of this AGREEMENT under which CITY may either (i) provide LICENSEE five (5) calendar days written notice of such failure, upon receipt of which LICENSEE shall have five (5) calendar days to cure such failure or CITY shall have the right to terminate the AGREEMENT or, (ii) at its discretion, pay to procure or renew such insurance to protect CITY's interest. LICENSEE agrees to reimburse CITY for all money so paid.
- e. Self-insurance programs and self-insured retention in insurance policies are subject to separate approval by CITY upon review of evidence of LICENSEE's financial capacity. Additionally, such programs or retention must provide CITY with an equivalent protection from liability.

13. INDEMNIFICATION

Except for the active negligence or willful misconduct of CITY, or any of its boards, officers, agents, employees, assigns and successors in interest, LICENSEE shall defend, indemnify and hold harmless CITY and any of its boards, officers, agents, employees, assigns, and successors in interest from and against all lawsuits and causes of action, claims, losses, demands and expenses, including, but not limited to, (1) attorney's fees (both in house and outside counsel) and cost of litigation (including all actual litigation costs incurred by CITY, including but not limited to, costs of experts and consultants), (2) damages or liability of any nature whatsoever, (3) for death or injury to any person, including LICENSEE's employees and agents, or (4) damage or destruction of any property of either party hereto or of third parties, arising in any manner by reason of an act, error, or omission by LICENSEE, its subcontractors, or their boards, officers, agents, employees, assigns, and successors in interest. The rights and remedies of CITY provided in this Section shall not be exclusive and are in addition to any other rights and remedies provided by law or under this AGREEMENT. This provision will survive expiration or termination of this AGREEMENT.

LICENSEE is aware of the condition of the PREMISES and accepts the PREMISES in its present condition, and agrees to abide by all health and safety regulations and orders. LICENSEE has carefully reviewed this document, understands its contents, and signs it voluntarily, without being subject to coercion.

LICENSEE further acknowledges and agrees that it knowingly and freely assumes all COVID-19 related risks, both known and unknown, relating to exercising the terms and conditions of this AGREEMENT and LICENSEE hereby forever releases, waives, relinquishes, and discharges CITY, along with its officers, agents, employees, or other representatives, and their successors and assigns, from any and all COVID-19 related claims, demands, liabilities, rights, damages, expenses, and causes of action of whatever kind or nature, and other losses of any kind, whether known or unknown, foreseen or unforeseen, as a result of LICENSEE's performance under this AGREEMENT, including but not limited to personal injuries, death, disease or property losses, or any other loss, and including but not limited to claims based on the alleged negligence of any City Representative or any other person related to COVID-19 sanitization. LICENSEE further promises and agrees to indemnify and hold CITY harmless from any and all damages resulting from the contraction of COVID-19.

14. SIGNAGE

No signs or banners of any kind shall be displayed by LICENSEE unless previously approved in writing by RAP, and the BOARD when required pursuant to RAP policy and protocol(s), and/or the RAP General Manager or his or her designee. Insurance Requirements

(Rev. 05/18)

CITY OF LOS ANGELES

INSTRUCTIONS AND INFORMATION ON COMPLYING WITH CITY INSURANCE REQUIREMENTS

(Share this information with your insurance agent or broker)

1. **Agreement/Reference** All evidence of insurance should identify the nature of your business with the CITY. Clearly show any assigned number of a bid, contract, lease, permit, etc. or give the project name and the job site or street address to ensure that your submission will be properly credited. Provide the **types of coverage and minimum dollar amounts** specified on the Required Insurance and Minimum Limits sheet (Form Gen. 146) included in your CITY documents.

2. **When to Submit** Normally, no work may begin until a CITY insurance certificate approval number ("CA number") has been obtained, so insurance documents should be submitted as early as practicable. For **As-needed Contracts**, insurance need not be submitted until a specific job has been awarded. **Design Professionals** coverage for new construction work may be submitted simultaneously with final plans and drawings, but before construction commences.

3. **Acceptable Evidence and Approval** Electronic submission is the required method of submitting your documents. **KwikComply** is the CITY's online insurance compliance system and is designed to make the experience of submitting and retrieving insurance information quick and easy. The system is designed to be used by insurance brokers and agents as they submit client insurance certificates directly to the City. It uses the standard insurance industry form known as the **ACORD 25 Certificate of Liability Insurance** in electronic format. **KwikComply** advantages include standardized, universally accepted forms, paperless approval transactions (24 hours, 7 days per week), and security checks and balances. The easiest and quickest way to obtain approval of your insurance is to have your insurance broker or agent access **KwikComply** at <https://kwikcomply.org/> and follow the instructions to register and submit the appropriate proof of insurance on your behalf.

Contractor must provide City a thirty (30) day notice of cancellation (ten (10) days for non-payment of premium) AND an Additional Insured Endorsement naming the CITY an additional insured completed by your insurance company or its designee. If the policy includes an automatic or blanket additional insured endorsement, the Certificate must state the CITY is an automatic or blanket additional insured. An endorsement naming the CITY an Additional Named Insured and Loss Payee as Its Interests May Appear is required on property policies. All evidence of insurance must be authorized by a person with authority to bind coverage, whether that is the authorized agent/broker or insurance underwriter.

Additional Insured Endorsements DO NOT apply to the following:

- Indication of compliance with statute, such as Workers' Compensation Law.
- Professional Liability insurance.

Verification of approved insurance and bonds may be obtained by checking **KwikComply**, the CITY's online insurance compliance system, at <https://kwikcomply.org/>.

4. **Renewal** When an existing policy is renewed, have your insurance broker or agent submit a new Acord 25 Certificate or edit the existing Acord 25 Certificate through **KwikComply** at <https://kwikcomply.org/>.

5. **Alternative Programs/Self-Insurance** Risk financing mechanisms such as Risk Retention Groups, Risk Purchasing Groups, off-shore carriers, captive insurance programs and self-insurance programs are subject to separate approval after the CITY has reviewed the relevant audited financial statements. To initiate a review of your program, you should complete the

Applicant's Declaration of Self Insurance form (<http://cao.lacity.org/risk/InsuranceForms.htm>) to the Office of the City Administrative Officer, Risk Management for consideration.

6. **General Liability** insurance covering your operations (and products, where applicable) is required whenever the CITY is at risk of third-party claims which may arise out of your work or your presence or special event on City premises. **Sexual Misconduct** coverage is a required coverage when the work performed involves minors. **Fire Legal Liability** is required for persons occupying a portion of CITY premises. Information on two CITY insurance programs, the SPARTA program, an optional source of low-cost insurance which meets the most minimum requirements, and the Special Events Liability Insurance Program, which provides liability coverage for short-term special events on CITY premises or streets, is available at (www.2sparta.com), or by calling (800) 420-0555.

7. **Automobile Liability** insurance is required only when vehicles are used in performing the work of your Contract or when they are driven off-road on CITY premises; it is not required for simple commuting unless CITY is paying mileage. However, compliance with California law requiring auto liability insurance is a contractual requirement.

8. **Errors and Omissions** coverage will be specified on a project-by-project basis if you are working as a licensed or other professional. The length of the claims discovery period required will vary with the circumstances of the individual job.

9. **Workers' Compensation and Employer's Liability** insurance are not required for single-person contractors. However, under state law these coverages (or a copy of the state's Consent To Self Insure) must be provided if you have any employees at any time during the period of this contract. Contractors with no employees must complete a Request for Waiver of Workers' Compensation Insurance Requirement (<http://cao.lacity.org/risk/InsuranceForms.htm>). **A Waiver of Subrogation** on the coverage is required only for jobs where your employees are working on CITY premises under hazardous conditions, e.g., uneven terrain, scaffolding, caustic chemicals, toxic materials, power tools, etc. The Waiver of Subrogation waives the insurer's right to recover (from the CITY) any workers' compensation paid to an injured employee of the contractor.

10. **Property** Insurance is required for persons having exclusive use of premises or equipment owned or controlled by the CITY. **Builder's Risk/Course of Construction** is required during construction projects and should include building materials in transit and stored at the project site.

11. **Surety** coverage may be required to guarantee performance of work and payment to vendors and suppliers. A **Crime Policy** may be required to handle CITY funds or securities, and under certain other conditions. **Specialty coverages** may be needed for certain operations. For assistance in obtaining the CITY required bid, performance and payment surety bonds, please see the City of Los Angeles Contractor Development and Bond Assistance Program website address at <http://cao.lacity.org/risk/BondAssistanceProgram.pdf> or call (213) 258-3000 for more information.

12. **Cyber Liability & Privacy** coverage may be required to cover technology services or products for both liability and property losses that may result when a CITY contractor engages in various electronic activities, such as selling on the Internet or collecting data within its internal electronic network. Contractor's policies shall cover liability for a data breach in which the CITY employees' and/or CITY customers' confidential or personal information, such as but not limited to, Social Security or credit card information are exposed or stolen by a hacker or other criminal who has gained access to the CITY's or contractor's electronic network. The policies shall cover a variety of expenses associated with data breaches, including: notification costs, credit monitoring, costs to defend claims by state regulators, fines and penalties, and loss resulting from identity theft. The policies are required to cover liability arising from website media content, as well as property exposures from: (a) business interruption, (b) data loss/destruction, (c) computer fraud, (d) funds transfer loss, and (e) cyber extortion.

Program Description

The Pete Brown Junior Tennis Program (PBJTP) is a 501(c)(3) organization in honor of Coach Pete Brown who, for forty-plus years shared, taught, and spread his love for the game of tennis to inner-city youth of South Central Los Angeles.

Pete Brown passed away in 2009 and the tennis program formally became a nonprofit organization to continue its mission of providing a safe and positive place for young people to learn and excel at tennis. The program is based at the tennis courts at Jackie Tatum Harvard and Saint Andrews Recreation Centers. PBJTP offers after-school and weekend tennis, academic, and mentoring programs at no charge to children willing to work hard in school and on the tennis court. The program helps the youth of Los Angeles reach their full potential and use their PBJTP experience to help them go to college and earn a degree essential for future success.

PBJTP is dedicated to training diverse community youth in grades pre-K through 12th grade in the sport of tennis. The program emphasis is focused on developing physical fitness, sportsmanship, teamwork skills, and the importance of education. PBJTP strives to provide the opportunity for children to grow into competitive tennis athletes, build self-esteem, personal confidence, lasting friendships, and great memories, all while having fun.

The program offers free weekly supervised on-court tennis coaching and training to children at all levels from ages 5 to 18. The program provides equipment which includes tennis rackets and balls. In addition, all children must wear tennis shoes on the courts.

The more seasoned players need excellent practice and coaching to advance to the next level of play. Weekly drills, instruction, and match play propels our players and readies them for USTA and local tennis tournaments. PBJTP strives to provide these players with the skills they need to be winners.

STANDARD PROVISIONS FOR CITY CONTRACTS

PSC-1. Construction of Provisions and Titles Herein

All titles, subtitles, or headings in this Contract have been inserted for convenience, and shall not be deemed to affect the meaning or construction of any of the terms or provisions of this Contract. The language of this Contract shall be construed according to its fair meaning and not strictly for or against **CITY** or **CONTRACTOR**. The word "**CONTRACTOR**" includes the party or parties identified in this Contract. The singular shall include the plural and if there is more than one **CONTRACTOR**, unless expressly stated otherwise, their obligations and liabilities shall be joint and several. Use of the feminine, masculine, or neuter genders shall be deemed to include the genders not used.

PSC-2. Applicable Law, Interpretation and Enforcement

Each party's performance shall comply with all applicable laws of the United States of America, the State of California, and **CITY**, including but not limited to, laws regarding health and safety, labor and employment, wage and hours and licensing. This Contract shall be enforced and interpreted under the laws of the State of California without regard to conflict of law principles. **CONTRACTOR** shall comply with new, amended, or revised laws, regulations, or procedures that apply to the performance of this Contract with no additional compensation paid to **CONTRACTOR**.

In any action arising out of this Contract, **CONTRACTOR** consents to personal jurisdiction, and agrees to bring all such actions, exclusively in state or federal courts located in Los Angeles County, California.

If any part, term or provision of this Contract is held void, illegal, unenforceable, or in conflict with any federal, state or local law or regulation, the validity of the remaining parts, terms or provisions of this Contract shall not be affected.

PSC-3. Time of Effectiveness

Unless otherwise provided, this Contract shall take effect when all of the following events have occurred:

- A. This Contract has been signed on behalf of **CONTRACTOR** by the person or persons authorized to bind **CONTRACTOR**;
- B. This Contract has been approved by the City Council or by the board, officer or employee authorized to give such approval;
- C. The Office of the City Attorney has indicated in writing its approval of this Contract as to form; and
- D. This Contract has been signed on behalf of **CITY** by the person designated by the City Council, or by the board, officer or employee authorized to enter into this Contract.

PSC-4. Integrated Contract

This Contract sets forth all of the rights and duties of the parties with respect to the subject matter of this Contract, and replaces any and all previous Contracts or understandings, whether written or oral, relating thereto. This Contract may be amended only as provided for in the provisions of PSC-5 hereof.

PSC-5. Amendment

All amendments to this Contract shall be in writing and signed and approved pursuant to the provisions of PSC-3.

PSC-6. Excusable Delays

Neither party shall be liable for its delay or failure to perform any obligation under and in accordance with this Contract, if the delay or failure arises out of fires, floods, earthquakes, epidemics, quarantine restrictions, other natural occurrences, strikes, lockouts (other than a lockout by the party or any of the party's Subcontractors), freight embargoes, terrorist acts, insurrections or other civil disturbances, or other similar events to those described above, but in each case the delay or failure to perform must be beyond the control and without any fault or negligence of the party delayed or failing to perform (these events are referred to in this provision as "Force Majeure Events").

Notwithstanding the foregoing, a delay or failure to perform by a Subcontractor of **CONTRACTOR** shall not constitute a Force Majeure Event, unless the delay or failure arises out of causes beyond the control of both **CONTRACTOR** and Subcontractor, and without any fault or negligence of either of them. In such case, **CONTRACTOR** shall not be liable for the delay or failure to perform, unless the goods or services to be furnished by the Subcontractor were obtainable from other sources in sufficient time to permit **CONTRACTOR** to perform timely. As used in this Contract, the term "Subcontractor" means a subcontractor at any tier.

In the event **CONTRACTOR'S** delay or failure to perform arises out of a Force Majeure Event, **CONTRACTOR** agrees to use commercially reasonable best efforts to obtain the goods or services from other sources, and to otherwise mitigate the damages and reduce the delay caused by the Force Majeure Event.

PSC-7. Waiver

A waiver of a default of any part, term or provision of this Contract shall not be construed as a waiver of any succeeding default or as a waiver of the part, term or provision itself. A party's performance after the other party's default shall not be construed as a waiver of that default.

PSC-8. Suspension

At **CITY'S** sole discretion, **CITY** may suspend any or all services provided under this Contract by providing **CONTRACTOR** with written notice of suspension. Upon receipt of the notice of suspension, **CONTRACTOR** shall immediately cease the services suspended and shall not incur any additional obligations, costs or expenses to **CITY** until **CITY** gives written notice to recommence the services.

PSC-9. Termination

A. Termination for Convenience

CITY may terminate this Contract for **CITY'S** convenience at any time by providing **CONTRACTOR** thirty days written notice. Upon receipt of the notice of termination, **CONTRACTOR** shall immediately take action not to incur any additional obligations, costs or expenses, except as may be necessary to terminate its activities. **CITY** shall pay **CONTRACTOR** its reasonable and allowable costs through the effective date of termination and those reasonable and necessary costs incurred by **CONTRACTOR** to effect the termination. Thereafter, **CONTRACTOR** shall have no further claims against **CITY** under this Contract. All finished and unfinished documents and materials procured for or produced under this Contract, including all intellectual property rights **CITY** is entitled to, shall become **CITY** property upon the date of the termination. **CONTRACTOR** agrees to execute any documents necessary for **CITY** to perfect, memorialize, or record **CITY'S** ownership of rights provided herein.

B. Termination for Breach of Contract

1. Except as provided in PSC-6, if **CONTRACTOR** fails to perform any of the provisions of this Contract or so fails to make progress as to endanger timely performance of this Contract, **CITY** may give **CONTRACTOR** written notice of the default. **CITY'S** default notice will indicate whether the default may be cured and the time period to cure the default to the sole satisfaction of **CITY**. Additionally, **CITY'S** default notice may offer **CONTRACTOR** an opportunity to provide **CITY** with a plan to cure the default, which shall be submitted to **CITY** within the time period allowed by **CITY**. At **CITY'S** sole discretion, **CITY** may accept or reject **CONTRACTOR'S** plan. If the default cannot be cured or if **CONTRACTOR** fails to cure within the period allowed by **CITY**, then **CITY** may terminate this Contract due to **CONTRACTOR'S** breach of this Contract.
2. If the default under this Contract is due to **CONTRACTOR'S** failure to maintain the insurance required under this Contract, **CONTRACTOR** shall immediately: (1) suspend performance of any services under this Contract for which insurance was required; and (2) notify its employees and Subcontractors of the loss of insurance coverage and Contractor's obligation to suspend performance of

services. **CONTRACTOR** shall not recommence performance until **CONTRACTOR** is fully insured and in compliance with **CITY'S** requirements.

3. If a federal or state proceeding for relief of debtors is undertaken by or against **CONTRACTOR**, or if **CONTRACTOR** makes an assignment for the benefit of creditors, then **CITY** may immediately terminate this Contract.
4. If **CONTRACTOR** engages in any dishonest conduct related to the performance or administration of this Contract or violates **CITY'S** laws, regulations or policies relating to lobbying, then **CITY** may immediately terminate this Contract.
5. Acts of Moral Turpitude
 - a. **CONTRACTOR** shall immediately notify **CITY** if **CONTRACTOR** or any Key Person, as defined below, is charged with, indicted for, convicted of, pleads nolo contendere to, or forfeits bail or fails to appear in court for a hearing related to, any act which constitutes an offense involving moral turpitude under federal, state, or local laws ("Act of Moral Turpitude").
 - b. If **CONTRACTOR** or a Key Person is convicted of, pleads nolo contendere to, or forfeits bail or fails to appear in court for a hearing related to, an Act of Moral Turpitude, **CITY** may immediately terminate this Contract.
 - c. If **CONTRACTOR** or a Key Person is charged with or indicted for an Act of Moral Turpitude, **CITY** may terminate this Contract after providing **CONTRACTOR** an opportunity to present evidence of **CONTRACTOR'S** ability to perform under the terms of this Contract.
 - d. Acts of Moral Turpitude include, but are not limited to: violent felonies as defined by Penal Code Section 667.5, crimes involving weapons, crimes resulting in serious bodily injury or death, serious felonies as defined by Penal Code Section 1192.7, and those crimes referenced in the Penal Code and articulated in California Public Resources Code Section 5164(a)(2); in addition to and including acts of murder, rape, sexual assault, robbery, kidnapping, human trafficking, pimping, voluntary manslaughter, aggravated assault, assault on a peace officer, mayhem, fraud, domestic abuse, elderly abuse, and child abuse, regardless of whether such acts are punishable by felony or misdemeanor conviction.

- e. For the purposes of this provision, a Key Person is a principal, officer, or employee assigned to this Contract, or owner (directly or indirectly, through one or more intermediaries) of ten percent or more of the voting power or equity interests of **CONTRACTOR**.
- 6. In the event **CITY** terminates this Contract as provided in this section, **CITY** may procure, upon such terms and in the manner as **CITY** may deem appropriate, services similar in scope and level of effort to those so terminated, and **CONTRACTOR** shall be liable to **CITY** for all of its costs and damages, including, but not limited to, any excess costs for such services.
- 7. If, after notice of termination of this Contract under the provisions of this section, it is determined for any reason that **CONTRACTOR** was not in default under the provisions of this section, or that the default was excusable under the terms of this Contract, the rights and obligations of the parties shall be the same as if the notice of termination had been issued pursuant to PSC-9(A) Termination for Convenience.
- 8. The rights and remedies of **CITY** provided in this section shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.
- C. In the event that this Contract is terminated, **CONTRACTOR** shall immediately notify all employees and Subcontractors, and shall notify in writing all other parties contracted with under the terms of this Contract within five working days of the termination.

PSC-10. Independent Contractor

CONTRACTOR is an independent contractor and not an agent or employee of **CITY**. **CONTRACTOR** shall not represent or otherwise hold out itself or any of its directors, officers, partners, employees, or agents to be an agent or employee of **CITY**.

PSC-11. Contractor's Personnel

Unless otherwise approved by **CITY**, **CONTRACTOR** shall use its own employees to perform the services described in this Contract. **CITY** has the right to review and approve any personnel who are assigned to work under this Contract. **CONTRACTOR** shall remove personnel from performing work under this Contract if requested to do so by **CITY**.

CONTRACTOR shall not use Subcontractors to assist in performance of this Contract without the prior written approval of **CITY**. If **CITY** permits the use of Subcontractors, **CONTRACTOR** shall remain responsible for performing all aspects of this Contract and paying all Subcontractors. **CITY** has the right to approve **CONTRACTOR'S** Subcontractors, and **CITY** reserves the right to request replacement of any

Subcontractor. **CITY** does not have any obligation to pay **CONTRACTOR'S** Subcontractors, and nothing herein creates any privity of contract between **CITY** and any Subcontractor.

PSC-12. Assignment and Delegation

CONTRACTOR may not, unless it has first obtained the written permission of **CITY**:

- A. Assign or otherwise alienate any of its rights under this Contract, including the right to payment; or
- B. Delegate, subcontract, or otherwise transfer any of its duties under this Contract.

PSC-13. Permits

CONTRACTOR and its directors, officers, partners, agents, employees, and Subcontractors, shall obtain and maintain all licenses, permits, certifications and other documents necessary for **CONTRACTOR'S** performance of this Contract. **CONTRACTOR** shall immediately notify **CITY** of any suspension, termination, lapses, non-renewals, or restrictions of licenses, permits, certificates, or other documents that relate to **CONTRACTOR'S** performance of this Contract.

PSC-14. Claims for Labor and Materials

CONTRACTOR shall promptly pay when due all amounts owed for labor and materials furnished in the performance of this Contract so as to prevent any lien or other claim under any provision of law from arising against any **CITY** property (including reports, documents, and other tangible or intangible matter produced by **CONTRACTOR** hereunder), and shall pay all amounts due under the Unemployment Insurance Act or any other applicable law with respect to labor used to perform under this Contract.

PSC-15. Current Los Angeles City Business Tax Registration Certificate Required

For the duration of this Contract, **CONTRACTOR** shall maintain valid Business Tax Registration Certificate(s) as required by **CITY'S** Business Tax Ordinance, Section 21.00 *et seq.* of the Los Angeles Municipal Code ("LAMC"), and shall not allow the Certificate to lapse or be revoked or suspended.

PSC-16. Retention of Records, Audit and Reports

CONTRACTOR shall maintain all records, including records of financial transactions, pertaining to the performance of this Contract, in their original form or as otherwise approved by **CITY**. These records shall be retained for a period of no less than three years from the later of the following: (1) final payment made by **CITY**, (2) the expiration of this Contract or (3) termination of this Contract. The records will be subject to examination and audit by authorized **CITY** personnel or **CITY'S** representatives at any time. **CONTRACTOR** shall provide any reports requested by **CITY** regarding

performance of this Contract. Any subcontract entered into by **CONTRACTOR** for work to be performed under this Contract must include an identical provision.

In lieu of retaining the records for the term as prescribed in this provision, **CONTRACTOR** may, upon **CITY'S** written approval, submit the required information to **CITY** in an electronic format, e.g. USB flash drive, at the expiration or termination of this Contract.

PSC-17. Bonds

All bonds required by **CITY** shall be filed with the Office of the City Administrative Officer, Risk Management for its review and acceptance in accordance with Los Angeles Administrative Code ("LAAC") Sections 11.47 *et seq.*, as amended from time to time.

PSC-18. Indemnification

Except for the active negligence or willful misconduct of **CITY**, or any of its boards, officers, agents, employees, assigns and successors in interest, **CONTRACTOR** shall defend, indemnify and hold harmless **CITY** and any of its boards, officers, agents, employees, assigns, and successors in interest from and against all lawsuits and causes of action, claims, losses, demands and expenses, including, but not limited to, attorney's fees (both in house and outside counsel) and cost of litigation (including all actual litigation costs incurred by **CITY**, including but not limited to, costs of experts and consultants), damages or liability of any nature whatsoever, for death or injury to any person, including **CONTRACTOR'S** employees and agents, or damage or destruction of any property of either party hereto or of third parties, arising in any manner by reason of an act, error, or omission by **CONTRACTOR**, Subcontractors, or their boards, officers, agents, employees, assigns, and successors in interest. The rights and remedies of **CITY** provided in this section shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract. This provision will survive expiration or termination of this Contract.

PSC-19. Intellectual Property Indemnification

CONTRACTOR, at its own expense, shall defend, indemnify, and hold harmless the **CITY**, and any of its boards, officers, agents, employees, assigns, and successors in interest from and against all lawsuits and causes of action, claims, losses, demands and expenses, including, but not limited to, attorney's fees (both in house and outside counsel) and cost of litigation (including all actual litigation costs incurred by **CITY**, including but not limited to, costs of experts and consultants), damages or liability of any nature arising out of the infringement, actual or alleged, direct or contributory, of any intellectual property rights, including, without limitation, patent, copyright, trademark, trade secret, right of publicity, and proprietary information: (1) on or in any design, medium, matter, article, process, method, application, equipment, device, instrumentation, software, hardware, or firmware used by **CONTRACTOR**, or its Subcontractors, in performing the work under this Contract; or (2) as a result of **CITY'S** actual or intended use of any Work Product (as defined in PSC-21) furnished by **CONTRACTOR**, or its Subcontractors, under this Contract. The rights and remedies of **CITY** provided in this section shall not be exclusive

and are in addition to any other rights and remedies provided by law or under this Contract. This provision will survive expiration or termination of this Contract.

PSC-20. Intellectual Property Warranty

CONTRACTOR represents and warrants that its performance of all obligations under this Contract does not infringe in any way, directly or contributorily, upon any third party's intellectual property rights, including, without limitation, patent, copyright, trademark, trade secret, right of publicity and proprietary information.

PSC-21. Ownership and License

Unless otherwise provided for herein, all finished and unfinished works, tangible or not, created under this Contract including, without limitation, documents, materials, data, reports, manuals, specifications, artwork, drawings, sketches, blueprints, studies, memoranda, computation sheets, computer programs and databases, schematics, photographs, video and audiovisual recordings, sound recordings, marks, logos, graphic designs, notes, websites, domain names, inventions, processes, formulas, matters and combinations thereof, and all forms of intellectual property originated and prepared by **CONTRACTOR** or its Subcontractors under this Contract (each a "Work Product"; collectively "Work Products") shall be and remain the exclusive property of **CITY** for its use in any manner **CITY** deems appropriate. **CONTRACTOR** hereby assigns to **CITY** all goodwill, copyright, trademark, patent, trade secret and all other intellectual property rights worldwide in any Work Products originated and prepared under this Contract. **CONTRACTOR** further agrees to execute any documents necessary for **CITY** to perfect, memorialize, or record **CITY'S** ownership of rights provided herein.

CONTRACTOR agrees that a monetary remedy for breach of this Contract may be inadequate, impracticable, or difficult to prove and that a breach may cause **CITY** irreparable harm. **CITY** may therefore enforce this requirement by seeking injunctive relief and specific performance, without any necessity of showing actual damage or irreparable harm. Seeking injunctive relief or specific performance does not preclude **CITY** from seeking or obtaining any other relief to which **CITY** may be entitled.

By ordinance, all required insurance must provide at least thirty (30) days' prior written notice (ten (10) days for non-payment of premium) directly to the CITY if your insurance company elects to cancel or materially reduce coverage or limits prior to the policy expiration date, for any reason except impairment of an aggregate limit due to prior claims.
- 3. Primary Coverage.** CONTRACTOR will provide coverage that is primary with respect to any insurance or self-insurance of the CITY. The CITY'S program shall be excess of this insurance and non-contributing.
- 4. If such change should result in substantial additional cost to CONTRACTOR, the CITY agrees to negotiate additional compensation proportional to the increased benefit to the CITY.
- 5. Failure to Procure Insurance.** All required insurance must be submitted and approved by the Office of the City Administrative Officer, Risk Management prior to the inception of any operations by CONTRACTOR.

CONTRACTOR'S failure to procure or maintain required insurance or a self-insurance program during the entire term of this Contract shall constitute a material breach of this Contract under which the CITY may immediately suspend or terminate this Contract or, at its discretion, procure or renew such insurance to protect the CITY'S interests and pay any and all premiums in connection therewith and recover all monies so paid from CONTRACTOR.

- 6. Workers' Compensation.** By signing this Contract, CONTRACTOR hereby certifies that it is aware of the provisions of Section 3700 *et seq.*, of the California Labor Code which require every employer to be insured against liability for Workers' Compensation or to undertake

All insurance must be provided by an insurer admitted to do business in California or written through a California-licensed surplus lines broker or through an insurer otherwise acceptable to the CITY. Non-admitted coverage must contain a **Service of Suit** clause in which the underwriters agree to submit as necessary to the jurisdiction of a California court in the event of a coverage dispute. Service of process for this purpose must be allowed upon an agent in California designated by the insurer or upon the California Insurance Commissioner.

8. Aggregate Limits/Impairment. If any of the required insurance coverages contain annual aggregate limits, CONTRACTOR must give the CITY written notice of any pending claim or lawsuit which will materially diminish the aggregate within thirty (30) days of knowledge of same. You must take appropriate steps to restore the impaired aggregates or provide replacement insurance protection within thirty (30) days of knowledge of same. The CITY has the option to specify the minimum acceptable aggregate limit for each line of coverage required. No substantial reductions in scope of coverage which may affect the CITY'S protection are allowed without the CITY'S prior written consent.

9. Commencement of Work. For purposes of insurance coverage only, this Contract will be deemed to have been executed immediately upon any party hereto taking any steps that can be considered to be in furtherance of or towards performance of this Contract.
