Comments for Public Posting: Please save Marilyn Monroe's house. Her legacy is that of a global icon representing LA. What does it say about us Angelenos if we just allow our collective heritage be destroyed?

Comments for Public Posting: Please save and protect the Marilyn Monroe house. We've already lost so much that says "L.A." and "Hollywood" to the rest of the world. It's what tourists come to see and spend money on. Saving and restoring is always the right thing to do. LA should not continue to aspire to look like downtown Glendale.
