**Comments for Public Posting:** Dear committee, Operating hours at Amistad park need to be modified. The park is in need of more lighting as it has become a nuisance to the community. We are constantly dealing with gang members defacing the property, getting high and being loud at all times of the night into early morning hours. I strongly believe that no one from this committee would feel comfortable bringing their young children to play here. The state in which this playground/park is, is unacceptable. The kids deserve better, the community deserves better. Mrs. Rodriguez's office is trying their best. It's at this time we turn to you for help. Thank you for your time and consideration in this matter. Pictures have been sent to Mrs. Rodriguez's office. Concerned resident.
