---

### RECOMMENDATIONS

That the Council, subject to approval of the Mayor:

1. Authorize the General Manager of the Department of Recreation and Parks (RAP) and the Director of the Public Works (PW) Board or designees to prepare and submit grant applications for the California Governor's Office of Planning and Research (OPR), Integrated Climate Adaptation and Resiliency Program (ICARP), Extreme Heating and Community Resiliency Program (EHCRP) Round 1– FY 2023-24; and,
2. Instruct the RAP General Manager and the Director of the PW Board or designees, if the City is awarded the grants, to request authority to accept the grant awards and to request approval for any related actions to implement the grant awards.

### SUMMARY

On January 29, 2024, the California Governor's Office of Planning and Research, Integrated Climate Adaptation and Resiliency Program (ICARP) released a notice of funding availability for the Extreme Heat and Community Resilience Program (EHCRP) Round 1 – FY 2023-24. The EHCRP will provide funding for planning and implementation projects to reduce the impacts of extreme heat and to build community resilience and/or frameworks for change and investment in local, regional, and tribal projects for strengthening communities that are vulnerable to heat, climate hazards, and adverse effects. The grant submission due date is April 24, 2024 and awards will be announced in the summer of 2024. The performance period is 30 months. There is no matching fund requirement or additional restrictions such as a limitation to the number of application submissions per entity.

The OPR will provide funding of up to \$20 million for the EHCRP Round 1 FY 2023-24 under the following categories:

### Other Criteria

The EHCRP Round 1 – FY 2023-24 requires partnerships and community engagement. Applicants seeking large implementation and large planning grants should apply with a community-based non-profit organization (CBO) or coalition co-applicant.

RAP will identify a CBO subsequent to the application submission as allowable per the grant guidelines. CEMO has identified a CBO and co-applicant, Vision y Compromiso, to co-design the public engagement process, distribution of outreach materials, and serve as a Community Advisory Committee member.

### Required Approval to Accept Award

In accordance with Los Angeles Administrative Code Section 14.6(a), all departments are required to seek Mayor and Council approval before accepting and receiving a grant award. It is therefore recommended that RAP and CEMO report back to the Mayor and Council upon award notification to request authority to accept and receive the grant award and confirm there is no additional General Fund impact.

## **FISCAL IMPACT STATEMENT**

Approval of the recommendations in this report will not result in a General Fund impact. No matching funds are required for the EHCRP Round 1 FY 2023-2024. However, upon notification of a grant award, a reassessment on the General Fund impact should be completed as it relates to either lower than requested grant award amounts, verification of local match requirements, or front-funding for grants on a reimbursement basis.

## **FINANCIAL POLICIES STATEMENT**

The recommendations in this report comply with the City's Financial Policies.
