## **BACKGROUND**

Recipients of the HHH funding commitment received a 24-month conditional commitment. The commitment expires if the project does not obtain all the required financial and legal approvals necessary for construction loan closing within 24 months of the date of funding award.

On April 17, 2020, in response to the COVID-19 virus, the Mayor tolled and suspended the commitment expiration dates contained within all HHH Commitment Letters (Attachment A). On February 1, 2023, the City Council lifted the COVID-related local State of Emergency declaration, thereby lifting the Mayor's Public Order dated April 17, 2020 (Mayor's Tolling Order), which provided the tolling (or suspension) of all LAHD financing and predevelopment deadlines (Attachment B).

Per the lift of the Mayor's Public Order, LAHD extended the expiration date for HHH projects by the "Tolling Period" of 1,020 days. Furthermore, the projects listed on Table 1 received an extension in December 2023, allowing their new expiration dates to fall between July 31, 2025 and August 1, 2025. All six (6) projects anticipate applying to CDLAC/TCAC and expect to receive an award in 2025. If awarded, each project will have six months to close its construction loan.

Table 1 lists the projects requesting an extension of their HHH funding commitment. LAHD recommends that these projects receive the requested HHH funding commitment extensions.

## **Fiscal Impact**

There is no impact to the General Fund.

To further aid in our efforts to slow the spread of the COVID-19 virus, by virtue of authority vested in me as Mayor of the City of Los Angeles under the provisions of the Los Angeles Administrative Code, Chapter 3, Section 8.29 to promulgate, issue, and enforce emergency rules, regulations, orders, and directives, I hereby declare the following order to be necessary for the protection of life and property and I hereby order, effective immediately and until the end of the emergency period, that:

All deadlines prescribed by the Los Angeles Housing and Community Investment Department (HCIDLA) related to the financing and predevelopment activities necessary to develop or rehabilitate affordable and supportive housing shall be tolled and suspended until further notice. This will ensure development of affordable housing can continue within the limits of the Safer At Home order, and after the emergency has ended, without penalties caused by missed deadlines.

This order shall apply, without limitation, to the following non-exhaustive list of circumstances:

1. Exclusive Negotiation Agreements: During the effective period of this order, toll the term of Exclusive Negotiation Agreements and all deadlines contained within them.
2. Site Control: During the effective period of this order, toll the deadline to demonstrate site control as required by the Mayor's Housing Innovation Challenge.

Nothing in this Order prohibits HCIDLA from continuing to process applications in a reasonable and timely manner.

This Order is subject to any applicable superseding State and Federal deadlines, including but not limited to, deadlines related to Federal and State bond inducement, TEFRA, or issuance resolutions.

**Order Extending the Expirations of Prior Orders**

The expiration of the City of Los Angeles public emergency orders, dated March 15, 21, and 23, 2020, are hereby extended until the end of the local emergency period.

**RE: - Applicable LAHD (formerly HCIDLA) Deadlines After Tolling Order Lifted**

The Los Angeles City Council recently took action to lift the State of Emergency declaration as of February 1, 2023. As a result, the Mayor's Public Order dated April 17, 2020, addressing the Los Angeles Housing Department (LAHD, formerly HCIDLA) financing and predevelopment deadlines was rescinded, and the tolling and suspension of all LAHD deadlines related to financing and predevelopment activities necessary to develop or rehabilitate affordable and supportive housing was lifted. Except with respect to the Housing Innovation Challenge program deadlines discussed below, effective as of February 1, 2023, each applicable deadline related to financing and predevelopment activities necessary to develop or rehabilitate affordable and supportive housing are no longer suspended. Developers are encouraged to review the original deadlines associated with their financing as they existed on April 17, 2020 and apply those timelines starting as of February 1, 2023.

Notwithstanding the foregoing, projects that are a part of the Housing Innovation Challenge program shall now have until February 1, 2024, to secure all financial commitments and August 1, 2024, to close on construction financing.

Please reach out to the assigned financial development officer at LAHD for further questions or clarifications.

Sincerely,

Mayor Karen Bass
