

## Communication from Public

**Name:** Shirley

**Date Submitted:** 03/28/2025 10:36 AM

**Council File No:** 25-0179

**Comments for Public Posting:** I support the historic designation and preservation of these Mellenthin apartments. It is appropriate for the city of Los Angeles recognize and preserve buildings that speak to the character and rich past of the San Fernando Valley. Please help the community stakeholders and neighbors, such as myself, to retain the value of our neighborhood. Thank you. Shirley Brookshire Valley Glen
