## SUMMARY

In accordance with Executive Directive No. 3, the Los Angeles Police Department (LAPD) requests authority to accept a sub-grant award of \$49,400 from Los Angeles County (County) and approval of the Memorandum of Agreement (MOA) for participation in the 2024-25 Regional Threat Assessment Center (RTAC) Program. The term of the MOA is retroactive to begin on the date of execution through May 31, 2025.

The County is a recipient of federal funding provided by the U.S Department of Homeland Security (DHS)/ Federal Emergency Management Agency (FEMA) through the California Governor's Office of Emergency Services (Cal OES) for the FY 2022 Homeland Security Grant Program (HSGP) for a grant performance period that began on September 1, 2022, and will expire on May 31, 2025 (Grant Award No. 22-0043). The RTAC's mission is to disseminate information that will assist in the detection, prevention, investigation, and intelligence in combating terrorism, as well as criminal activity within its assigned area of responsibility.

The Joint Regional Intelligence Center (JRIC) was established in 2006 and serves as the RTAC for the Central District of California, and is intended to assist any agency throughout the Southern California area that needs analytical intelligence on terrorism-related threat cases. Under the terms of the proposed MOU, the County, through the Los Angeles County Sheriff's Department, will grant the LAPD a \$49,400 sub-award, for participation in the RTAC Program. The LAPD shall provide

assessments of critical infrastructure facilities, stand-by during evening and weekend hours in the event of an unplanned incident likely to create a significant public safety interest; and staff a Command Post on an extended 24-hour basis to provide intelligence to public safety agencies within the six-county area of responsibility for major pre-planned events occurring locally or nationally. The County shall reimburse the hourly overtime for LAPD's participation, in an amount not to exceed \$49,400.

In accordance with Los Angeles Administrative Code Section 14.6, Mayor and Council approval is required for the acceptance of the grant award and funding agreement through the proposed MOA, before the LAPD can receive any grant funds.
