A Neighborhood Council Community Impact Statement (CIS) has been successfully submitted to your Commission or City Council. We provided information below about CISs and attached a copy of the CIS.

We encourage you to reach out to the Community Impact Statement Filer to acknowledge receipt and if this Community Impact Statement will be scheduled at a future meeting. Neighborhood Council board members are volunteers and it would be helpful if they received confirmation that you received their CIS.

The CIS process was enabled by the Los Angeles Administrative Code §Section 22.819. It provides that, "a Neighborhood Council may take a formal position on a matter by way of a Community Impact Statement (CIS) or written resolution." NCs representatives also testify before City Boards and Commissions on the item related to their CIS. If the Neighborhood Council chooses to do so, the Neighborhood Council representative must provide the Commission with a copy of the CIS or resolution sufficiently in advance for review, possible inclusion on the agenda, and posting on the Commission's website. Any information you can provide related to your agenda setting schedule is helpful to share with the NC.

If the CIS or resolution pertains to a matter *listed on the Commission's agenda*, during the time the matter is heard, the designated Neighborhood Council representative should be given an opportunity to present the Neighborhood Council's formal position. We encourage becoming familiar with the City Council's rules on the subject. At the Chair's discretion, the Neighborhood Council representative may be asked to have a seat at the table (or equivalent for a virtual meeting) typically reserved for City staff and may provide the Neighborhood Council representative more time than allotted to members of the general public. They are also permitted up to five (5) minutes of time to address the legislative body. If the CIS or resolution pertains to a matter *not listed on the agenda*, the designated Neighborhood Council representative may speak during General Public Comments.

We share this information to assist you with the docketing neighborhood council items before your board/commission. If you have questions and/or concerns, please contact the Department of Neighborhood Empowerment at empowerla@lacity.org.

Neighborhood Council: Valley Village

Name: Sandy Hubbard

Email: sandy@magazinec.com

The Board approved this CIS by a vote of: Yea(10) Nay(0) Abstain(0) Ineligible(0) Recusal(0)

Date of NC Board Action: 10/25/2023

Type of NC Board Action: Against

Impact Information

Date: 10/26/2023

Update to a Previous Input: No

Directed To: City Council and Committees

Council File Number: 22-0392

Agenda Date:

Item Number:

Summary: Neighborhood Council Valley Village at its October 25, 2023 meeting adopted a position of Against regarding City Council File 22-0392, with a vote of 10 opposed and 5 board members absent. The proposed Transportation Communication Network ordinance will allow Metro to erect up to 85 digital billboards on Metro owned property, where approximately 50-foot wide digital, moving image billboards with short refresh rates would be erected along freeways and surface streets. For very little gain financially or through major reduction of existing billboards, our neighborhoods will suffer from unnecessary blight (fought against for decades), and unsafe driver distractions. Therefore the Neighborhood Council Valley Village strongly opposes the LA City Planning Department's ordinance to amend the LAMC allowing Metro to implement a Transportation Communication Network (CF 22-0392).
