**Comments for Public Posting:** Honorable Council Members, please pass Council Member Yaroslavsky's motion to terminate the expired PCEC Pipeline Franchise Agreement. The pipelines and the West Pico Drill Site which they serve, have violated City and State laws for decades. This has caused the community where I live to suffer environmental and other problems that need to be stopped as quickly as possible. Terminating the expired PCEC Pipeline Franchise Agreement can do this immediately." I have lived within a mile and a half of the drill site for 33 years.
