

PLANNING AND LAND USE MANAGEMENT (PLUM) COMMITTEE REPORT relative to recommendations on a Programmatic Coastal Development Permit (P-CDP) for AI Fresco outdoor dining on both private property and in the public right of way in the Coastal Zone.

Recommendations for Council action:

1. INSTRUCT the City Administrative Officer (CAO) to prepare a report with recommendations, with the assistance of the Department of City Planning (DCP), and the Los Angeles Department of Transportation (LADOT), as to the fiscal impact /alternative funding sources, to encumber Coastal Transportation Corridor Fund No. 447, Department 94 set aside in Regional/Subregional Transportation Improvements, Account No. 447/9408NY, for the preparation of a public access and parking study that recommends transportation demand management strategies and mitigation measures to address coastal access impacts in the most parking impacted areas within the Venice Coastal Zone and identify the necessary funds and resources needed to realize the recommended strategies and mitigation measures.
2. INSTRUCT the LADOT, Bureau of Engineering (BOE) and the DCP, with the assistance of the City Attorney, to continue exploring the P-CDP application process in the Venice Coastal Zone subject to California Coastal Commission guidance and approval; and instruct the CAO, with the assistance of the DCP, to report on the fiscal impacts of the expenses of designing, adopting and implementing a P-CDP.
3. INSTRUCT the Economic and Workforce Development Department and the CAO, with the assistance of the DCP, LADOT, BOE, and City Attorney, to explore additional alternative business support program efforts, including grants, resources for reduced permit processing time, and/or technical assistance for existing and eligible AI Fresco outdoor dining in the relevant Coastal Zones.

Fiscal Impact Statement: None submitted by the DCP. Neither the City Administrative Officer nor the Chief Legislative Analyst has completed a financial analysis of this report.

Community Impact Statement: None submitted

Summary:

At a regular meeting held on June 4, 2024, the PLUM Committee considered a Joint report from the DCP, LADOT, and BOE, relative to recommendations on a Programmatic Coastal Development Permit. A representative from Council District 11 provided comments in support of the matter. After providing an opportunity for public comment, the Committee moved to approve the Joint report recommendations from the DCP, LADOT, and BOE dated May 22, 2024, as amended and as detailed above. This matter is now submitted to the Council for consideration.

Respectfully Submitted,

PLANNING AND LAND USE MANAGEMENT COMMITTEE
