

RESOLUTION NO. 28030

WHEREAS, on recommendation of Management, there was presented for approval, First Amendment to Contract DA-5575 with Global Access Supply to extend the term through October 24, 2030 and increase the contract authority by \$1,450,000, for new total not to exceed \$1,861,000, covering maintenance of the Airfield Lighting Control Monitoring System at Los Angeles International Airport; and

WHEREAS, the Airfield Lighting Control Monitoring System (ALCMS) installed at Los Angeles International Airport (LAX) allows Air Traffic Controllers to control and monitor operations of airfield and taxiway lighting systems, including allowing them to turn on and adjust the brightness levels according to visibility and weather conditions. By allowing adjustments that provide clear and consistent visual guidance for pilots and ground personnel, the ALCMS helps to prevent accidents and incidents on the airfield, especially during inclement weather and poor visibility. Under said Contract DA-5575, Global Access Supply replaces and updates the ALCMS hardware and software as needed; and

WHEREAS, the ALCMS installed at LAX is a proprietary system and must be maintained by the manufacturer or an authorized service provider to preserve the manufacturer's warranty. The ALCMS manufacturer designated Global Access Supply as the sole Master Stocking Distributor of services and products necessary to maintain the ALCMS and has been instrumental in minimizing service interruptions; and

WHEREAS, Los Angeles World Airports (LAWA) has fully expended the current authorized amount for Contract DA-5575. Initial costs surpassed projections within the first two years due to essential upgrades to computer systems and monitors; and

WHEREAS, LAWA will continue using the current ALCMS for the foreseeable future, and Global Access Supply is the only vendor authorized to maintain, repair and provide replacement parts for the ALCMS. The First Amendment will allow Global Access Supply to continue providing maintenance and technical support for the ALCMS at LAX; and

WHEREAS, funds for the contract are available in the Fiscal Year 2024-2025 LAWA Operating Budget in LAX Cost Center 1150073 – Facility Technical Services Building Field Electric Shop, Commitment Item 520 – Contractual Services. Funding for subsequent years will be requested as part of the annual budget process; and

WHEREAS, actions taken on this item by the Board of Airport Commissioners will become final pursuant to the provisions of Los Angeles City Charter Section 373;

NOW, THEREFORE, BE IT RESOLVED that the Board of Airport Commissioners adopted the staff report; further adopted staff's determination that this item, as a continuing administrative, maintenance and personnel-related activity, is exempt from California Environmental Quality Act (CEQA) requirements pursuant to Article II, Section 2.f of the Los Angeles City CEQA Guidelines; approved the First Amendment to Contract DA-5575 with Global Access Supply to extend the term through October 24, 2030 and increase the contract authority by \$1,450,000, for new total not to exceed \$1,861,000, covering maintenance of the Airfield Lighting Control Monitoring System at Los Angeles International Airport; and authorized execution of said First Amendment.
