SUMMARY

At its meeting on July 11, 2023, the Board of Police Commissioners (Board) approved the Los Angeles Police Department's (Department) report for the grant application and award acceptance of the 2023-24 Real Estate Fraud Prosecution (REFP) Program grant. In accordance with Executive Directive No. 3, and through the Board, the Department transmits the proposed grant application and requests retroactive approval to apply for and accept the grant award in the amount of \$463,000 from the County of Los Angeles (County) for the period of July 1, 2023 through June 30, 2024.

Pursuant to Section 23788 of the California Government Code, the REFP Fund (Fund) was established in April 2009 for the deposit of fees from the recording of certain real estate transactions by the County. The Fund provides funding for use by local police, sheriffs, and district attorneys to deter, investigate, and prosecute real estate fraud crimes. The County evaluates applications for funds and provides grant awards to selected jurisdictions based on the number of document titles filed.

The Department has been a recipient of the REFP Program and recipient of grant funds for 23 years. The grant reimburses a portion of the annual costs of the Real Estate Fraud Unit (REFU), which is part of the Department's Commercial Crimes Division. The REFU is responsible for administering the City's REFP Program and handles white-collar real estate crimes within the City. The Unit opened 86 new cases in FY 2021-22 and made 18 arrests from cases filed by REFU Detectives.

The grant will assist the Department in fully funding two resolution authority positions in FY 2023-24 consisting of one Police Detective II and one Police Detective III assigned full-time to the REFU. The grant will also provide funding for the overtime costs and fringe benefits of REFU Detectives assigned to investigate white-collar real estate fraud crimes. In addition, the grant will provide funding for travel, equipment, supplies, and miscellaneous expenses projected to be incurred to carry out this program.

Under the grant agreement, the County will reimburse the City for expenses incurred in FY 2023-24, as follows:

Expense Category	Amount
Sworn Salaries	\$319,692
Sworn Overtime	40,000
Fringe Benefits	93,808
Travel / Training	1,000
Equipment (Cell phones)	2,500
Office Supplies	2,000
Other Costs*	4,000
Total	\$463,000

**Other Costs include document fees, court reporter fees, title searches, and other miscellaneous expenses the Detectives may incur in relation to their investigative work.*

In accordance with Los Angeles Administrative Code Section 14.6, Mayor and Council approval of the grant award is required before accepting and receiving the grant award.
