From: Matthew W. Szabo, City Administrative Officer
Chair, CRA/LA Bond Oversight Committee

Subject: **CRA/LA Excess Bond Proceeds Quarterly Project Status Report as of January 15, 2023**

On January 16, 2015, the City of Los Angeles (City) and CRA/LA, a Designated Local Authority (CRA/LA), entered into a Bond Expenditure Agreement (BEA: C.F. 14-1174; Contract C-125212) for the purpose of transferring an initial \$84.1 million in Non-Housing Excess Bond Proceeds (EBP) to the City as a result of the dissolution of the City's former redevelopment agency. Since the initial allocation, the City received an additional \$1.9 million in FY 2017-18 and \$2.4 million in FY 2019-20 for a total of approximately \$88.4 million in principal funds. After the inclusion of \$7.5 million in interest earnings, the sum total of EBP proceeds as of January 15, 2023 is approximately \$95.9 million.

In response to a motion (C.F. 20-066; Blumenfield – Harris-Dawson), the attached report is the sixth CRA/LA EBP Project Status Report, which outlines the implementation status of each EBP project as of January 15, 2023, and provides an overview of key program highlights. The City has expended roughly \$46.8M to date on projects in former redevelopment areas throughout Los Angeles. Forty-three projects have been completed, and 36 projects are in progress. The remaining balance of \$49.1M must be spent prior to the January 2025 deadline.

If you have any questions, please contact Ida Rubio, Chief Administrative Analyst, at (213) 473-7578 or Nathan Holmes, Principal Project Coordinator, at (213) 473-7532.

CITY OF LOS ANGELES
CRA/LA EXCESS NON-HOUSING BOND PROCEEDS
QUARTERLY PROJECT STATUS REPORT
As of January 15, 2023

CONTENTS

- I. OVERVIEW**
- II. PROJECT ENCUMBRANCES AND EXPENDITURES**
- III. PROGRAM And PROJECT HIGHLIGHTS**

I. OVERVIEW

The Bond Expenditure Agreement (BEA) (Contract C-125212; Council File 14-1174), executed on January 16, 2015 between the City of Los Angeles and CRA/LA, transferred **CRA/LA Excess Non-Housing Bond Proceeds (EBP)** to the City to carry out economic and community development activities.

The City’s CRA/LA Bond Oversight Committee (BOC), consists of the City Administrative Officer, Chief Legislative Analyst, and the Mayor’s Office, and is responsible for evaluating the proposed Bond expenditures, ensuring that these expenditures are consistent with the Bond covenants, and making detailed program and budget recommendations to Mayor and Council on EBP appropriations.

Under the BEA, the City received CRA/LA EBP totaling \$84,071,895 on February 2, 2015, and additional transfers of \$1,900,530 on March 28, 2018 and \$2,427,927 on July 9, 2019. The aggregate EBP of \$88,400,352 was deposited into Fund 57D, and as required by the BEA was segregated into various accounts to ensure accurate tracking by project area, bond series, and taxable versus tax-exempt EBP allocations. The City must expend all funds on eligible projects and activities by January 15, 2025.

This report includes an overview of the total \$95,871,859 allocated for project implementation and staff administration, which includes the \$88,400,352 in Principal EBP funds in addition to \$7,471,507 in earned interest as of September 30, 2022. The current implementation status of all projects receiving EBP appropriations is detailed in Attachment 2. It should be noted that additional project activities may have taken place during the preparation of this report, and that certain accounting tasks covering recent months are still in the processing stage.

II. PROJECT ENCUMBRANCES AND EXPENDITURES

As of September 30, 2022, the City has approved project-specific and administrative appropriations totaling \$95,871,859 or 100 percent of EBP. Of this amount, \$7,307,402 is for allowable administrative costs. There have been no additional appropriations as of January 15, 2023. Tables 1-3 immediately below reflect various snapshots of the total accumulated EBP funds available, expenditures, interest and unspent funds. (Certain sums do not total due to rounding.)

Table 1: EBP: Transferred/Received Funds and Accumulated Interest

Description	Amount	Percentage (%)
Total Principal Funds transferred/received	\$88,400,352	92 %
Total Interest Earned as of June 30, 2022	\$ 7,471,507	8%
Total Principal and Interest	\$95,871,859	100%

Table 2: EBP: Allocation Between Projects and Administration

Description	Amount	Percentage %
Total encumbered to individual projects	\$88,564,457	92%
Total allocated for program administration	\$ 7,307,402	8%
Total Projects and Program Administration	\$95,871,859	100%

# of Projects	Planning/Design	Implementation	Completed
79 (100%)	13 (17%)	23 (29%)	43 (54%)

Table 6: Project Watch List

CD	Project	Managing Dept	Notes	Remaining Budget
14	6 th Street Viaduct PARC	BOE	Project has multiple funding sources and a significant budget shortfall	\$3,345,038
7	MEND Building	BOE	Project scope is being adjusted in light of several factors, including building vandalism	\$4,742,944
7	Bradley Alley Food Kiosk	LASAN	Project is linked to the progress of MEND building (above)	\$ 450,000
13	Beverly Madison Improvements	BOE	Coordination issues with adjacent private development project	\$1,766,079
6	Allegheny Park Planning	RAP	Project received state grant funding that will allow EBP funds to be deployed to a new project	\$ 800,000
3	Reseda Riverloop Greenway	LASAN	New governmental review requirements will delay project 6-9 months	\$4,271,569
15	Mechanical Parking Garage Arm	(TBD)	Additional funding sources likely required	\$ 77,892
			Total	\$15,453,522

III. PROGRAM AND PROJECT HIGHLIGHTS

The City is allocating its EBP funds to initiate and complete programs and projects covering the four broad categories deemed eligible in the Bond Expenditure Agreement: (A) public infrastructure, (B) community facilities and open space (C) affordable housing, and (D) business assistance and catalytic commercial developments. **Projects in bold print are completed.**

(A) Public Infrastructure:

The City has leveraged a combination of public and private funding in order to take advantage of opportunities to invest in existing public infrastructure programs. These projects will result in increased access to public art in the San Fernando Valley, completion of additional Safe Routes to School projects at high-need elementary schools, neighborhood enhancement projects to remove graffiti and nuisance issues, art installation and mural programs, and stormwater sustainability projects to help with flood reduction.

Safe Routes to School Projects

- Esperanza Elementary School
- Charles White Elementary School
- Magnolia Elementary School
- Union Elementary School

Streetscape and Pedestrian Improvement Projects

- Normandie Pedestrian Improvements
- Parthenia/Sepulveda Streetscape Improvements
- **Whittier Boulevard Sidewalk Improvements**

Graffiti Removal and Litter Abatement Projects

- Five graffiti abatement projects in Westlake, Pico Union, Koreatown (2), and Reseda/Canoga Park
- **Two permanent smart trash receptacle installation projects in South LA**

Storm water Sustainability Projects

- **Ben - Victory Boulevard Improvements – new bioswale and landscaping**
- Reseda River Loop Greenway – new bike paths, pedestrian bridge, and stormwater capture system
- Vineland Walkway and Median Improvements – enhanced landscaping and irrigation

Public Art

- NoHo Arts District Mural Program – public art to develop North Hollywood as an arts destination
- Art Installation Planning – development of Outdoor Art Gallery and Station Area/Corridor Master Plans for the Destination Crenshaw project
- **Pacoima Mural Program – abate blight in the San Fernando Valley through public murals**

(B) Community Facilities and Open Space:

Community facilities are places where constituents gather for leisure, recreation, education, and activities that strengthen the community fabric. The projects listed below reflect the diverse spaces the City is upgrading to serve LA's many unique communities.

Community Facilities

- **Reseda Ice Skating Rink – partnership with LA Kings**
- Lankershim Arts Center Improvements
- **Durant Library Improvements**
- **Watts Civic Center building purchase**
- **Restoration of Hollyhock House in Barnsdall Park**

Open Space

- Western Gage Median Park in a park-poor area of South LA
- Allegheny Park in a park-poor area of eastern San Fernando Valley
- Pio Pico Pocket Park and Olympic Gateway Park in park-poor areas of Koreatown
- 6th Street Viaduct Park in Boyle Heights
- **Union Community Garden – soil remediation in Pico Union for food garden and programming with local schools**

(C) Affordable Housing:

Affordable housing is one of the City's most acute needs. Several council offices have expended funds on pivotal projects that will add to the supply of affordable housing stock for families, seniors, and the homeless.

- **Casa Carmen Senior Apartments: 24-unit affordable housing apartment for seniors in the Pico Union area**
- **Reseda Theater/Camby Acquisition: Mixed-use senior affordable housing project and Reseda Theater restoration in Reseda**
- **First and Boyle: Environmental site study to support permanent supportive housing development in Boyle Heights**

(D) Business Assistance and Catalytic Commercial Developments:

The EBP funds are critical to providing investment opportunities for private organizations uniquely positioned to spur catalytic growth through the City's investment/loan programs. Using the EBP funds, the City looks to realize two long-term goals: (1) establishing a culinary arts program and partnership between Mission College and local entrepreneurs in the San Fernando Valley, and (2) expanding cultural programming and access to arts programming throughout the City.

Catalytic Commercial Developments

- Culinary Arts and Business Incubator in Pacoima
- Bradley Alley Food Kiosk Project – culinary partnership between Mission College and local entrepreneurs
- **Self-Help Graphics building acquisition in Boyle Heights – provision of art classes to the local community**
- **Madrid Theater Hub in Reseda – the Madrid and Owensmouth Theater acquisitions to foster an emerging cultural arts cluster in the San Fernando Valley**

Business Assistance

- **Thai Town Marketplace – Assist Thai CDC with small business creation**
- **Commercial Façade Business Assistance on Sherman Way in San Fernando Valley**
