**Comments for Public Posting:** I urge the council to vote no on this 24-0771. It's a waste of money under the guise of security. Instead may I suggest this money should be going for clean air investments in schools to protect children from airborne pathogens. I also want to voice my opposition to Mayor Bass' proposed mask bans. Mask bans or restrictions are a public health risk that do nothing to reduce crime. I urge the councilmembers to push back on Mayor Bass' future efforts to restrict mask usage
