Honorable Members:

This Office recommends that discussion with, and advice from, legal counsel with respect to significant exposure to litigation be scheduled by City Council and held in closed session pursuant to California Government Code Sections 54956.9(d)(2) and (e)(1). Government Code Section 54956.9 requires the issuance of a public statement that includes the section subdivision that authorizes the closed meeting, and determines whether the closed session will be held to confer or discuss with, or receive advice from legal counsel regarding significant exposure to litigation, prior to the closed session.

This Office also recommends that the City Counsel approve Stoel Rives LLP's request for a waiver of conflict involving AELD re the Casmalia superfund site, in connection with its proposed agreement for stormwater legal services.
