

ENERGY AND ENVIRONMENT and BUDGET, FINANCE AND INNOVATION COMMITTEES' REPORT relative to the coordinated City effort to eliminate municipal fossil fuel purchases and usage, municipal carbon emissions, electrification of vehicles and equipment, and the wide promulgation of solar+ battery distributed energy systems.

Recommendations for Council action, pursuant to Motion (Blumenfield - Krekorian - Yaroslavsky):

1. INSTRUCT the City Administrative Officer (CAO), and the Chief Legislative Analyst (CLA), with the assistance of the Department of General Services, Bureau of Engineering, Bureau of Street Lighting, Los Angeles Department of Water and Power (LADWP), Climate Emergency Mobilization Office, and all affected departments as necessary, to report to the City Council on the coordinated city effort to eliminate municipal fossil fuel purchases and usage, municipal carbon emissions, electrification of vehicles and equipment, and the wide promulgation of solar+ battery distributed energy systems, as directed by Council file nos. 21-1039, 22-0532, 21-0890, 21-0890-S2, and 22-1402.
2. REQUEST the LADWP to report with an update on the implementation, investments, and expenditures needed to effectuate LA100's Strategic Long Term Resource Plan, including staffing and infrastructure needs which will be required for vehicle and building decarbonization and electrification, as directed by Council file nos. 21-0352, and 16-0243-S2.

Fiscal Impact Statement: Neither the CAO nor the CLA has completed a financial analysis of this report.

Community Impact Statement: Yes.

For:
Westside Neighborhood Council

Summary:

On March 8, 2024, the Energy and Environment Committee considered Motion (Blumenfield - Krekorian - Yaroslavsky) relative to the coordinated City effort to eliminate municipal fossil fuel purchases and usage, municipal carbon emissions, electrification of vehicles and equipment, and the wide promulgation of solar+ battery distributed energy systems. The Motion attached to the Council file includes some background on the matter. After providing an opportunity for public comment, the Committee moved to approve the recommendations reflected above.

On April 17, 2024, the Budget, Finance and Innovation Committee considered the matter and concurred with the actions taken by the Energy and Environment Committee on March 8, 2024. This matter is now transmitted to the Council for its consideration.

Respectfully Submitted,

ENERGY AND ENVIRONMENT COMMITTEE
