Comments for Public Posting: Hello, I am staunchly against the building of the Bulgari hotel or any other hotel up in the hills off Benidict Canyon or Beverly Glen. Our infrastructure cannot handle any more traffic or strain on our electric grid and or water supply. Do not allow this project to go forward. Thank you.

Comments for Public Posting: NO on building the Bulgari hotel or any other hotel up in the hills. our roads are crumbling, power grid taxed, and the fire department cannot handle what is already happening up here.
