Comments for Public Posting: Dear City Council, RE: Escheatment / Unclaimed Monies Seized Incidental to Arrest Trust Fund / General Fund (Council File: 21-0821) I am writing to urge the City Council and the Budget and Finance Committee to use any monies that are 'unclaimed' and or seized by law enforcement, to use this money to help fund social and community development programs to uplift underrepresented neighborhoods and communities. The money should not be used to fund bureaucrats and any department or agency that already makes sufficient wealth at the expense of taxpayers. The funds should be used to help fund programs such as providing employment, harm reduction programs, beautification programs, shade tree planting to minimize the impact of the urban heat island effect. Thank you for understanding.
