Dear Committee Members,

I am the representative for the above referenced case.

On January 23, 2020 the City Planning Commission adopted the Mitigated Negative Declaration, Approved and Recommended that City Council adopt the General Plan Amendment, Vesting Zone Change and Site Plan Review. The City Planning Commission Letter of Determination was issued on February 25, 2020.

Due to scheduling uncertainties, the Department of City Planning has determined that the requested entitlement will not be scheduled prior to the previous time limit of May 30, 2020. We therefore request an Extension of Time until August 30, 2020.

We agree to waive all applicable time periods under LAMC Section 12.32 within which the City Council must act.

Thank you for your consideration.

Sincerely,

Eric Lieberman
